history set to music that reveals the rich life of one of the first internationally renowned female violinists Spanning generations from the shores of the Black Sea to the glittering concert halls of New York The Nightingale's Sonata is a richly woven tapestry centered around violin virtuoso Lea Luboshutz Like many poor Jews music offered an escape from the prejudices that dominated society in the last years of the Russian Empire But Lea's dramatic rise as an artist was further accentuated by her scandalous relationship with the revolutionary Onissim Goldovsky As the world around them descends in to chaos between revolution and war we follow Lea and her family from Russia to Europe and eventually America We cross paths with Pablo Casals Isadora Duncan Emile Zola and even Leo Tolstoy The little girl from Odessa will eventually end up as one of the founding faculty of the prestigious Curtis Institute of Music but along the way she will lose her true love her father and watch a son die young The Iron Curtain would rise but through it all she plays on Woven throughout this luminous odyssey is the story of Cesar Franck's Sonata for Violin and Piano As Lea was one of the first ever internationally recognized female violinists it is fitting that this pioneer was one of the strongest advocates for this young boundary pushing composer and his masterwork

Nightingale's Rivals Louise Wyatt, 2025-03-06 Highlights the overlooked contributions of women like Betsy Cadwaladyr and Mother M Francis Bridgeman to nursing during the Crimean War Florence Nightingale is synonymous with nursing in the Crimean War of 1854-1856 There were however many other women who contributed to nursing at this time Martha Clough who dismissed the rule of Nightingale and took charge of nursing the Highland Regiments Eliza Roberts an experienced hospital surgical nurse who became Nightingale's aide de camp nursing Nightingale when she fell ill with Crimean Fever and those with a wider scope of caring such as Mary Seacole whose nutritious supplements and caring demeanour meant everything to the soldiers This book focuses on the relationship between Nightingale and two very interesting characters the irascible Betsy Cadwaladyr and the equally strong-willed Mother M Francis Bridgeman head of the nursing Irish Sisters of Mercy in the Crimea Bridgeman came from a similar social standing as Nightingale but whose pathway saw her leaving society lifestyle as a young girl and following the convent life Cadwaladyr earned Nightingale's respect towards the end of her time in the Crimea due to her care of soldiers and her ability to run the kitchen at Balaklava but nothing would change

her stubborn dislike of Nightingale The Sisters of Mercy much overlooked in nursing history were clinically nursing the victims of cholera and dysentery two of the biggest killers in the Crimea in their localities long before their journey to the battlefield Betsy Cadwaladr preferred domestic service and cooking to nursing whilst Nightingale had the unenviable task of proving the nursing experiment to those watching from Westminster trying not to upset the medical men as well as trying to filter out the best women to nurse with her which was a nightmare in itself **Secret for a Nightingale** Victoria Holt,2005 Susanna is a charming innocent in India with a gift for healing Her marriage is over after she discovers her husband s sinister secret Then disaster strikes when she meets the mysterious Dr Damien Finally in Constantinople she comes face to face with her destiny and learns the truth **The Fairy Tales of Oscar Wilde** Dr Jarlath Killeen,2013-04-28 Oscar Wilde s two collections of children s literature The Happy Prince and Other Stories 1888 and A House of Pomegranates 1891 have often been marginalised in critical accounts as their apparently conservative didacticism appears at odds with the characterisation of Wilde as an amoral aesthete In this the first full length study of Wilde s fairy tales for children Jarlath Killeen argues that Wilde s stories are neither uniformly conservative nor subversive but a blend of both Killeen contends that while they should be read in relation to a literary tradition of fairy tales that emerged in nineteenth century Europe Irish issues heavily influenced the work These issues were powerfully shaped by the folk Catholicism Wilde encountered in the west of Ireland By resituating the fairy tales in a complex nexus of theological political social and national concerns Killeen restores the tales to their proper place in the Wilde canon **The Daughter's Way** Tanis MacDonald,2012-09-01 The Daughter s Way investigates negotiations of female subjectivity in twentieth century Canadian women s elegies with a special emphasis on the father s death as a literary and political watershed The book examines the work of Dorothy Livesay P K Page Jay Macpherson Margaret Atwood Kristjana Gunnars Lola Lemire Tostevin Anne Carson and Erin Mour as elegiac daughteronomies literary artifacts of mourning that grow from the poets investigation into the function and limitations of elegiac convention Some poets treat the father as a metaphor for socio political power while others explore more personal iterations of loss but all the poets in The Daughter s Way seek to redefine daughterly duty in a contemporary context by challenging elegiac tradition through questions of genre and gender Beginning with psychoanalytical theories of filiation inheritance and mourning as they are complicated by feminist challenges to theories of kinship and citizenship The Daughter s Way debates the efficacy of the literary work of mourning in twentieth century Canadian poetry By investigating the way a daughter s filial piety performs and sometimes reconfigures such work and situating melancholia as a creative force in women s elegies the book considers how elegies inquire into the rhetoric of mourning as it is complicated by father daughter kinship The Nightingale's Whisper Pasquale De Marco,2025-03-03 In the annals of American literature Emily Dickinson stands as a solitary figure an enigma shrouded in layers of myth and mystique This captivating book unveils the hidden depths of Emily s world delving into the secrets that lie beneath the surface of her enigmatic existence Journey through Emily

