*Why is the artificial insemination procedure a controversial subject among rabbinic authorities? • Why is the unborn fetus not considered a "person" in Jewish law? • Why do some Jews believe that the idea of a Chosen People should be discarded? • Why in Jewish law is it only the mother's lineage that determines whether one is a Jew? • Why is it not possible for a person to be half-Jewish? • Why does religious observance play no part in determining who is a Jew? • Why do some families sit Shiva for a family member who marries outside the faith? • Why has the wearing of a head-covering become associated with being a religious Jew?*
