David Wyatt

Secret Histories:

Secret Histories David Wyatt, 2010-11-01 *Secret Histories* claims that the history of the nation is hidden in plain sight within the pages of twentieth century American literature David Wyatt argues that the nation's fiction and nonfiction expose a secret history that cuts beneath the straight histories of our official accounts And it does so by revealing personal stories of love work family war and interracial romance as they were lived out across the decades of the twentieth century Wyatt reads authors both familiar and neglected examining double consciousness in the post Civil War era through works by Charles W Chesnutt W E B Du Bois and Booker T Washington He reveals aspects of the Depression in the fiction of F Scott Fitzgerald Anzia Yezierska and John Steinbeck Period by period Wyatt's nuanced readings recover the felt sense of life as it was lived opening surprising dimensions of the critical issues of a given time The rise of the women's movement for example is revived in new appraisals of works by Eudora Welty Ann Petry and Mary McCarthy Running through the examination of individual works and times is Wyatt's argument about reading itself Reading is not a passive activity but an empathetic act of cocreation what Faulkner calls overpassing to love Empathetic reading recognizes and relives the emotional cultural and political dimensions of an individual and collective past And discovering a usable American past as Wyatt shows enables us to confront the urgencies of our present moment

Secret History Simon Ball, 2020-04-16 As John le Carr's fictional intelligence men admit it was the case histories constructed narratives serving shifting agendas that shaped the British intelligence machine rather than their personal experience of secret operations *Secret History* demonstrates that a critical scrutiny of internal after action assessments of intelligence prepared by British officials provides an invaluable and original perspective on the emergence of British intelligence culture over a period stretching from the First World War to the early Cold War The historical record reflects personal value judgments about what qualified as effective techniques and organization and even who could rightfully be called an intelligence officer The history of intelligence thus became a powerful form of self reinforcing cultural capital Shining an intense light on the history of Britain's intelligence organizations *Secret History* excavates how contemporary myths misperceptions and misunderstandings were captured and how they affected the development of British intelligence and the state

Hellboy Universe: The Secret Histories Mike Mignola, 2021-06-22 Longstanding mysteries from the Mignolaverse finally solved in this collection of standalone stories When did Rasputin find his calling to bring about Ragna Rok How did the Visitor stay hidden on Earth for so long And where did the legendary Sledgehammer armor really come from These questions and more are answered in this new collection from the world of Hellboy Three stories of instrumental side characters are explored in full collected for the first time in a digital book perfect for any Hellboy fan's library Hellboy creator Mike Mignola is joined by John Arcudi Chris Roberson Laurence Campbell Christopher Mitten Dave Stewart and others to bring these hidden corners of the Mignolaverse to light Collects Rasputin The Voice of the Dragon TPB Sledgehammer 44 TPB The Visitor How and Why He Stayed TPB **Jack: Secret**

Histories F. Paul Wilson, 2008-05-27 In his first novel for young adults New York Times bestselling author Wilson presents the untold story of his most popular character Repairman Jack as a teenager *The Secret History in Literature, 1660-1820*

Rebecca Bullard, Rachel Carnell, 2017-03-24 Secret history with its claim to expose secrets of state and the sexual intrigues of monarchs and ministers alarmed and thrilled readers across Europe and America from the mid seventeenth to the mid nineteenth century Scholars have recognised for some time the important position that the genre occupies within the literary and political culture of the Enlightenment Of interest to students of British French and American literature as well as political and intellectual history this new volume of essays demonstrates for the first time the extent of secret history's interaction with different literary traditions including epic poetry Restoration drama periodicals and slave narratives It reveals secret history's impact on authors readers and the book trade in England France and America throughout the long eighteenth century In doing so it offers a case study for approaching questions of genre at moments when political and cultural shifts put strain on traditional generic categories

The Secret History of Domesticity Michael McKeon, 2006-12-06 Taking English culture as its representative sample The Secret History of Domesticity asks how the modern notion of the public private relation emerged in the seventeenth and eighteenth centuries Treating that relation as a crucial instance of the modern division of knowledge Michael McKeon narrates its pre history along with that of its essential component domesticity This narrative draws upon the entire spectrum of English people's experience At the most public extreme are political developments like the formation of civil society over against the state the rise of contractual thinking and the devolution of absolutism from monarch to individual Subject The middle range of experience takes in the influence of Protestant and scientific thought the printed publication of the private the conceptualization of virtual public society public opinion the market and the capitalization of production the decline of the domestic economy and the increase in the sexual division of labor The most private pole of experience involves the privatization of marriage the family and the household and the complex entanglement of femininity interiority Subjectivity and sexuality McKeon accounts for how the relationship between public and private experience first became intelligible as a variable interaction of distinct modes of being not a static dichotomy but a tool to think with Richly illustrated with nearly 100 images including paintings engravings woodcuts and a representative selection of architectural floor plans for domestic interiors this volume reads graphic forms to emphasize how susceptible the public private relation was to concrete and spatial representation McKeon is similarly attentive to how literary forms evoked a tangible sense of public private relations among them figurative imagery allegorical narration parody the author character reader dialectic aesthetic distance and free indirect discourse He also finds a structural analogue for the emergence of the modern public private relation in the conjunction of what contemporaries called the secret history and the domestic novel A capacious and synthetic historical investigation The Secret History of Domesticity exemplifies how the methods of literary interpretation and historical analysis can inform and enrich one another *The*

Secret History of Nursery Rhymes Linda Kathryn Alchin, 2010 Many nursery rhymes are believed to be associated with actual events in history and include references to murder torture betrayal greed and to tyrants and royalty The words were remembered but their secret histories were forgotten Political satire was cleverly disguised in the wording of some seemingly innocent nursery rhymes Although some of the most popular Nursery Rhymes are rooted in English history they are told to children throughout the English speaking world Old English Nursery Rhymes were taken to America with the settlers from England They were then spread across Commonwealth countries including Canada Australia and New Zealand

The Secret History of Nursery Rhymes Linda Alchin, 2013-04 Many nursery rhymes are believed to be associated with actual events in history and include references to murder torture betrayal greed and to tyrants and royalty The words were remembered but their secret histories were forgotten Political satire was cleverly disguised in the wording of some seemingly innocent nursery rhymes Although some of the most popular Nursery Rhymes are rooted in English history they are told to children throughout the English speaking world Old English Nursery Rhymes were taken to America with the settlers from England They were then spread across Commonwealth countries including Canada Australia and New Zealand
