Schoenberg And His World

Walter Frisch

Schoenberg And His World:

Schoenberg and His World Walter Frisch, 2012-01-16 As the twentieth century draws to a close Arnold Schoenberg 1874-1951 is being acknowledged as one of its most significant and multifaceted composers *Schoenberg and His World* explores the richness of his genius through commentary and documents Marilyn McCoy opens the volume with a concise chronology based on the latest scholarship of Schoenberg's life and works Essays by Joseph Auner Leon Botstein Reinhold Brinkmann J Peter Burkholder Severine Neff and Rudolf Stephan examine aspects of his creative output theoretical writings relation to earlier music and the socio cultural contexts in which he worked The documentary portions of *Schoenberg and His World* capture Schoenberg at critical periods of his career during the first decades of the century primarily in his native Vienna from 1926 to 1933 in Berlin and from 1933 on in the U S Included here is the first complete translation into English of the remarkable *Festschrift* prepared for the 38 year old Schoenberg by his pupils in 1912 it presciently explored the diverse talents as a composer teacher painter and theorist for which he was later to be recognized The Berlin years when he held one of the most prestigious teaching positions in Europe are represented by interviews with him and articles about his public lectures The final portion of the volume devoted to the theme *Schoenberg and America* focuses on how the composer viewed and was viewed by the country where he spent his final eighteen years Sabine Feisst brings together and comments upon sources which contrary to much received opinion attest to both the considerable impact that Schoenberg had upon his newly adopted land and his own deep involvement in its musical life

Alban Berg and His World Christopher Hailey, 2010-08-09 An incisive new look at the pivotal modernist composer Alban Berg and *His World* is a collection of essays and source material that repositions Berg as the pivotal figure of Viennese musical modernism His allegiance to the austere rigor of Arnold Schoenberg's musical revolution was balanced by a lifelong devotion to the warm sensuousness of Viennese musical tradition and a love of lyric utterance the emotional intensity of opera and the expressive nuance of late Romantic tonal practice The essays in this collection explore the specific qualities of Berg's brand of musical modernism and present newly translated letters and documents that illuminate his relationship to the politics and culture of his era Of particular significance are the first translations of Berg's newly discovered stage work *Night Nocturne* Hermann Watznauer's intimate account of Berg's early years and the famous memorial issue of the music periodical *23* Contributors consider Berg's fascination with palindromes and mirror images and their relationship to notions of time and identity the Viennese roots of his distinctive orchestral style his links to such Viennese contemporaries as Alexander Zemlinsky Franz Schreker and Erich Wolfgang Korngold and his attempts to maneuver through the perilous shoals of gender race and fascist politics The contributors are Antony Beaumont Leon Botstein Regina Busch Nicholas Chadwick Mark DeVoto Douglas Jarman Sherry Lee and Margaret Notley

Janacek and His World Michael Brim Beckerman, 2003 Once thought to be a provincial composer of only passing interest to eccentrics Leos Janacek 1854-1928 is now widely acknowledged as one of the most powerful and

original creative figures of his time Banned for all purposes from the Prague stage until the age of 62 and unable to make it even out of the provincial capital of Brno his operas are now performed in dynamic productions throughout the globe This volume brings together some of the world's foremost Jan cek scholars to look closely at a broad range of issues surrounding his life and work Representing the latest in Jan cek scholarship the essays are accompanied by newly translated writings by the composer himself The collection opens with an essay by Leon Botstein who clarifies and amplifies how Max Brod contributed to Jan cek's international success by serving as point man between Czechs and Germans Jews and non Jews John Tyrrell the dean of Jan cek scholars distills more than thirty years of research in How Jan cek Composed Operas while Diane Paige considers Jan cek's liaison with a married woman and the question of the artist's muse Geoffrey Chew places the idea of the adulterous muse in the larger context of Czech fin de siècle decadence in his thoroughgoing consideration of Jan cek's problematic opera Osud Derek Katz examines the problems encountered by Jan cek's satirically patriotic Excursions of Mr Broucek in the post World War I era of Czechoslovak nationalism while Paul Wingfield mounts a defense of Jan cek against allegations of cruelty in his wife's memoirs In the final essay Michael Beckerman asks how much true history can be culled from one of Jan cek's business cards The book then turns to writings by Jan cek previously unpublished in English These not only include fascinating essays on Naturalism opera direction and Tristan and Isolde but four impressionistic chronicles of the speech melodies of daily life They provide insight into Jan cek's revolutionary method of composition and give us the closest thing we will ever have to the heard record of a Czech pre war past or any past for that matter

