Scenes From Canadian Plays:

Behind the Scenes Mary Ross, Ron Cameron, 2013-12-30 Scenes from Canadian plays for two to six actors Thirty two excellent opportunities for young thespians these are texts which I would certainly use with my own senior students of You're Making a Scene Tony Hamill, 1993 Fifty compelling scenes from Canadian dramatic arts Reviewing Librarian plays two handers and three person scenes comedic and dramatic from the largest mainstage hits to the smallest fringe shows Edited by Tony Hamill Marion Gilsenan David Ferry Ann Jansen Nick Hern Books Nick Hern Books (London)., Nick A Collection of Canadian Plays Rolf Kalman, 1972-06-01 Wedding in White by William Fruet Hern Books, Limited, 2006 Three Women by Hugh Garner The Devil s Instrument by W O Mitchell The Pile The Store and Inside Out by Mavor Moore Westbound 12 01 by Brock Shoveller Scenes from Canadian Plays Dwayne Brenna, 1989 Canadian Plays from Hart House Theatre Vincent Massey, 1927 **Directory of Canadian Plays and Playwrights** Playwrights Canada, 1981 Thespian Action! Robin Whittaker, 2008 In Hot Thespian Action Robin Whittaker argues that new plays can thrive in amateur theatres which have freedoms unavailable to professional companies He proves it with ten relevant engaging playscripts originally produced by one of Canada's longest running theatres Edmonton's acclaimed Walterdale Theatre Associates This collection challenges notions that amateur theatre is solely a phenomenon of the pre professional past Whittaker makes an important contribution to Canadian theatre studies with the first North American anthology in 80 years to collect plays first produced by a nonprofessionalized theatre company Canadian Books in Print ,2000 The Dundurn Group The Dundurn **Shakespeare in Canada** Diana Brydon, Irene Rima Makaryk, 2002-01-01 Is there a distinctly Canadian Group, Shakespeare What is the status and function of Shakespeare in various locations within the nation at Stratford on CBC radio in regional and university theatres in Canadian drama and popular culture Shakespeare in Canada brings insights from a little explored but extensive archive to contemporary debates about the cultural uses of Shakespeare and what it means to be Canadian Canada's long history of Shakespeare productions and reception including adaptations literary reworkings and parodies is analysed and contextualized within the four sections of the book A timely addition to the growing field that studies the transnational reach of Shakespeare across cultures this collection examines the political and cultural agendas invoked not only by Shakespeare's plays but also by his very name In part a historical and regional survey of Shakespeare in performance adaptation and criticism this is the first work to engage Shakespeare with distinctly Canadian debates addressing nationalism separatism cultural appropriation cultural nationalism feminism and postcolonialism Oueen's Refractions of Canada in European Literature and Culture Heinz Antor, Gordon Bölling, Annette Ouarterly ,1923 Kern-Stähler, Klaus Stierstorfer, 2012-05-02 Ever since the first exploratory expeditions in the early modern period North America has epitomized to Europeans a promise and the hope for the fulfilment of great expectations be it of more freedom greater wealth social liberation or religious tolerance While numerous features in this dialogic intercontinental relationship

will hold true for North America in its entirety the vast northern territories which we know as Canada today began to emerge early on as a specific iconic location in European mind maps and they definitely acquired a distinctive profile after the formation of the USA As a rich source of cultural exchange and an important partner in political and economic cooperation Canada has come to occupy an important position in the cultural discourses of many European nations It is these refractions and images of Canada which this volume thoroughly explores in European literature and culture The contributions include literature philosophy language life writing and the concept of Heimat homeland as well as the cultural impact of the World Wars While there is an emphasis on literary texts other fields of cultural representation are also included English Drama Bruce King, 1993-02-12 Post Colonial English Drama is the first critical survey of contemporary Commonwealth drama Besides essays on such individual dramatists as Wole Soyinka Derek Walcott David Williamson Louis Nowra Athol Fugard George Walker Sharon Pollock and Judith Thompson there are surveys of the dramatic literature and developments in the theatre in Australia Canada India New Zealand South Africa Papua New Guinea Ghana Nigeria Jamaica and Trinidad Canadian woman dramatists and the new radical South African theatre are also among the topics Licence Louise Ladouceur, 2012-05 Navigating through two languages and cultures Ladouceur studies translation strategies in the world of theatre Origins and Identities in French Literature Buford Norman, 1999 The essays in this volume investigate origins and identities of individuals and groups in French literature from the seventeenth century to the present as well in French literature in general They show how as France developed a national identity through its literature individuals of various origins searched for their own identities and often called into question not only traditional identities but also the very literary means of creating them Refractions Donna-Michelle St. Bernard, Yvette Nolan, 2018-11-26 This collection can be used both as a source for actors and students or as a primer on diverse Canadian theatre and an entry point into new works Refractions Scenes includes work by Michaela di Cesare Rob Salerno Lisa Codrington Patti Flather Ciar n Myers Reneltta Arluk Colleen Murphy Deidre Walton David Yee and many more The Great European Stage Directors **Volume 3** Jonathan Pitches, 2021-10-07 This volume examines the work of directors Jacques Copeau Theodore Komisarjevsky and Tyrone Guthrie It explores in detail many of the directors key productions including Copeau s staging of Moli re s The Tricks of Scapin Komisarjevsky s signature season of Chekhov plays at the Barnes Theatre and Guthrie s pioneering direction of Shakespeare's plays in North America This study argues that their work exemplifies the complexity and novelty of the role of theatre directing in the first three quarters of the 20th century as Komisarjevsky was in the middle of the genesis of directing in Russia Copeau launched his directorial career just as the role was gaining definition and Guthrie was at the vanguard of directing in Britain at last shaking off the traditions of the actor manager to formulate the new role of artistic director Canadian Literature in English W. J. Keith, 2006 When Canadian Literature in English was first published by Longman in 1985 it was described in the Modern Language Review as a standard reference work on the subject and the best

critical account of its subject that we possess so far The book was released in London and New York as such things were done at the time but never distributed particularly well in Canada where it faded rapidly from view W J Keith writing in the Preface to the Revised Edition admits his first inclination was to embark on a total rewrite of the Longman edition On further consideration however Keith came to realize that the 1985 publication was completed at the close of a major phase in the Canadian literary tradition and that the remarkable flowering that began to manifest itself in the middle of the twentieth century had run its course by the beginning of the new millennium That being the case Keith would argue that a number of writers who had already achieved considerable stature further developed their reputations in the period 1985 2005 but only a few extended them Keith is also quick to admit that he has chosen to ignore utterly the popular at the one extreme Robert Service Lucy Maud Montgomery as well as the avant garde bpnichol Anne Carson at the other in favour of those authors whose style lends itself to the simple pleasure of reading and to that end he dedicates his history to all those including the general reading public whose endangered status is much lamented in the Polemical Conclusion who recognize and celebrate the dance of words Mad about Theatre Richard Hornby, 1996 Applause Books Mad About Theatre is a systematic analysis of the major issues confronting our theatre today The Decline of Broadway The Generally Poor Quality of American Stage Acting The Pretentiousness of our Avant Garde The Narrowness of our Playwriting Broadway In Search of a Musical Fix Subsidized British Theatre in the Age of Thatcher and Beyond The Inflated Directing of the Classics The Growing Vitality of our Regional Theatres in Playwriting as well as Acting and Directing The Innovative Use of the Theatre by Minority Groups Mad About Theatre is not only a major contribution to contemporary theatre criticism but a call to account for a culture in danger of losing its way Taken together these reviews from The Hudson Review weave a powerful indictment against the status quo while offering a constructive blueprint for the future
