Schalom Libertad Juden Im Spanischen Baargerkrieg:

Schalom libertad! Arno Lustiger, 1991 Jewish Volunteers, the International Brigades and the Spanish Civil War Gerben Zaagsma, 2017-04-06 Jewish Volunteers the International Brigades and the Spanish Civil War discusses the participation of volunteers of Jewish descent in the International Brigades during the Spanish Civil War focusing particularly on the establishment of the Naftali Botwin Company a Jewish military unit that was created in the Polish Dombrowski Brigade Gerben Zaagsma analyses the symbolic meaning of the participation of Jewish volunteers and the Botwin Company both during and after the civil war He puts this participation in the broader context of Jewish involvement in the left and Jewish non Jewish relations in the communist movement and beyond To this end the book examines representations of Jewish volunteers in the Parisian Yiddish press both communist and non communist In addition it analyses the various ways in which Jewish volunteers and the Botwin Company have been commemorated after WWII tracing how discourses about Jewish volunteers became decisively shaped by post Holocaust debates on Jewish responses to fascism and Nazism and discusses claims that Jewish volunteers can be seen as the first Jews to resist Hitler with arms *Jewish Imaginaries of the Spanish Civil War* Cynthia Gabbay, 2022-09-08 Jewish Imaginaries of the Spanish Civil War inaugurates a new field of research in literary and Jewish studies at the intersection of Jewish history and the internationalist cultural phenomenon emerging from the Spanish Civil War 1936 1939 the Republican exile and the Shoah With the Spanish Civil War as a point of departure this volume proposes a definition of Jewish textualities based on the entanglement of multiple poetic modes Through the examination of a variety of narrative fiction and non fiction memoir poetry epistles journalism and music in Yiddish Spanish French German and English these essays unveil non canonic authors across the West and explore these works in the context of antisemitism orientalism and philo Sephardism among other cultural phenomena Jewish writings from the war have much to tell about the encounter between old traditions and new experimentations framed by urgency migration and messianic hope They offer perspectives on memorial and post memorial literatures triggered by transhistorical imagination and many were written against the grain of canonic literature where subtle forms of dissidence manifested through language structure sound and thought sought to tune with the anti fascist fight This book revindicates the polyglossia of Jewish cultures and literatures in the context of genocide and epistemicide and proposes to remember the cultural phenomena produced by the Spanish Civil War demanding a new understanding of the cosmopolitan imaginaries in Jewish literature **AntiFascism and Memory in East Germany** Josie McLellan, 2004-10-07 AntiFascism and Memory in East Germany is a book about remembering and about forgetting about war and about the peace which eventually followed In the unlikely setting of the German Democratic Republic GDR the Spanish Civil War became the subject of a debate which both predated and outlasted the Cold War involving historians veterans politicians censors artists writers and Church activists Examining these multiple memories and interpretations of Spain casts new and unexpected light on the legacy of the Spanish Civil War and the

relationship between history and memory under state socialism The ruling Socialist Unity Party made full use of the antifascist legacy as legitimation for a non democratic state But despite dogged attempts at control and censorship the state was unable to silence competing voices All over East Germany International Brigade veterans preserved their version of events in letters to each other in communications with the party in discussions with friends and family around the kitchen table and in memoirs written for the desk drawer For younger East Germans the war retained an undeniably romantic aura From their perspective Spain was a far away land to which they were forbidden to travel the stuff of camp fire singalongs and fantasies of adventure This book dissects the relationship between state sponsored history the lobbying of veterans cultural interpretations of war and the memory traces left behind by marginalised or politically oppositional groups and individuals It is a cultural history of memory under state socialism a social history of veteran groups and their relationship with the state and a political history of communist culture Above all it is the story of how post war Europeans came to terms with the heavy burden of their pre war past