Schoenberg's New World Sabine Feisst, 2011-02-01 Arnold Schoenberg was a polarizing figure in twentieth century music and his works and ideas have had considerable and lasting impact on Western musical life A refugee from Nazi Europe he spent an important part of his creative life in the United States 1933-1951 where he produced a rich variety of works and distinguished himself as an influential teacher However while his European career has received much scholarly attention surprisingly little has been written about the genesis and context of his works composed in America his interactions with Americans and other migrants and the substantial complex and fascinating performance and reception history of his music in this country Author Sabine Feisst illuminates Schoenberg's legacy and sheds a corrective light on a variety of myths about his sojourn Looking at the first American performances of his works and the dissemination of his ideas among American composers in the 1910s 1920s and early 1930s she convincingly debunks the myths surrounding Schoenberg's alleged isolation in the US Whereas most previous accounts of his time in the US have portrayed him as unwilling to adapt to American culture this book presents a more nuanced picture revealing a Schoenberg who came to terms with his various national identities in his life and work Feisst dispels lingering negative impressions about Schoenberg's teaching style by focusing on his methods themselves as well as on his powerful influence on such well known students as John Cage Lou Harrison and Dika Newlin Schoenberg's influence is not limited to those who followed immediately in his footsteps a wide

range of composers from Stravinsky adherents to experimentalists to jazz and film composers were equally indebted to Schoenberg as were key figures in music theory like Milton Babbitt and David Lewin In sum Schoenberg's *New World* contributes to a new understanding of one of the most important pioneers of musical modernism Sergey Prokofiev and His World Simon Morrison, 2018-06-26 Sergey Prokofiev 1891-1953 arguably the most popular composer of the twentieth century led a life of triumph and tragedy The story of his prodigious childhood in tsarist Russia maturation in the West and rise and fall as a Stalinist era composer is filled with unresolved questions *Sergey Prokofiev and His World* probes beneath the surface of his career and contextualizes his contributions to music on both sides of the nascent Cold War divide The book contains previously unknown documents from the Russian State Archive of Literature and Art in Moscow and the Prokofiev Estate in Paris The literary notebook of the composer's mother Mariya Grigoryevna illuminates her involvement in his education and is translated in full as are ninety-eight letters between the composer and his business partner Levon Atovmyan The collection also includes a translation of Sigizmund Krzhizhanovsky's unperformed stage adaptation of Eugene Onegin for which Prokofiev composed incidental music in 1936 The essays in the book range in focus from musical sketches to Kremlin decrees The contributors explore Prokofiev's time in America evaluate his working methods in the mid-1930s document the creation of his score for the film *Lieutenant Kizhe* tackle how and why Prokofiev rewrote his 1930 Fourth Symphony in 1947 detail his immortalization by Soviet bureaucrats composers and scholars and examine Prokofiev's interest in Christian Science and the paths it opened for his music The contributors are Mark Aranovsky Kevin Bartig Elizabeth Bergman Leon Botstein Pamela Davidson Caryl Emerson Marina Frolova-Walker Nelly Kravetz Leonid Maximenkov Stephen Press and Peter Schmelz *Shostakovich and His World* Laurel E. Fay, 2004-08-15 The essays in this collection delve into neglected aspects of Shostakovich's formidable legacy covering topics such as the choreography costumes décor and music of his ballet the musical references parodies and quotations in his operas his activities as a pedagogue and the mark it left on his students and much more Schoenberg Hans Heinz Stuckenschmidt, 1977 Schoenberg Hans Heinz Stuckenschmidt, 2014-04-29 Many biographical details are revealed for the first time in this book there had previously been no authoritative account of the last thirty years of Schoenberg's life This book is thus both a biography of unique interest and a critical study

