Second Corinthians New Testament Message A Biblicaltheological Commentary

Albert J. Coetsee, Francois P. Viljoen

Second Corinthians New Testament Message A Biblicaltheological Commentary:

Critical Companion to the Bible Martin H. Manser, 2014-05-14 Presents selections of literary criticism devoted to the Bible

The Structure of Second Corinthians Kei Hiramatsu, 2023-09-07 Hiramatsu Kei examines the literary structure of 2 Corinthians and how it can illuminate understanding of this Pauline letter and its theological message He explores the theoretical foundations of Inductive Bible Study as an approach which focuses on the meaning of biblical texts in their final form by incorporating insights from multifarious methodologies Based on the final form of the letter and its compositional unity he prioritizes the literary context as consequential evidence for interpretation Hiramatsu argues that there are two major components of the literary structure the division of the letter and the identification of major structural relationships within and between the divided parts Thus he proposes that 2 Corinthians consists of seven major segments which coherently develop Paul's discourse pertaining to ministry and discusses the implications regarding his theology of theocentric ministry and that of weakness that arise from a literary investigation Hiramatsu demonstrates that an inductive and integrative approach not only presents a more suitable and helpful literary structure for 2 Corinthians but also illustrates the relevance of such study when seeking to gain understanding of the theological implications of the letter

Second Corinthians David E. Garland, 1999 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text

Biblical Theological Investigations into the Righteousness of God Albert J. Coetsee, Francois P. Viljoen, 2024-03-19 Scripture reveals that God has various attributes One of the attributes that Scripture frequently refers to is God's righteousness The attribute of God's righteousness enjoys a lot of scholarly attention in systematic theologies Fewer studies however are devoted to investigating God's righteousness from a Biblical Theological perspective This is exactly what this publication does it provides a number of Biblical Theological investigations into the attribute of God's righteousness by investigating specific verses chapters and corpora from Scripture and indicates how these portray God's righteousness as part of the developing unfolding and progressive storyline of the text This includes research on topics that have not been adequately explored in the past The chapters contained in this volume are written by Old and New Testament scholars and the target audience is fellow Old and New Testament scholars and scholars interested in God's attributes

Biblical Theology of Life in the New Testament Francois P. Viljoen, Albert J. Coetsee, 2021-11-30 This publication deals with A Biblical Theology of Life based on the New Testament It forms the second of a two volume publication on A Biblical Theology of Life These two volumes trace the concept of life throughout Protestant canon working with the final form of the biblical books in Hebrew vol 5 and Greek vol 6 Scripture This is done by providing the reader with a book by book overview of this concept This book concludes with a final chapter synthesising the findings of the respective investigations of the Old and New Testament corpora in order to provide a summative theological perspective of the development of the concept through Scripture It is clear that life forms a central and continuous theme throughout the

Biblical text The theme begins with the living God that creates life but is shortly followed by death that threatens life Despite this threat God sustains life and awakens life from death The text concludes with the consummation depicting eternal life in the new heaven and earth The biblical theological approach that has been taken entails a thematic approach as it investigates the concept of life with contextual foci on what individual books of Scripture teach about life joined diachronically with an investigation of the progressive use of the concept of life in Scripture while providing a theology of Scripture as a whole investigating the concept of life in all sixty six books of the Protestant canon

Hermeneutics, Linguistics, and the Bible Stanley E. Porter, 2024-01-25 The volume presents Stanley E Porter s considered thoughts and reflections on key questions of meaning and context addressing the problems of biblical interpretation and how a close collaboration between hermeneutics and linguistics can help to solve them The chapters display Porter s work in both fields examining how hermeneutics functions as a field in modern biblical studies and how the quest for meaning in biblical texts is underpinned by the study of linguistics The volume focuses on context for understanding the meanings of biblical texts Porter suggests that linguists can learn more from the philosophical questions around meaning that hermeneutics apply in their study of biblical texts and that there is more fruitful work to be done in the field of hermeneutics using insights from linguistics