A Specter Haunting Europe Paul Hanebrink, 2018-11-05 In the 20th century Europe was haunted by a specter of its own imagining Judeo Bolshevism Fear of a Jewish Bolshevik plot to destroy the nations of Europe took hold during the Russian Revolution and spread across the continent Paul Hanebrink shows that the myth of ethno religious threat is still alive today in Westerners fear of Muslims

"Jüdische Ethik" und Anarchismus im Spanischen Bürgerkrieg Marianne Kröger, 2009 Diese Publikation nimmt Bezug auf das Ende des Spanischen Bürgerkriegs vor 70 Jahren und untersucht Motive und Gründe des freiwilligen Engagements dreier europäischer Intellektueller Carl Einstein Simone Weil Etta Federn zwischen 1936 und 1939 auf Seiten der Republik und dabei speziell in den Reihen der unorthodoxen Linken bei den Anarchosyndikalisten in Katalonien Für zwei von ihnen war Spanien dabei auch eine Exilstation und alle drei kamen aus dem assimilierten jüdischen Bürgertum In drei Einzelaufsätzen wird zum einen das Selbstverständnis einer jungen jüdisch europäischen Generation vor dem Holocaust beleuchtet die sich von der Religion gelöst hatte Privilegien wie etwa den Zugang zu Bildung und Wissen nutzte und sich gleichzeitig vehement und risikobereit für emanzipatorisch revolutionäre Politikkonzepte zugunsten der Bevölkerungsmehrheit einsetzte Zum anderen versteht sich diese Arbeit durch ihre kritische Würdigung der bisher vernachlässigten Präsenz von ausländischen Intellektuellen innerhalb der anarchistischen Bewegung im Spanischen Bürgerkrieg auch als Beitrag zur Erinnerungspolitik bei der derzeit stattfindenden Aufarbeitung des Spanischen Bürgerkriegs in Spanien selbst

Jews and the Military Derek J. Penslar, 2015-10-27 A historical reevaluation of the relationship between Jews military service and war Jews and the Military is the first comprehensive and comparative look at Jews involvement in the military and their attitudes toward war from the 1600s until the creation of the state of Israel in 1948 Derek Penslar shows that although Jews have often been described as people who shun the army in fact they have frequently been willing even eager to do military service and only a minuscule minority have been pacifists Penslar demonstrates that Israel's military ethos did not emerge from a vacuum and that long before the state's establishment Jews