Schoenberg's Program Notes and Musical Analyses J. Daniel Jenkins, 2016-03-07 In 1950 as Arnold Schoenberg anticipated the publication of a collection of 15 of his most important writings *Style and Idea* he was already at work on a second volume to be called *Program Notes* Inspired by this idea Schoenberg's *Program Notes and Musical Analyses* can boast the most comprehensive study of the composer's writings about his own music yet published Schoenberg's insights emerge not only in traditional program notes but also in letters sketch materials pre-concert talks public lectures contributions to scholarly journals newspaper articles interviews pedagogical materials and publicity fliers The editions of the texts in this collection based almost exclusively on Schoenberg's original manuscript sources include many items

appearing in print in English for the first time as well as more familiar texts that preserve musical and textual information eliminated from previous editions The book also reveals how Schoenberg desirous to communicate with and educate an audience took every advantage of changes in technology during his lifetime utilizing print media radio broadcasts record jackets and had he lived television for this purpose In addition to four chapters in which Schoenberg illuminates 42 of his own compositions the book begins with chapters on his development and influences his thoughts about trends in modern music and in a nod to the importance of the radio in providing a venue for music analysis a chapter about Schoenberg's radio broadcasts

Janáček and His World Michael Beckerman, 2011-10-12 Once thought to be a provincial composer of only passing interest to eccentrics Leos Janáček 1854-1928 is now widely acknowledged as one of the most powerful and original creative figures of his time Banned for all purposes from the Prague stage until the age of 62 and unable to make it even out of the provincial capital of Brno his operas are now performed in dynamic productions throughout the globe This volume brings together some of the world's foremost Janáček scholars to look closely at a broad range of issues surrounding his life and work Representing the latest in Janáček scholarship the essays are accompanied by newly translated writings by the composer himself The collection opens with an essay by Leon Botstein who clarifies and amplifies how Max Brod contributed to Janáček's international success by serving as point man between Czechs and Germans Jews and non Jews John Tyrrell the dean of Janáček scholars distills more than thirty years of research in How Janáček Composed Operas while Diane Paige considers Janáček's liaison with a married woman and the question of the artist's muse Geoffrey Chew places the idea of the adulterous muse in the larger context of Czech fin de siècle decadence in his thoroughgoing consideration of Janáček's problematic opera *Osud* Derek Katz examines the problems encountered by Janáček's satirically patriotic *Excursions of Mr Brouček* in the post World War I era of Czechoslovak nationalism while Paul Wingfield mounts a defense of Janáček against allegations of cruelty in his wife's memoirs In the final essay Michael Beckerman asks how much true history can be culled from one of Janáček's business cards The book then turns to writings by Janáček previously unpublished in English These not only include fascinating essays on Naturalism opera direction and *Tristan and Isolde* but four impressionistic chronicles of the speech melodies of daily life They provide insight into Janáček's revolutionary method of composition and give us the closest thing we will ever have to the heard record of a Czech pre-war past or any past for that matter

Man and His World Baker Brownell, 1929 **Man and His World: Five arts** Baker Brownell, 1929 *Schoenberg's Correspondence with American Composers*, 2018-10-25 Schoenberg's Correspondence with American Composers is the first edition of all known and available letters between Arnold Schoenberg and over seventy American composers written between 1915 and 1951 in English and English translation and with commentary In six chronologically organized chapters the correspondence first casts new light on Schoenberg's contacts with American composers before 1933 including correspondence with students and champions of his music Israel Amter James Francis Cooke Henry Cowell Edgar Varèse and Adolph Weiss among others

The letters after 1933 show how Schoenberg gradually built a network of composer colleagues and friends among them Mark Brunswick Oscar Levant Roger Sessions Nicolas Slonimsky Gerald Strang with whom he discussed compositional ideas specific musical works and writings performances and the publication of his compositions These letters also provide insight into his ideas about teaching in private settings at the Malkin Conservatory and the University of California The correspondence of his last years illuminates how the reception of Schoenberg's music in the United States was flourishing and how he attracted a growing number of disciples exploring twelve tone composition The book also qualifies the concept of and Schoenberg's association with the Second Viennese School Schoenberg's Correspondence with American Composers not only illuminates a varied and vivid epistolary style but clearly demonstrates Schoenberg's far reaching connections in the American music world

Korngold and His World Daniel Goldmark, Kevin C. Karnes, 2019-08-27 Erich Wolfgang Korngold 1897-1957 was the last compositional prodigy to emerge from the Austro-German tradition of Mozart and Mendelssohn He was lauded in his youth by everyone from Mahler to Puccini and his auspicious career in the early 1900s spanned chamber music opera and musical theater Today he is best known for his Hollywood film scores composed between 1935 and 1947

