## **Second Coming 1998 Edgar Cayces Earth Change Prophecy:**

**The Second Coming 1998** Kirk Nelson, 1998 When will Jesus return to Earth Author Kirk Nelson has discovered amazing parallels among the descriptions of Jesus return in the Bible the Edgar Cayce readings the Dead Sea Scrolls the Hopi Indians prophecies and the quatrains of Nostradamus This book reveals possible world events and includes exciting news about the evolution of the human race to a higher state of consciousness **A History of the Apocalypse** Catalin Negru, 2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history Secret Chamber Revisited Robert Bauval, 2014-10-09 A firsthand behind the scene account of the controversies surrounding modern explorations at Giza Investigates the recent scandals at Giza and claims of secret excavations and tunneling inside the Great Pyramid Reveals the historical evidence in support of secret chambers in the Great Pyramid and beneath the Great Sphinx Exposes the secret agendas behind the latest explorations on the Giza plateau Since 1993 Robert Bauval has been embroiled in the many controversies involving the search for the lost treasures of the pyramid builders and the quest for the legendary Hall of Records of Atlantis The strange but true story that he unfolds implicates American business moguls the prestigious National Geographic Society several Ivy League universities the Edgar Cayce Foundation the Freemasons Christian fundamentalists Zionists and the Egyptian government In this fully updated edition of Secret Chamber including new color photographs Robert Bauval pursues his in depth investigation of clandestine events at Giza and the role played by the controversial ex Minister of Antiquities Dr Zahi Hawass What lies behind the mysterious doors at the end of the star shafts in the Great Pyramid What do the mysterious inscriptions found behind the Gantenbrink door mean What is the real purpose of the Relief Chambers and the red ochre graffiti in them Who is behind the secretly tunneling and excavating in these chambers and why Is there really a hidden Hall of Records from Atlantis beneath the Great Sphinx Is the Great Pyramid just a tomb or does it serve a higher purpose involving a lost science of immortality Why do the ancient texts ascribe the Pyramid's design to the supreme god of wisdom Thoth the writer of the fabled Books of Hermes Will the Great Pyramid prove to be the missing link to our true origins or a metaphysical machine to access the world beyond Providing a firsthand account of the strange events that have taken place at the Giza plateau in the last three decades Bauval reveals the hidden agendas

behind these events and raises important questions about the meaning of Egypt's ancient structures and the very origins of civilization      *Tipping Point for a Hollow Earth: How Asimov and Sagan Backed My Prophecy of a Polar Hole Shift to Europe* Ruth Leedy Carr, 2025-05-14 An approaching Earth axis shift is the most pressing issue of our time and yet scientists have said almost nothing about it and the public is woefully ignorant You will see here why scientists have had so little to say about this coming disaster and also about the growing instability of hollow Mars The pictures of a lighted polar hole on the night side of Mars lighted by an internal sun will shock you The refusal of NASA to say one word about that night side light in response to a congressman's request is truly mystifying The willingness of all news media to sweep this issue under the rug must be seen as a betrayal of the first order Are we all lambs meekly heading for slaughter Isaac Asimov and Carl Sagan have provided a path that can lead us beyond the dismal future that has been marked out for us We are so lucky that they never gave up on us About the Author Ruth Leedy Carr gained some practice at science reporting while studying journalism at Indiana University Her second major was psychology and sociology also interested her and so the careful reporting of facts was central to almost all her college studies She began researching the cataclysmic prophecies of Edgar Cayce in relation to the hollow Earth theory in 1980 Her books of 1981 and 1983 were republished by Gray Barker of Saucerian Press who was the first publisher of Raymond Bernard's classic *The Hollow Earth* She was proclaimed by noted UFO researcher William L Moore to be the world's foremost proponent of the hollow Earth theory      **Implosion!!!** Melvia F. Miller, 2005-11-13 THE SPIRITUAL DREAM One day in the 21st Century God went unto Noah who was living in the U S in Harlem NY and said Again the earth has become wicked Build another Ark and save 2 of every living thing and a few good humans He gave Noah instructions You have 6 months to build it before I start the storms Six months later God looked down and saw Noah weeping in his yard but no Ark Noah He roared Where is the Ark Forgive me God begged Noah but I needed a building permit I've been arguing with the code inspector I know you want decent humans so I tried to test for those who are reasonably healthy This will take a long time because most are filled with drugs of one kind or another And if all that is not enough the Dept of Homeland Security has me under investigation for plotting to kidnap citizens And you may have heard about the pathetic way FEMA handled the folks in the Super Dome after a hurricane FEMA won't let me do any type of rescuing So forgive me Great One but it would take at least 10 years for me to finish this Ark Suddenly a rainbow stretched across the sky Noah looked up in wonder and asked You're not going to destroy the world No said God This is a new situation red tape beat me to the punch Renewal may require a more ancient solution      **Prophetic Visions of the Future** Diane Stein, 2011-11-09 We all want to know what will happen to the earth and to those who come after us our children and our grandchildren Diane seeking an answer has gone to women visionaries and seers women who channel the future and those who bring it to life in their writings This is the time Diane avers for women to define what needs to be changed and begin to do the work By women's power of thought and creation we together can make a better world      *God Descends on Earth* Sanjay Kant, 2003-12-12 An

**2012: Extinction or Utopia** J. Allan Danelek, 2010-09-08 Is 2012 the end of the world as we know it From 2012 to global warming to worldwide pandemics doomsday scenarios play an increasingly large role in our lives Do any of these apocalyptic scenarios pose a real urgent risk Why does our modern culture continue to embrace these bleak beliefs and how are they affecting our world Separating hype from truth J Allan Danelek scrutinizes the ancient Mayan calendar s end date of 2012 and takes a hard look at whether it spells the end of the world or a new beginning Danelek also delves into other doomsday beliefs past and present from biblical end times prophecies to biological warfare and discusses the predictions of world famous prophets such as Nostradamus and Edgar Cayce With piercing logic Danelek objectively explores the apocalyptic threats that have captured our imagination and reveals startling insights about what kind of future dire or dazzling awaits humanity

reflected the sensationalistic side of his work rather than its real depth and meaning The core of his life s work was actually being an intuitive healer and Christian mystic More than one hundred books have been written about his teachings and his life story Yet no book has combined insightful commentary with lengthy verbatim selections of the full range of his contribution to holistic healing practical spirituality and the psychology of the soul The Essential Edgar Cayce gives the reader an understanding of each major area in which Cayce helped pioneer the modern holistic living movement as well as the contemporary popular approach to spirituality that weaves together the best of Eastern and Western religious traditions The book s substantial introduction frames Cayce and his life s work and is followed by eight topical sections in which commentaries by Mark Thurston guide the reader through some of the seer s most significant readings Here is a truly integral portrait of the life and work of one of the twentieth century s most fascinating spiritual figures **How to**