The Second Epistle to the Corinthians Murray J. Harris, 2013-08-22 The reputation of the NIGTC series is so outstanding that the appearance of each new volume is noteworthy This book on 2 Corinthians is no exception Master New Testament exegete Murray J Harris has produced a superb commentary that analyzes the Greek text verse by verse against the backdrop of Paul s tumultuous relations with his converts at Corinth Believing that Scripture cannot be understood theologically unless it has first been understood grammatically Harris provides a careful thoroughgoing reading of the text of 2 Corinthians He gives special attention to matters of translation making regular references not only to the standard modern English translations but also to influential older versions such as The Twentieth Century New Testament and those by Weymouth Moffatt and Goodspeed His close attention to matters of textual criticism and grammar leads to discussions of the theology of 2 Corinthians that show the relevance of Paul s teaching to Christian living and church ministry Other notable features of the book include a comprehensive introduction in which all the relevant literary and historical issues are discussed an expanded paraphrase of the letter that conveniently shows Harris s decisions on exegetical issues and indicates the flow of Paul s argument a chronology of the relations of Paul Timothy and Titus with the Corinthian church and an excursus on Paul s affliction in Asia 1 8 11 and its influence on his outlook and theology

2 Corinthians V. George Shillington, 1998-04-10 V George Shillington sees this letter as Paul s personal testimony about his ministry of reconciliation among the Corinthian Christians chapters 1 9 and his ministry in defending the truth of the gospel chapters 10 13 The thread that ties the two parts together is Paul s conviction on pastoral ministry under the banner of Christ Paul insists that ministry is to be borne in affliction like that of Christ crucified In raising the crucified Messiah out of the old creation God has

inaugurated a new creation in which believers already participate The only boast allowed is in the Lord not in one's own achievements or elevated experiences Paul in Ecstasy Colleen Shantz, 2009-04-27 While many readers of Paul's letters recognize how important his experience was to his life and thought Biblical scholars have not generally addressed this topic head on Colleen Shantz argues that they have been held back both by a bias against religious ecstasy and by the limits of the Biblical texts how do you responsibly access someone else's experience particularly experience as unusual and debated as religious ecstasy And how do you account responsibly for the role of experience in that person's thought Paul in Ecstasy pursues these questions through a variety of disciplines most notably neuroscience This study provides cogent explanations for bewildering passages in Paul's letters outlines a much greater influence of such experience in Paul's life and letters and points to its importance in Christian origins Abingdon New Testament Commentaries | 1 Corinthians Richard A. Horsley, 1998 This commentary highlights both the socio-political context of 1 Corinthians and the clash of significantly different religious viewpoints represented by Paul and the congregation he had founded in Corinth In particular Richard Horsley shows that this letter provides a window through which one may view the tension between the Corinthians' interest in cultivating individual spirituality and the apostle's concern for building up a social religious community devoted to the common advantage for the flourishing both of personal dignity and a humanizing solidarity Israel, Covenant, Law Kim Papaioannou, 2017-10-27 Pauline studies are in a conundrum The Reformation perspectives championed by great men like Martin Luther and John Calvin have been challenged recently by the rise of the new perspective on Paul The main point of contention seems to be the place of biblical law in salvation While the Reformation perspectives based in part on Paul's apparent attacks on law assert that salvation is a free gift unmerited by human works the new perspective suggests the law is an integral part of the work of salvation It holds that Paul's attacks on the law were focused only on specific aspects of law the so-called boundary markers This book while having points of contact with both outlooks takes a different view on Paul and the law Building on Paul's self-identification as a Christian and Christian views on the covenant it endeavors to give biblical law its due place in the plan of salvation and the life of the believer Asian Journal of Pentecostal Studies, Volume 20, Number 2 Dave Johnson, 2018-11-20 THE JOURNAL SEEKS TO PROVIDE A FORUM To encourage serious theological thinking and articulation by Pentecostals Charismatics in Asia to promote interaction among Asian Pentecostals Charismatics and dialogue with other Christian traditions to stimulate creative contextualization of the Christian faith and to provide a means for Pentecostals Charismatics to share their theological reflections Understanding the Diaconate W. Shawn McKnight, 2018-07-13 What is a deacon More than fifty years since the restoration of the permanent diaconate by the Second Vatican Council the office of deacon is still in need of greater specificity about its purpose and place within the mission and organizational structure of the Church While the Church is more than a social reality the Church nonetheless has a social reality Our understanding of the diaconate therefore benefits from a theological discussion of the divine element of the

Church and a sociological examination of the human element Understanding the Diaconate adds the resources of sociology and anthropology to the theological sources of scripture liturgy patristic era texts theologians and magisterial teachings to conclude that the deacon can be understood as social intermediary and symbol of *communitas* who serves the participation of the laity in the life and mission of the Church This research proposes the deacon as a servant of the bond of communion within the Church facilitating the relationship between the bishop priest and his people and between the People of God and the individual in need Thus authentic diaconal ministry includes a vast array of many concrete contexts of pastoral importance where one does more than simply serve at Mass **Themelios, Volume 48, Issue 1** Brian Tabb, 2023-05-09

Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor Brian Tabb Bethlehem College and Seminary Contributing Editor D A Carson Trinity Evangelical Divinity School Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary **2 Corinthians (Teach the Text Commentary Series)** Moyer V. Hubbard, 2017-06-20

The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text 1-2 Corinthians William Baker, Ralph Martin, Carl N. Toney, 2018-02-06 The Cornerstone Biblical Commentary series 18 volumes provides students pastors and laypeople with up to date accessible evangelical scholarship on the Old and New Testaments Presenting the message for each passage as well as an overview of other issues relevant to the text each volume equips pastors and Christian leaders with exegetical and theological knowledge so they can better understand and apply God's Word This volume includes the entire NLT text of 1st and 2nd Corinthians Ideal for the NLT reader who wants to do more in depth study

William R Baker Ph D University of Aberdeen is professor of New Testament at Cincinnati Bible Seminary in Cincinnati Ohio He is the general editor of Stone Campbell Journal and the author and editor of several books and articles including Evangelicalism and the Stone Campbell Movement and Sticks and Stones The Biblical Ethics of Talk He has also written a commentary on 2 Corinthians for the College Press NIV Commentary Series Ralph P Martin Ph D University of London is in his fifth decade as a teacher scholar and mentor He is Distinguished Scholar in Residence at Fuller Theological Seminary at the Graduate School of Theology of Azusa Pacific University and at Logos Evangelical Seminary in Pasadena California He is the author of numerous studies and commentaries on the New Testament including Worship in the Early Church the Philippians in The Tyndale New Testament Commentary series and James in the Word Biblical Commentary for which he also serves as New Testament editor He also co edited the Dictionary of Paul and His Letters and the Dictionary of the Later New Testament and Its Developments Ordained to the Baptist ministry in 1949 Dr Martin has pastored churches in Dunstable Southport and Gloucester England Carl N Toney Ph D Loyola University Chicago is adjunct assistant professor of New Testament at Fuller Theological Seminary in Pasadena California He edited and contributed to the revised edition of 2 Corinthians in the Word Biblical Commentary series and is the author of Paul's Inclusive Ethic Resolving Community Conflicts and Promoting Mission in Romans 14-15 A licensed minister in the American Baptist Convention Dr Toney is also a member of the Society of Biblical Literature

The New Chosen People, Revised and Expanded Edition William W. Klein, 2015-11-25 Controversy rages on about God's choosing people for salvation Are only the few elect Rather than typically beginning with the preconceptions of systematic theologies Dr William Klein takes up this question by searching for a biblical theology of election He surveys the OT contexts of God's choosing individuals prophets priests kings to serve divine purposes and considers God's election of the nation of Israel as his special people This OT study proposes that God's election is both individual and corporate but not always determinative Individuals entered the people of God by birth but not all the people found salvation Faith in Yahweh was required This book traces these elective understandings through the intertestamental literature identifying continuities and shifts The bulk of the study and the heart of the argument focus on the New Testament Klein identifies concepts of election and relationships between writers in the gospels the Lucan material Paul's writings and the rest The new covenant God choosing the church in Christ emphasizes election as corporate while the individual election of Jesus disciples and of Paul raises the question whether such chosenness is necessarily salvific In closing Klein discusses the most engaging and divisive questions around God's election and offers a real challenge to today's church

Christ-Oriented Expository Preaching: Kyoochan Lee, 2020-07-24 This book provides an exegetical theological rhetorical paradigm the Christ oriented approach Lk 24:27-44 that facilitates accuracy effectiveness and practicality in preaching the New Testament use of the Old In providing a practical expository model and sermon preparation evaluation principles this work moves beyond the level of theory into the realm of praxis and will thus appeal to practitioners as well as to academics

2 Corinthians (Baker Exegetical Commentary on the New Testament) George H. Guthrie, 2015-04-14 Find academic sophistication pastoral sensitivity and accessibility in the award winning BECNT series In this addition to the award winning BECNT series a respected New Testament scholar offers a substantive evangelical commentary on 2 Corinthians George Guthrie leads readers through the intricacies of literary structure word meanings cultural backdrop and theological proclamation offering insights applicable to modern ministry contexts As with all BECNT volumes this informative balanced commentary features Detailed interaction with the Greek text Extensive research Chapter by chapter exegesis A blend of scholarly depth and readability An acclaimed user friendly design The BECNT series aims for academic sophistication with pastoral sensitivity and accessibility making it a useful tool for pastors church leaders students and teachers