had a vested interest in military affairs Spanning Europe North America and the Middle East Penslar discusses the myths and realities of Jewish draft dodging how Jews reacted to facing their coreligionists in battle the careers of Jewish officers and their reception in the Jewish community the effects of World War I on Jewish veterans and Jewish participation in the Spanish Civil War and World War II Penslar culminates with a study of Israel s War of Independence as a Jewish world war which drew on the military expertise and financial support of a mobilized global Jewish community He considers how military service was a central issue in debates about Jewish emancipation and a primary indicator of the position of Jews in any given society Deconstructing old stereotypes Jews and the Military radically transforms our understanding of Jews historic relationship to war and military power Facing Fascism and Confronting the Past Elke P. Frederiksen,Martha Kaarsberg Wallach,2000-06-01 Spanning almost the entire twentieth century from the 1920s to the 1990s this book gives voice to both Jewish and non Jewish women writers from German speaking countries who were silenced during the Nazi years Discussions on gender patriarchy and fascism are brought to bear on the works of Nelly Sachs Anna Seghers Elisabeth Langg sser Ingeborg Drewitz Luise Rinser Grete Weil Christa Wolf and others The book also includes an autobiographical account of a Holocaust survivor s experience In light of recent political events in Europe this book is particularly relevant Contributors include Gisela Brinker Gabler Ruth Dinesen Elke P Frederiksen Gertraud Gutzmann Robert Holub Ritta Jo Horsley Ruth Kluger Helga Kraft Sara Lennox Elke Liebs Dagmar Lorenz Elaine Martin Richard McCormick Renate M hrmann Monika Shafi Guy Stern and Margaret Ward Das jüdische Frankfurt – von der NS-Zeit bis zur Gegenwart Christian Wiese,Stefan Vogt,Tobias Freimüller,Mirjam Wenzel,Doron Kiesel,Gury Schneider-Ludorff,2024-06-04 Frankfurt am Main war bis 1933 eines der wichtigsten Zentren j dischen Lebens und j discher Kultur in Europa Die Stadt besa eine gro e j dische Gemeinde deren Mitglieder tragende S ulen der Stadtgesellschaft waren W hrend der nationalsozialistischen Herrschaft wurden aber auch die Frankfurter J dinnen und Juden systematisch entrechtet verfolgt und ermordet die j dischen Gemeinden aufgel st Der Band widmet sich der Geschichte des j dischen Frankfurt im NS Staat und zeichnet dessen Bedrohung und Zerst rung nach Er fragt wie die Frankfurter J dinnen und Juden den Ausschluss aus der Stadtgesellschaft und die Verfolgung erfahren haben was dabei unwiederbringlich verloren ging und auf welche Weise das geistige und kulturelle Erbe des j dischen Frankfurt im Exil weiterwirken konnte Unter dem Schutz der US Milit rverwaltung gr ndete sich in der Nachkriegszeit eine neue j dische Gemeinde mehrere j dische Organisationen siedelten sich in der Stadt an und es entwickelte sich neues j disches Leben Der Band behandelt auch diese Geschichte bis in die 1980er Jahre als gerade von Frankfurt wichtige Impulse f r eine neue Sichtbarkeit der j dischen Gemeinschaft in der Bundesrepublik ausgingen Unter welchen Bedingungen vollzog sich die Neugr ndung der j dischen Gemeinde und auf welchen Wegen kehrten J dinnen und Juden in den Nachkriegsjahrzehnten ins Zentrum der Frankfurter Stadtgesellschaft zur ck **Eichmann's Jews** Doron Rabinovici,2014-11-06 The question of the collaboration of Jews with the Nazi regime during the persecution and

extermination of European Jewry is one of the most difficult and sensitive issues surrounding the Holocaust. How could people be forced to cooperate in their own destruction? Why would they help the Nazi authorities round up their own people for deportation, manage the collection points and supervise the people being deported until the last moment? This book is a major new study of the role of the Jews and more specifically the Judenrat or Jewish Council in Holocaust Vienna. It was in Vienna that Eichmann developed and tested his model for a Nazi Jewish policy from 1938 onwards and the leaders of the Viennese Jewish community were the prototypes for all subsequent Jewish councils. By studying the situation in Vienna it is possible to gain a unique insight into the way that the Nazi regime incorporated the Jewish community into its machinery of destruction. Drawing on recently discovered archives and extensive interviews, Doron Rabinovici explores in detail the actions of individual Jews and Jewish organizations and shows how all of their strategies to protect themselves and others were ultimately doomed to failure. His rich and insightful account enables us to understand in a new way the terrible reality of the victims' plight faced with the stark choice of death or cooperation; many chose to cooperate with the authorities in the hope that their actions might turn out to be the lesser evil.

Spanish Carlism and Polish Nationalism Marek Jan Chodakiewicz, John Radzilowski. While both Spain and Poland developed genteel cultures grounded in Catholic religion and experienced periods of growth followed by long decline, it is also the case that large differences in political economy and military structures also existed. Thus while Spain merely declined in power, Poland was partitioned by three powerful and rapacious neighbors. The Catholic and conservative elements that have been strong in both Poland and Spain have often been portrayed as obscure, nativist and racist, and even fascist. The purpose of this volume is to move beyond the simplistic vision this created about both countries into a more balanced and careful appraisal of tradition and development. Puncturing this stereotype, Eugene Genovese wryly notes that as every schoolboy knows, Europe's Catholic Right has consisted of reactionaries who began in the service of residual feudal landowners and ended in support of big capital's exploitation and oppression of the masses. Still, the totalitarian horrors of the twentieth century proved prescient the warnings of the Catholic traditionalist Right about the consequences of radical democracy and cultural nihilism. These splendid essays, as readable as they are scholarly, launch a long overdue assessment of vital political events. Ewa Thompson, professor of Slavic Studies at Rice University, writes: 'The fall of Communism facilitated growth of research in areas previously difficult to access. One such area is Polish interest in Spain, the history of the Catholic Right in Europe. This pioneering volume explores both narratives and succeeds in showing that they are related. The similarities have to do with the symmetrical positions of Poland and Spain as frontiers of Europe against invasions from Islam. The present collection of papers explores recent history developing against this background.'

