Second Wife Second Life:

Second Wife, Second Life! Marjorie HOLMES,1994 *The Second Wife* NJ Moss,2022-10-12 The honeymoon is over and his nightmare has begun in this twisted thriller by the author of *The Husband Trap* After his wife's suicide Scott manages to find love again with Casey For their first anniversary she has a surprise for him but it's not a good one Casey has been collecting photos and videos of Scott that would place his teaching career in serious jeopardy Holding that over his head she intends to make him suffer As the torment escalates Scott desperately tries to uncover why Casey is doing this and find a way out of his nightmare But can he outwit his vicious wife before she makes herself a widow **Polygynous Marriages**

among the Kyrgyz Michele E. Commercio,2022-12-06 During Soviet rule the state all but imposed atheism on the primarily Islamic people of Kyrgyzstan and limited the tradition of polygyny a form of polygamy in which one man has multiple wives Polygyny did continue under communism though chiefly under concealment In the decades since the fall of the Soviet Union the practice has reemerged Based on extensive fieldwork *Polygynous Marriages among the Kyrgyz* argues that this marriage practice has become socially acceptable and widely dispersed not only because it is rooted in customary law and Islamic practice but because it can also enable men and women to meet societal expectations and solve practical economic problems that resulted from the fall of the Soviet Union Michele E Commercio's analysis suggests the normalization of polygyny among the Kyrgyz in contemporary Kyrgyzstan is due both to institutional change in the form of altered governmental rules and expectations and to institutional endurance in the form of persistent hegemonic constructions of gender *The Presentation*

of Self in Contemporary Social Life David Shulman,2016-05-17 *The Presentation of Self in Contemporary Social Life* covers the popular theories of Erving Goffman and shows modern applications of dramaturgical analysis in a wide range of social contexts David Shulman's innovative new text demonstrates how Goffman's ideas first introduced in 1959 continue to inspire research into how we manage the impressions that others form about us He synthesizes the work of contemporary scholars who use dramaturgical approaches from several disciplines who recognize that many values social norms and laws have changed since Goffman's time and that contemporary society offers significant new forms of impression management that we can engage in and experience After a general introduction to dramaturgical sociology readers will see many examples of how Goffman's ideas can provide powerful insights into familiar aspects of contemporary life today including business and the workplace popular culture the entertainment industry and the digital world *The Unchained: Powerful Life Stories of*

Empty Hands, Open Arms Deni Ellis B échard, 2013-10-01 Absorbing B chard s masterful adventure driven reporting delivers an inspiring account of an all too rare ecological success story Booklist Bonobos have captured the public imagination due not least to their famously active sex lives Less well known is the fact that these great apes don t kill their own kind and that they share nearly 99% of our DNA Their approach to building peaceful coalitions and sharing resources has much to teach us particularly at a time when our violent ways have pushed them to the brink of extinction Animated by a desire to understand bonobos and learn how to save them Deni Ellis B chard traveled into the Congo Empty Hands Open Arms is the account of this journey Along the way we see how partnerships between Congolese and Westerners with few resources but a common purpose and respect for indigenous knowledge have resulted in the protection of vast swaths of the rainforest And we discover how small solutions found through openness humility and the principle that poverty does not equal ignorance are often most effective in tackling our biggest challenges Combining elements of travelogue journalism and

natural history this incomparably rich book takes the reader not only deep into the Congo but also into our past and future revealing new ways to save the environment and ourselves Riveting and surprisingly uplifting David Suzuki author of *The Sacred Balance* The embodiment of the type of reporting that we dream of reading but all too rarely encounter intelligent engaged and above all astonishingly perceptive Dinaw Mengestu author of *The Beautiful Things That Heaven Bears* Also published as *Of Bonobos and Men* **The Profit Machine**, 2009 **The Secret War Against Dope** Andrew Tully, 2015-07-17 U S Customs agents worked heroically to stamp out drug smugglers during the 1970s and Andrew Tully columnist and journalist was on hand to write it all down Taken from the closed files of the U S Customs Bureau these good guys and bad guys stories are full of car chases gun battles and persistent and savvy agents who lassoed the criminals in the end Tully s stories were collected when Nixon s drug war model was written into the stone of U S politics and practice a model that focuses on enforcement of prohibition laws at home and interdiction of supply abroad As we know despite the war after years of battling against narcotics the levels of addiction trafficking and violence continue to rise But at the time Tully himself fully supported this policy and believed that if the good guys were tough enough and the bad guys lured out of the shadows and punished enough that the world would be saved from in his words the Merchants of Death *The Secret War Against Dope* though not so secret today is a historically important account written by an award winning journalist of his day