Schoenberg's Twelve-Tone Music Jack Boss, 2014-10-02 Jack Boss takes a unique approach to analyzing Arnold Schoenberg's twelve tone music adapting the composer's notion of a musical idea problem elaboration solution as a framework and focusing on the large scale coherence of the whole piece The book begins by defining musical idea as a large overarching process involving conflict between musical elements or situations elaboration of that conflict and resolution and examines how such conflicts often involve symmetrical pitch and interval shapes that are obscured in some way Containing close analytical readings of a large number of Schoenberg's key twelve tone works including Moses und Aron the Suite for Piano Op 25 the Fourth Quartet and the String Trio the study provides the reader with a clearer understanding of this still controversial challenging but vitally important modernist composer

[Schoenberg's Models for Beginners in Composition](#) Gordon Root, 2016-09-21 Originally published in 1943 Models for Beginners in Composition represents one of Arnold Schoenberg's earliest attempts at reaching a broad American audience through his pedagogical ideas The novelty of this book was its streamlined approach basing all aspects of composition including motivic design harmony and the construction of themes on the two measure phrase This newly revised edition by Gordon Root incorporates many of Schoenberg's corrections to the original manuscript It also includes a significant commentary elucidating the evolution of Schoenberg's pedagogical approach In its function as a practical manual for the American classroom Models for Beginners in Composition is unique among Schoenberg's texts The current Commentary explores Schoenberg's experience as a teacher at UCLA while tracing the development of the two measure phrase as the main component of his pedagogical method It demonstrates the way in which Schoenberg simultaneously preserved and adapted European ideas about tonal theory and pedagogy when he came to America a give and take that allowed for increased theoretical originality and scope Models for Beginners in

Composition established the two measure phrase as one of the most significant of Schoenberg's contributions to American music education. This new edition with Schoenberg's corrections and newly added commentary allows readers to utilize and explore the text in greater depth. Students of composition, Schoenberg scholars, music theorists and historians of music theory alike will no doubt welcome this new edition.

The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people. A.E.'s Biography best selling autobiographies and biographical novels testify to the popularity of the genre. But where does one begin? Collected here are descriptions and evaluations of over 10,000 biographical works including books of fact and fiction, biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians. Each entry includes a brief profile, autobiographical and primary sources and recommended works. Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title, helping readers to find the best biographical material available on hundreds of fascinating individuals.

Opera after 1900 Margaret Notley, 2017-07-05 The articles reprinted in this volume treat operas as opera and from some sort of critical angle; none of the articles uses methodology appropriate for another kind of musical work. Additional criteria used in selecting the articles were that they should not have been reprinted widely before and that taken together they should cover an extended array of significant operas and critical questions about them. Trends in Anglophone scholarship on post-1900 opera then determined the structure of the volume. The anthologized articles are organized according to the place of origin of the opera discussed in each of them; the introduction, however, follows a thematic approach. Themes considered in the introduction include questions of genre and reception, perspectives on librettos and librettists, words, lyricism and roles of the orchestra and modernism and other political contexts.

Historical Dictionary of Choral Music Melvin P. Unger, 2023-08-14 A Library Journal Starred Review, March 2024, praises the book as a remarkable resource that will please both musical professionals and amateurs along with teachers and their students and conductors and singers. Throughout the ages, people have wanted to sing in a communal context. This desire apparently stems from a deeply rooted human instinct. Consequently, choral performance historically has often been related to human rituals and ceremonies, especially rites of a religious nature. *Historical Dictionary of Choral Music*, Second Edition, contains a chronology, an introduction and an extensive bibliography. The dictionary section has more than 1,300 cross-referenced entries on composers, conductors, choral ensembles, choral genres and choral repertoire. This book is an excellent resource for students, researchers and anyone wanting to know more about choral music.

Schoenberg's Atonal Music Jack Boss, 2019-07-04 Portrays Schoenberg's atonal music as successions of motives and pitch class sets that flesh out musical ideas and basic image frameworks.

Schoenberg And His World Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Schoenberg And His World PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Schoenberg And His World PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries,

ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Schoenberg And His World free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Schoenberg And His World Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Schoenberg And His World is one of the best book in our library for free trial. We provide copy of Schoenberg And His World in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Schoenberg And His World. Where to download Schoenberg And His World online for free? Are you looking for Schoenberg And His World PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Schoenberg And His World. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Schoenberg And His World are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make

it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Schoenberg And His World. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Schoenberg And His World To get started finding Schoenberg And His World, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Schoenberg And His World So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Schoenberg And His World. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Schoenberg And His World, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Schoenberg And His World is available in our book collection an online access to it is set as public so you can download it instantly.
