

ICH

The term ICH is international conference harmonisation of technical requirements for registration of pharmaceuticals for human use.

The name of ICH has now become more associated with the process of harmonisation, than the actual conferences. The ICH project is unique and since 1991 it has brought together by Drug Regulatory Authorities and experts from the pharmaceutical industry in USA, European union and Japan to develop agreement on core documentation, technical requirements and dossier for registration of new drugs.

The vast majority of new drugs and medicines are developed in Western Europe, Japan and USA and therefore when ICH was established, it was agreed that its scope would be confined to registration in these three regions.

The ICH was born in 1990 .The first ICH was held from 5-7 November 1991 at Brussels.

MEMBERS OF ICH:

1) ICH is a joint initiative involving both regulations and industry as equal partners. There are six parties directly involved representing the regulation bodies and the research based industry associations in each region. The parties involved from the European Union, Japan and USA are:

- i) European Commission
- ii) European Federation of Pharmaceutical Industries Associations.
- iii) Ministry of Health and Welfare
- iv) Japan Pharmaceutical Manufacturers Association
- v) US Food and Drug Administration
- vi) Pharmaceutical Research and Manufacturers of America

Each of the six co-sponsors has two seats on the ICH steering committee which oversees the harmonization activities.

2) There are three observers:

- i) World Health Organization
- ii) European Free Trade Area (EFTA) represented at ICH by Switzerland and Canada.
- iii) EFTA represented at ICH by the drugs Directorate Health Canada.

Each of the observer parties has a seat on the ICH steering committee.

3)The International Federation of Pharmaceutical Manufacturers Association(IFPMA) which is a federation of member associations representing the research based pharmaceutical industry and other manufacturers of prescription medicines in 56 countries has been closely associated IFPMA has two seats on the ICH steering committee as non-voting members.

4) For smooth running of ICH, each of six co-sponsors designate an ICH coordinator to act as the main contact point with the ICH secretariat and ensure that ICH documents are distributed to the appropriate persons within the area of their responsibilities.

5)Each party has also established a contact network of experts with in their own organization (or region) in order to ensure that they reflect the views and policies of the co sponsor they represent the way in which this network operates differs according to administrative structure of the party concerned.

SCHEDULE OF MEETINGS:

ICH meeting have been held every alternate year .These have takenplace in 1991,1993,1995,1997 and the last one was held in November 2000 at San Diego in USA.

ACTIVITIES OF ICH:

The first phase of ICH (1991-1997):-

The fourth international conference on Harmonisation, Brussels, 16-18 July 1997, marked the completion of first phase of activities.

The development of Guidelines:-

Second International Conference On Harmonisation Orlando 1993 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Second International Conference On Harmonisation Orlando 1993 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Second International Conference On Harmonisation Orlando 1993 has opened up a world of possibilities. Downloading Second International Conference On Harmonisation Orlando 1993 provides numerous advantages

over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Second International Conference On Harmonisation Orlando 1993 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Second International Conference On Harmonisation Orlando 1993. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Second International Conference On Harmonisation Orlando 1993. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Second International Conference On Harmonisation Orlando 1993, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Second International Conference On Harmonisation Orlando 1993 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
