West Point History of World War II, Vol. 1 The United States Military Academy, 2015-11-03 An outstanding new military history of the first half of World War II featuring a rich array of images exclusive graphics superb new maps and expert analysis commissioned by the United States Military Academy to teach the art of war to West Point cadets Since 1836 United States Military Academy texts have been the gold standard for teaching military history and the operational art of war Now the USMA has developed a new military history series for the public featuring the story of World War II in two volumes of which this is the first The West Point History of World War II combines the expertise of preeminent historians with hundreds of maps and images many created for this volume or selected from Army collections The first volume offers a balanced narrative analyzing the rising tide of Axis conquest from 1939 to mid 1942 ranging from battlefield decisions to operational and strategic plans all set in their proper political context The closing chapter provides a thematic treatment of the mobilization of the warring nations economies and home fronts for the conduct of total war The West Point History of World War II has been tested checked and polished by West Point cadets faculty and graduates to make this the best military history of its kind

**The Second World War Illustrated** Jack Holroyd, 2020-08-31 This second volume begins with the account of Mussolini attempting to mirror Hitler in acts of aggression by thrusting towards Egypt and capturing the important artery of the British Empire the Suez Canal The Italian initiative failed and when its army was driven back with heavy losses Mussolini asked for help and Hitler sent Rommel Beginning in the spring of 1941 Axis forces under a dynamic General Rommel pushed the British back to Egypt In the meantime Mussolini decided on another easy target to spread his new Roman Empire and invaded Greece Once again his superior numbers were repelled and the Greeks sent his army back to its starting point in Albania Hitler came to the aid of his Axis ally and Churchill sent the British to help Greece but in doing so depleted his forces in North Africa During the Battle of Greece Greek and British forces in the north of the country were overwhelmed by a rapid German advance The British embarked for Crete and the Germans promptly captured the island with their much vaunted Fallschirmjäger Matters were disheartening for the British people following these defeats in North Africa and Greece However a morale boost came with the sinking of the Bismarck and the defection of Rudolf Hess Hitler's deputy in an amazing flight to Scotland Then it came in June the German Führer took on his greatest military challenge the invasion of Soviet Russia By the end of the second year of the war the Axis forces were deep into Stalin's territory Britain now had a major ally at last

**Organization and Order of Battle of Militaries in World War II.** Charles D. Pettibone,2012 There are numerous Order  
of Battle books on the market So what makes this one so special Why should one decide on this particular book Most Order of  
Battle books usually deal only at the division and corps level of a country s army Most higher commands are not covered This  
book deals with all the branches of a country s military giving a breakdown of all the major echelons of command from  
theater down to brigade under each component army group armies corps division and brigade and the equivalent command  
for the other military branches are included Second it attempts to give an overall command structure of the country s  
military showing the central headquarters command structure as well as the major components army groups armies corps  
etc Third most Order of Battle books list the commander and their dates of tenure This one includes those but also lists their  
next duty assignments or where they went after leaving the post One can literally trace a general officer s career through the  
upper echelons of command making this series completely different from all the others on the market     **The Organization

Wee,Robert James Wee,2004 This comprehensive volume provides a wealth of information with annotated listings of more  
than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all  
aspects of the war Professional resources for educators aligned to the educational standards for social studies technical  
references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for  
exploration complement this excellent library and classroom resource     *American History* ,2006     *The Second World War  
Illustrated: The Third Year* Jack Holroyd,2022-01-31 A pictorial history of the third year of World War II featuring archive and  
color photographs This third volume sees Hitler experiencing problems reminiscent of a previous invader of Russia Napoleon  
Bonaparte extreme winter conditions that first drenched then froze the vast Nazi war machine immobilizing tanks guns  
support vehicles and grounding the Luftwaffe Unlike Napoleon Hitler failed to capture Moscow In North Africa the British  
were sent reeling back towards Egypt when Rommel launched an attack at the end of January Much to the amazement of all

and the disappointment of Churchill the Axis troops took Tobruk in a single day Churchill dismissed the commander and appointed Montgomery who made a stand at El Alamein Great Britain's stand alone position ended abruptly on when Tojo launched a surprise attack on Pearl Harbor Both Hitler and Mussolini declared war on the United States and the war became global With the attack on Pearl Harbor the Japanese flooded through the South Pacific the Philippines Dutch East Indies Malaya Burma all fell to the Japanese Once more Great Britain was humiliated when Singapore surrendered and thousands of Allied troops went into captivity An attempt by the Japanese to deliver a knock out blow to the Americans by an attack on Midway failed catastrophically and the Americans scored a momentous victory in the Pacific Air Marshal Sir Arthur Harris became leader of the RAF and the thousand bomber raids and carpet bombing of German cities began The third year of the war ended with the disastrous Dieppe Raid carried out by Canadians in August 1942 Praise for The Second World War Illustrated The Third Year Packed with photographs of machines battles weapons and soldiers The book is nicely split into separate chapters with each concentrating on a specific event or operation that was being carried out during 1942 so you have the fight for North Africa the war in the East Pearl Harbor Burma the Bomber Raids over Germany War in the Pacific and the Commando Raid on St Nazaire etc Having read the previous book of the previous year I would say it was an equal and would happily recommend it to others especially if you're a younger learner or new to the subject UK Historian

