Secret Gospels Of Jesus:

The Secret Teachings of Jesus ,1986-05-12 In December 1945 two Egyptian fellahin digging for natural fertilizer in the Nile River valley unearthed a sealed storage jar The jar proved to hold treasure of an unexpected sort a collection of some fifty two ancient manuscripts most of which reflect the teachings of a mystical religious movement we call Gnosticism from the Greek word gnosis knowledge The texts are also with few exceptions Christian documents and thus they provide us with valuable new information about the character of the early church and about the Gnostic Christians within the church In this volume Marvin W Meyer has produced a new English translation for general readers of four of the most important and revealing of these early Christian texts the Secret Book of James the Gospel of Thomas the Book of Thomas and the Secret Book of John

The Gnostic Gospels of Jesus Marvin W. Meyer,2009-09-15 For all those readers curious to read the actual texts of the Gnostic Gospels here is the definitive collection of all the Gnostic Gospels and Gospel like texts o Marvin Meyer premier scholar of Gnostic and other Christian literature outside the New Testament presents every Gnostic Gospel and Jesus text with a brilliant overall introduction introductions to each text and notes that explain everything the reader needs to know to understand the text He includes his latest translations of not only the Gospel of Thomas the Gospel of Philip the Gospel of Mary but other texts such as the Secret Book of John which some scholars regard as the second part of the New Testament Gospel of John The material is largely from the discovery at Nag Hammadi freshly translated and introduced but also includes texts found elsewhere The texts especially taken together present an image of Jesus as the ultimate wisdom teacher a kind of mysterious Jewish Zen master who scandalized listeners by his radical egalitarianism regarding women slaves the poor the marginalized as of equal

status or more with establishment male believers and his insistence on living the message spiritual experience vs outer observance only o For those wanting to learn more after reading The Da Vinci Code This book provides the definitive next book for those looking for expert presentation of the alternative Gnostic stream of Christianity in which there is no talk of crucifixion and Mary Magdalene is presented as the disciple that Jesus loved best Marv is one of the original secret gospels scholars who has done an enormous amount of work to bring these texts to light All of his research on the Nag Hammadi texts is having an incredible impact on our knowledge of early Christian history it is virtually redefining it Dr Elaine Pagels Princeton University *The Secret Gospel* Morton Smith,1982 In 1958 Morton Smith Traveled to Jerusalem to do research in the monastery library of Mar Saba in the Judean Desert What he found was no routine corroboration of New Testament history but a precious fragment of a second century document that would change our understanding of the work and teaching of Jesus of Nazareth **The Secret Book of John** ,2012-12-14 This ancient Gnostic text can be a companion for your own spiritual quest The Secret Book of John is the most significant and influential text of the ancient Gnostic religion Part of the library of books found in Nag Hammadi Egypt in 1945 this central myth of Gnosticism tells the story of how God fell from perfect Oneness to imprisonment in the material world and how by knowing our divine nature and our divine origins that we are one with God we reverse God s descent and find our salvation The Secret Book of John The Gnostic Gospel Annotated Explained decodes the principal themes historical foundation and spiritual contexts of this challenging yet fundamental Gnostic teaching Drawing connections to Christianity Buddhism Hinduism kabbalistic Judaism and Sufism Davies focuses on the mythology and psychology of the Gnostic religious quest He illuminates the Gnostics ardent call for self awareness and introspection and the empowering message that divine wholeness will be restored not by worshipping false gods in an illusory material world but by our recognition of the inherent divinity within ourselves Now you can experience and understand this foundational teaching even if you have no previous knowledge of Gnosticism This SkyLight Illuminations edition presents the most important and valued book in Gnostic religion with insightful yet unobtrusive commentary It provides deeper insight into the understanding that in Gnosticism the distinction between savior and saved ceases to exist you must save yourself and in doing so save God The Gospels of Mary Marvin W. Meyer, Esther A. De Boer, 2009-09-15 Mary Magdalene Jesus s Closest Disciple Marvin Meyer one of the foremost scholars of the Gnostic Gospels translates and introduces the Gnostic and New Testament texts that together reveal the story and importance of Mary Magdalene includes new translations of the Gospels of Mary Thomas Philip and related texts about Mary Magdalene discloses with Esther A De Boer the long suppressed story of Mary s vital role in the life of Jesus and in the formative period after his crucifixion presents as authentically as possible the real Mary Magdalene The Secret Gospels of Jesus Marvin W. whole collection The Secret Gospels R. Joseph Hoffmann,1996 The Secret Gospels brings together for the first time in a consecutive narrative the major apocryphal sources of the Jesus tradition Composed between the second and seventh centuries C E the secret or hidden gospels were influential in shaping Christian belief and doctrine for well over a thousand years They include stories of the lost years of Jesus as a boy in Nazareth the wanderings of the holy family the death of Joseph and the assumption of the Virgin Mary into heaven Newly translated and harmonized by R Joseph Hoffmann a specialist in early church history these sources provide an unparalleled view of the devotional life and legend making skills of the Christian church They also offer important insights into the making of the New Testament canon and raise significant questions about the way in which belief in the divinity of Jesus of Nazareth developed This comprehensive introduction to the apocryphal tradition is essential reading for anyone interested in the life and thought of the formative period of Christian belief Enhanced by running notes and commentary The Secret Gospels includes a unique supplement on the apocryphal Jesus tradition in Islam as well as long unavailable sources from the Eastern Coptic Egyptian and Arab Christian traditions **The Everything Gnostic Gospels Book** Meera Lester,2007-02-12 The books of the Bible are not the only ancient writings to tell the stories of Jesus and his followers other Gnostic texts have also been found as well The Everything Gnostic Gospels Book provides an overview of Gnosticism and the historical figures who are believed to be the authors Thomas James Mary Magdalene and others This accessible guide explores the following questions What do Gnostics believe Who were the authors of the Gnostic Gospels How are the Bible scriptures and Gnostic Gospels different How are they the same How were official Christian texts chosen Learn about the different versions of Christianity that battled for supremacy in the first centuries after the death of Jesus This entertaining and educational book describes each of the Gnostic Gospels providing insight into the turbulent times of early Christianity as well as the renewed contemporary interest in these mysterious writings *Beyond Belief* Elaine Pagels,2004-05-04 In *Beyond Belief* renowned religion scholar Elaine Pagels continues her groundbreaking examination of the earliest Christian texts arguing for an ongoing assessment of faith and a questioning of religious orthodoxy Spurred on by personal tragedy and new scholarship from an international group of researchers Pagels returns to her investigation of the secret Gospel of Thomas and breathes new life into writings once thought heretical As she arrives at an ever deeper conviction in her own faith Pagels reveals how faith allows for a diversity of interpretations and that the rogue voices of Christianity encourage and sustain the recognition of the light within us all *The Secret Door* J A. Warrick,2012-05 When Jesus said Seek and you will find ask and the door will be opened he was literally pointing the way for each and every one of us to find the secret door within Find out why doing this is so important why the scriptures which spoke of the need for this were banned and hidden so many centuries ago and why seeking understanding of everything Jesus said is more important now than ever before Find out who the fallen angels were and are when they are likely to return and why in the words of the apostle Paul its imperative to take unto you the whole armor of God that ye may be able to withstand

in the evil day and having done all to stand Ephesians 6 13 That evil day is much nearer than most people realize It is in fact nearly upon us

Secret Scrolls Robert M. Price, 2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven't bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one's religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls
