Salter's life and work bridged two continents and cultures and spanned the political turmoil of the mid twentieth century. He survived both world wars, the rise of National Socialism in Germany and permanent exile in a new land, but nothing halted his tireless and brilliant design work. Classic Book Jackets tells Salter's story and describes the innovative thinking he brought to his clients and students, including his designation of seven jacket types that are still valid today. It includes more than two hundred reproductions of his finest works as well as a complete catalog of his jacket designs and lettering jobs for the book trade. BOOK JACKET