**Companion to the British Army 1939-45** Lieutenant Colonel George Forty OBE, 2009-10-01 To encapsulate the British Army in one book is no easy task but here George Forty presents it as it was during the Second World War When war was declared in 1939 the British Army was very much the Cinderella of the three armed services with a total strength of around 865 000 men However just four years later when the Allies invaded north west Europe the British Army had grown into a powerful well organised and well equipped fighting force of 3 million men and women George Forty presents a comprehensive overview of the British Army during this important time He includes full details of mobilisation and training higher organisation and arms of the service divisional organisations and non divisional units HQs and Staff the combat arms and the services the individual soldier his weapons and equipment tactics vehicle markings and camouflage the Auxiliary Territorial Service and other Women's Corps Fully illustrated with an unusual collection of photographs and line illustrations this is an indispensable reference guide for anyone interested in this fascinating period of British history [The Story of Southampton](#) Peter Neal, 2014-05-05 The Story of Southampton is a long overdue and engaging general history of the city from the earliest times to the present day taking into account its unique architectural development and heritage It not only looks at the local history but also how those events had a wider significance especially in relation to the sea and communications Peter Neal has an eye for a telling anecdote and this together with his lively tone and authoritative research will make the book appealing to anyone who is seeking to find out more about this fascinating city **Was Jesus Crucified?** Keith Prosser, 2016-07-07 An historical research into the life and death of Jesus Christ as described in the Christian Holy

Bible Examines early Gnostic Jewish Roman Greek Syrian and Christian historical sources to give a near comprehensive analysis of the subject resulting in a genuine fresh look into the well studied topic A meticulous review is made of what Josephus wrote about Jesus through critical analysis demonstrating why he must have written it A similar examination is made of the Gnostic writings especially the Nag Hammadi gospel of Thomas resulting in textual proof he wrote it after the Bible s gospels The book should prove of great interest to those studying or reading the New Testament as it includes a summarised history of the Faith spanning from the present day to the first century the origins of present day scepticism introduction into manuscript preservation and a glossary of theological terms and early Christian controversies     The Second World War Illustrated: The Fourth Year Jack Holroyd,2022-12-01 THE FOURTH YEAR began with intensified fighting on Guadalcanal in the southern Solomon Islands in September 1942 The United States had launched their fight back in the Pacific when they landed there the previous month In the Western hemisphere the USA threw its almighty weight into the fight against Hitler s Germany with the Operation Torch landings in North Africa The Americans had boots on the ground Hitherto in the war the Axis had largely been the controllers of events now as often as not they had to react to occurrences under a continuous rain of blows Montgomery had masterminded a tactical success at El Alamein in November 1942 Rommel had retreated to face an Allied invasion of Tunisia and defeat of all Axis forces on that continent This was followed in Russia by Hitler losing an entire army at Stalingrad when the starving survivors surrendered in January 1943 Then the Allies invaded Sicily triggering the ousting of Italy s dictator Mussolini from power Further concern for the German F hrer came with the first daylight bombing raid by the USAAF at the end of January 1943 It was followed by the RAF successfully breaching two dams in the Ruhr valley in a precision night raid Those events heralded round the clock bombing of Germany by day and night On the Eastern Front in the summer Hitler gambled one final strategic offensive at Kursk and suffered a decisive defeat never again to regain the initiative or launch a major offensive in Russia By the end of the fourth year of the war the Allies dominated the vital Atlantic seaways upon which future Allied strategy was entirely dependent although the German submarine menace still existed     *The Second World War* James Holland,2023-05-25 Discover the story of the Second World War brought to life in full colour by renowned historian James Holland and award winning artist Keith Burns A fully immersive experience A comprehensive yet fast paced and gripping insight into the Second World War Not just accessible but riveting An absolute pleasure to read GET HISTORY A ground breaking collaboration between bestselling historian James Holland and award winning artist Keith Burns presents the war in full colour bringing the text vividly to life HISTORY OF WAR \_\_\_\_\_ From the great cities of Europe to the jungles of Burma and from the deserts of North Africa to the remote islands of the South Pacific and the freezing waters of the Arctic the Second World War touched every continent and ocean on the planet And from the Blitzkrieg to the atom bomb the fighting fuelled new technological development on land at sea and in the air at a ferocious pace Our future was forged by war Combining compelling personal stories with a

clear and accessible appreciation of the strategic and operational battle for supremacy between the Allies and the Axis powers bestselling historian James Holland weaves an irresistible narrative with over 250 illustrations by acclaimed artist Keith Burns commissioned specially for this project Together they bring events in The Second World War An Illustrated History to life with stunning drama and dynamism Over five years in the making their groundbreaking collaboration has produced a unique and unforgettable account of the most extraordinary events the world has ever seen \_\_\_\_\_ Gripping text masterful imagery and touching personal stories make this a must buy for anyone with an interest in World War Two