Zweierlei Zugehörigkeit Philipp Graf, 2024-03-11. Im Zentrum des Buches stehen die politischen Konversionen des jüdischen Juristen und hochrangigen Mitarbeiter des SED Parteiapparats Leo Zuckermann 1908-1985, der sich in einer kurzen Zeitspanne zwischen Zweitem Weltkrieg und Beginn des Ost-West-Konflikts für die Rechte der Juden als

Kollektiv einsetzte. So beantwortete er sowohl die Gründung eines jüdischen Staates in Palästina als auch die Restitution oder Entschädigung von den Nazis geraubten jüdischen Vermögens. Anstoß für diese beispiellose und weithin vergessene Haltung innerhalb der Arbeiterbewegung hatte ihm die Diskussion der Nachrichten von der Vernichtung der europäischen Juden im mexikanischen Exil gegeben. In der herkömmlichen marxistischen Gewissheiten vorübergehend durchlässig und für die Integration eines jüdischen Selbstverständnisses empfänglich wurden. Ausgehend von Leo Zuckermanns politischer Biografie leistet die Studie eine Erklärung dafür, weshalb dem Holocaust in der politischen Erinnerung der kommunistischen Bewegung kaum Bedeutung zukam.

Jüdischer Widerstand in Europa (1933-1945) Julius H. Schoeps, Dieter Bingen, Gideon Botsch, 2016-06-20 Mit dem Mut der Verzweiflung begannen jüdische Kämpfer im April 1943 ihren Aufstand im Warschauer Ghetto. Es war die bekannteste, aber nur eine von vielen jüdischen Widerstandsaktivitäten gegen die Vernichtungspolitik der Nationalsozialisten. Der vorliegende Band widmet sich den unterschiedlichen Formen und Facetten des jüdischen Widerstandes wie z.B. Partisanen Kampf, Untergrundbewegung, Lageraufstände, Fluchthilfe und kultureller Widerstand.

Rettungswiderstand Arno Lustiger, 2012-01-27 Arno Lustiger schildert die Bemühungen Juden im gesamten besetzten Europa das Leben zu retten, aus einer neuen Perspektive. So erweitert er die Kriterien dessen, was in der öffentlichen Wahrnehmung unter Judenrettung verstanden wird. Er schildert nicht nur die Aktionen derer, die als Gerechte unter den Völkern geehrt wurden, sondern auch die in Vergessenheit geratenen Rettungsversuche von Diplomaten, Juden, Geistlichen und auch Unterscheidet er nicht zwischen erfolgreichen und missglückten Aktionen, eine Hierarchisierung der Retter findet ebenfalls nicht statt. Auf diese Weise bringt er auch die kleinen alltäglichen Rettungsbemühungen von Einzelpersonen ebenso wie von Netzwerken ans Licht, die den Mord an den europäischen Juden nicht aufhalten konnten, die jedoch gleichwohl Widerstand gegen die Nazis bedeuteten. Vor diesem Hintergrund prägte Lustiger den Begriff Rettungswiderstand. Die Synthese aus der persönlichen Nähe des Holocaust überlebenden, der sein eigenes Leben mehreren Rettungsgeschichten verdankt, und der wissenschaftlichen Distanz des Historikers macht diesen Band zu einem eindringlichen Leseerlebnis und einer Horizonterweiterung unseres Wissens um die Möglichkeiten widerständischen Verhaltens gleichermaßen.
