Second Greatest Disappointment Honeymooning And Tourism At Niagara Falls:

The Second Greatest Disappointment Karen Dubinsky,1999-01-01 Budinsky addresses a simple question of all the ways to promote a waterfall as a tourist destination why honeymoons For two cent Niagara Falls has attracted tourists from around the world After a visit in 1882 Oscar Wilde sardonically declared that the Falls must be the second greatest disappointment in Amer married life Wilde was responding to the peculiar relationship between heterosexuality the honeymoon the Falls Explores what it was like not just to visit the Falls but to live work behind the mists of such celebrity From Victorian marriage manuals to Marilyn Monroe the movie Niagara she treats the Falls not only as a metaphor icon but also as a real place populated by real people who helped to shape its cultural meaning B W illus The Second Greatest Disappointment Karen Dubinsky,1999 Winnipeg Beach Dale Barbour,2012-06-08 During the first half of the twentieth century Winnipeg Beach proudly marketed itself as the Coney Island of the West Located just north of Manitoba s bustling capital it drew 40 000 visitors a day and served as an important intersection between classes ethnic communities and perhaps most importantly between genders In Winnipeg Beach Dale Barbour takes us into the heart of this turn of the century resort area and introduces us to some of the people who worked played and lived in the resort Through photographs interviews and newspaper clippings he presents a lively history of this resort area and its surprising role in the evolution of local courtship and dating practices from the commoditization of the courting experience by the Canadian Pacific Railway s Moonlight Specials through the development of an elaborate amusement area that encouraged public dating and to its eventual demise amid the moral panic over sexual behaviour during the 1950s and 60s *Pick One Intelligent Girl* Jennifer Anne Stephen,2007-01-01 During the tumultuous formative years of the Canadian welfare state many women rose through the ranks of the federal civil service to oversee the massive recruitment of Canadian women to aid in the Second World War Ironically it became the task of these same female mandarins to encourage women to return to the household once the war was over *Pick One Intelligent Girl* reveals the elaborate psychological economic and managerial techniques that were used to recruit and train women for wartime military and civilian jobs and then at war s end to move women out of the labour force altogether Negotiating the fluid boundaries of state community industry and household and drawing on a wide range of primary sources Jennifer A Stephen illustrates how women s relationships to home work and nation were profoundly altered during this period She demonstrates how federal officials enlisted the help of a new generation of experts to entrench a two tiered training and employment system that would become an enduring feature of the Canadian state This engaging study not only adds to the debates about the gendered origins of Canada s welfare state it also makes an important contribution to Canadian social history labour and gender studies sociology and political science Breadwinning Daughters Katrina Srigley,2010-01-01 Katrina Srigley argues that young women were central to the labour market and family economies of Depression era Toronto **Settling and Unsettling Memories** Nicole Neatby,Peter Hodgins,2012-03-19 Settling and

A Happy Holiday Cecilia Morgan,2008-06-28 One of the most revealing things about national character is the way that citizens react to and report on their travels abroad Oftentimes a tourist s experience with a foreign place says as much about their country of origin as it does about their destination *A Happy Holiday* examines the travels of English speaking Canadian men and women to Britain and Europe during the late nineteenth and early twentieth centuries It describes the experiences of tourists detailing where they went and their reactions to tourist sites and draws attention to the centrality of culture and the sensory dimensions of overseas tourism Among the specific topics explored are travellers class relationships with people in the tourism industry impressions of historic landscapes in Britain and Europe descriptions of imperial spectacles and cultural sights the use of public spaces and encounters with fellow tourists and how such encounters either solidified or unsettled national subjectivities Cecilia Morgan draws our attention to the important ambiguities between empire and nation and how this relationship was dealt with by tourists in foreign lands Based on personal letters diaries newspapers and periodicals from across Canada *A Happy Holiday* argues that overseas tourism offered people the chance to explore questions of identity during this period a time in which issues such as gender nation and empire were the subject of much public debate and discussion

