Third Time Lucky Deborah Cooke, 2013-02-01 I always get the math wrong Is the third time the charm Because I can think of three good reasons not to let Nick Sullivan back into my life First I got over my infatuation with him cold turkey So what did he have to offer anyway Mystery Adventure A sexy grin and a killer sense of humor All of the above if I think about it Which I don't Ever Second he had the nerve to come back After fifteen years he shows up looking better than ever for a place to hide with a story about being framed for murder Only problem is there's no corpse As if I'd fall for that old line Third I'm now old enough to know better and smart enough not to

be seduced all over again by the warmth in his eyes I should give him the boot But is it murder And he does need a place to stay This time it's strictly business Nothing personal Just harboring a fugitive For old times sake And just maybe to satisfy my own craving for a little adventure So what does that add up to Third Time Lucky **Third Time Lucky** Aimee Brown, 2025-07-22 The BRAND NEW gorgeously funny romance from Aimee Brown Could a blast from the past be the secret ingredient to their future Asher Wright has spent his career creating and concocting the perfect dishes and is about to open his very own restaurant Life is good His love life however is far from cooking He hasn't thought about Lucy Gray in years not since they both graduated reeling from the shocking loss of her then boyfriend and his best friend Kris who tragically died at 18 So when he witnesses the breakdown of her wedding in all its humiliating glory old wounds and long buried emotions resurface As Lucy lands a right hook on her soon to be ex fiancé in front of their entire wedding party she has a moment of realization Love is not on the menu for her Fate however has other plans A chance twist of events lands Asher as the private chef for Lucy's spirited grandmother Mitzi and what begins as awkward encounters in Mitzi's Portland mansion soon evolves into a simmering connection she never expected As Asher and Lucy work through their past they discover a bond that feels both familiar and excitingly new Praise for Aimee Brown The writing of Aimee Brown positively sparkles It's not a traditional romcom but it's deeply romantic and often very very funny I can't praise this book enough It's beautifully written has a massive heart and will leave you with all the feels Absolutely gorgeous Oh how I loved this book Aimee Brown has a supreme talent for writing beautifully flawed authentically funny characters This opposites attract story stole my heart and since closing the book I haven't stopped thinking about the characters I won't put any spoilers in this review only that you should definitely read it Absolutely loved this book from start to finish I loved this the he falls first trope is one of my favourites and the main characters within this book are brilliant definitely recommend *Third Time Lucky* Michael George, 2012-11 Third Time Lucky is raw emotion It will make you laugh and make you cry An honest compelling sometimes painful but mostly uplifting story that reflects the shared reality of families all over the world Connie Laurin Bowie Executive Director Inclusion International This book is an eye opener and an important contribution to the on going discussion about how society supports and includes people with a disability and their families Ken Pike Disability and Human Rights Advocate Mrs George we have a problem You have a very sick baby He may not live the day No parent should ever hear these words and yet they were only the beginning Born with multiple disabilities Ben was just hours old and forced to fight for his life it hardly seemed fair His parents were told only of a bleak future for their son and were then left on their own to deal with all of his problems Third Time Lucky How Ben shows us the way is their story of learning to cope with never ending emotional and physical exhaustion a task so daunting no one really understood just how close they were to falling apart Most days survival was all they could hope for Despite being told Ben might never walk or talk or go to school Mike and Jan were determined to unleash the smart social loving boy who was trapped deep inside a spastic body They saw him as a real person not a clinical statistic Through
