Life Before Death Lawrence Meredith,2000-04 Lawrence Meredith writes with one question in mind What constitutes life before death The Hindus teach that there is life before life So do the Mormons and the primal scream therapists The Muslims teach that there is life after death and so does just about anybody else who s willing to be called religious Meredith argues that these views are felonious We have the responsibility he writes to live life in the here and now and seek to experience our own religion of the body Defining and exploring the different stages of the body is key to understanding Life Before Death The body as God The body as Christ The body as spirit The body as dance The body as play The body as mortal What readers are saying about this book It takes no courage to say one is a Christian but it takes great courage to be a Christian It takes no courage to say one is a writer but it takes great courage to be a writer and write so others can comprehend the content Larry Meredith in Life Before Death shows that he has enormous courage After finishing this book the reader is more prepared to face death and even more prepared to face life Maya Angelou Author Life Before Death reminds us of the value of our todays the here and now and the joys to be savored one day at a time one victory at a time one championship at a time And when Life is the ultimate championship we don t need just a little bit more Cedric Dempsey President NCAA Meredith s vision is kaleidoscopic and his supreme revelation is that the Word made flesh is a vital form of Amazing Grace Earle Labor Ph D Wilson Professor of American Literature and Director of the Jack London Research Center