Dennis Merrill, 2009 Accounts of U S empire building in Latin America typically portray politically and economically powerful North Americans descending on their southerly neighbors to engage in lopsided negotiations Dennis Merrill s comparative history of U S tourism in L **"Women and the Material Culture of Needlework and Textiles, 1750?950 "**

MaureenDaly Goggin, 2017-07-05 Rejecting traditional notions of what constitutes art this book brings together essays on a variety of fiber arts to recoup women s artistic practices by redefining what counts as art Although scholars over the last twenty years have turned their attention to fiber arts redefining the conditions practices and products as art there is still much work to be done to deconstruct the stubborn patriarchal art craft binary With essays on a range of fiber art practices including embroidery knitting crocheting machine stitching rug making weaving and quilting this collection contributes to the ongoing scholarly redefinition of women s relationship to creative activity Focusing on women as producers of cultural products and creators of social value the contributors treat women as active subjects and problematize their material practices and artifacts in the complex world of textiles Each essay also examines the ways in which needlework both performs gender and in turn constructs gender Moreover in concentrating on and theorizing material practices of textiles these essays reorient the study of fiber arts towards a focus on process the making of the object including the conditions under which it was made by whom and for what purpose as a way to rethink the fiber arts as social praxis *The Lure of the North Woods*

Aaron Shapiro, 2013-03-30 In the late nineteenth century the North Woods offered people little in the way of a pleasant escape Rather it was a hub of production supplying industrial America with vast quantities of lumber and mineral ore This book tells the story of how northern Minnesota northern Wisconsin and Michigan s Upper Peninsula became a tourist paradise turning a scarred countryside into the playground we know today Stripped of much of its timber and ore by the early 1900s the North Woods experienced deindustrialization earlier than the Rust Belt cities that consumed its resources In *The Lure of the North Woods* Aaron Shapiro describes how residents and visitors reshaped the region from a landscape of exploitation to a vacationland The rejuvenating North Woods profited in new ways by drawing on emerging connections between the urban and the rural including improved transportation promotion recreational land use and conservation initiatives Shapiro demonstrates how this transformation helps explain the interwar origins of modern American environmentalism when both the consumption of nature for pleasure and the work of the Civilian Conservation Corps in the North Woods and elsewhere led many Americans to cultivate a fresh perspective on the outdoors At a time when travel and recreation are considered major economic forces *The Lure of the North Woods* reveals how leisure and tourism in particular has shaped modern America Try to Control Yourself

Dan Malleck, 2012-05-10 The prohibition era of gangsters and bootleggers has captured our imagination But what happened when the government turned the taps back on Dan Malleck shows that contrary to popular belief post prohibition Ontario was an age when the government struggled to please both the

wets and the dries Rather than pandering to temperance groups officials sought to define and promote manageable drinking spaces in which citizens would follow the rules of proper drinking and foster self control Post prohibition liquor control was not a restrictive regulatory force but rather something more pragmatic a bureaucratic attempt to balance temperance with recognition that prohibition was unsustainable

The Powell Expedition Don Lago,2017-11-15 John Wesley Powell s 1869 expedition down the Green and Colorado Rivers and through the Grand Canyon continues to be one of the most celebrated adventures in American history ranking with the Lewis and Clark expedition and the Apollo landings on the moon For nearly twenty years Lago has researched the Powell expedition from new angles traveled to thirteen states and looked into archives and other sources no one else has searched He has come up with many important new documents that change and expand our basic understanding of the expedition by looking into Powell s crewmembers some of whom have been almost entirely ignored by Powell historians Historians tended to assume that Powell was the whole story and that his crewmembers were irrelevant More seriously because several crew members made critical comments about Powell and his leadership historians who admired Powell were eager to ignore and discredit them Lago offers a feast of new and important material about the river trip and it will significantly rewrite the story of Powell s famous expedition This book is not only a major work on the Powell expedition but on the history of American exploration of the West