Poems Harold Richard Hayward,1920 **Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 11: Khayyami Robaiyat: Re-Sewing the Tentmaker's Tent: 1000 Bittersweet Wine Sips from Omar Khayyam's Tavern of Happiness** Mohammad H. Tamdgidi,2024-10-25 Omar Khayyam s Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a 12 book series of which this book is the 11th volume subtitled Khayyami Robaiyat Re Sewing the Tentmaker s Tent 1000 Bittersweet Wine Sips from Omar Khayyam s Tavern of Happiness Each book independently readable can be best understood as a part of the whole series In Book 11 having shared the three parts of the Robaiyat attributed to Khayyam in the Books 8 9 and 10 of the series Tamdgidi offers the entire set of the 1000 quatrains including the Persian originals and his new English verse translations for each The poems comprising Khayyam s songs of doubt hope and joy are organized according to the three phased method of inquiry he introduced in his philosophical writings respectively addressing the questions Does Happiness Exist What Is Happiness and Why Does or Can Happiness Exist When Khayyam discussed the three phased method of inquiry in his treatise Resalat fi al Kown wa al Taklif Treatise on the Created World and Worship Duty he noted an exception to the rule of asking when studying any subject whether it exists what it is and why it exists or can exist He distinguished between things objectively existing independent of the human mind and those created by the human mind The normal procedure applies to the former but for products of the human mind he advised the procedure must be modified to

asking first what something is then whether it exists and then why it exists or can exist This is because for products of the human mind such as created works of art we would not know whether something exists and why it exists unless we first know what it is To illustrate his point he used the example of the mythical bird Anqa Simorgh in Persian or the Phoenix in English He argued that only when we know what the metaphor stands for would we be able to say whether it exists say in a work of art or even as a person represented by it and why it exists or can exist Khayyam's elaboration implies that one has to make a distinction between objective and human objectified realities which implies that for some objects such as happiness we in fact confront a hybrid reality where aspects of it may be externally conditioned but other aspects being dependent on the human will Once we realize the significance of Khayyam's point then we appreciate that his Robaiyat can also be regarded as a way of poetically portraying and advancing human happiness its poetic Wine being not just reflective but also generative of the happiness portrayed By way of his poetry therefore Khayyam has offered a severe critique of the then prevalent fatalistic astrological worldviews blaming human plight on objective conditions in favor of a conceptualist view of reality in which happiness can be achieved despite the odds depending on the creative human agency itself being an objective force Tamdgidi further shows that the triangular geometry of the logic governing Khayyam's Robaiyat the numerical values of whose three sides are proportional to the Grand Tent governing Khayyam's birth chart further supports the view expressed in Khayyam's own quatrains that for him his Robaiyat poetically represented the tent of which he regarded himself to be a tentmaker revealing another key explanation for his pen name The geometric structure of a tent proportional to the Grand Tent of Khayyam's chart as well as the metaphor of the Robaiyat as Simorgh songs are hidden in the deeper structure of Khayyam's 1000 piece solved puzzle the same way he embedded his own triangular golden rule in the design of the North Dome of Isfahan Khayyam's Robaiyat are his Simorgh's millennial rebirth songs served in his tented tavern as 1000 sips of his bittersweet Wine of happiness
