RANDOM HOUSE

THE SECRET LIFE OF ALGERNON PENDLETON

RUSSELL H. GREENAN

"Russell H. Greenan is a one-of-a-kind writer, and *The Secret Life of Algernon Pendleton* is a one-of-a-kind book. Madness, two murders (three, if you count the dog), baroque vengeance — and the whole thing turns out endearing. That's right, I said *endearing*." — IRA LEVIN

Secret Life Of Algernon Pendleton

Mary J. Jarvis

Secret Life Of Algernon Pendleton:

The Secret Life of Algernon Pendleton Russell H Greenan, 2019-06-12 A murderously funny fugue of the macabre Grave matters elegantly dispatched The New York Times Book Review Algernon Pendleton call him Al lives by himself in a suburban Boston house loaded with treasures collected by his Egyptologist great grandfather His solitary life punctuated by occasional visits to a shop where he trades artifacts for ready cash would be lonely if not for his confidential chats with Eulalia a talking porcelain pitcher When an old army buddy shows up with a suitcase full of money Eulalia has some less than friendly ideas about separating their houseguest from his fortune Meanwhile a professor of archaeology is getting increasingly suspicious about the shop's supply of rare and valuable antiquities Thanks to Eulalia's advice Al soon finds himself trapped in a murder mystery that unfolds with ample doses of black humor You have to have a heart of stone not to love Algernon Pendleton the mad as a hatter murderer Curl up with him and your doom is sealed Greenan has fashioned an excursion in to the macabre that is in a class by itself Saturday Review Oddly appealing a sort of Arsenic and Old Lace approach that really works in terms of entertainment if you have a taste for the fantastic Publishers Weekly The Secret Life of Algernon Pendleton Russell H. Greenan, 1973 **Inventory** A.V. Club, 2009-10-13 Each week the writers of The A V Club issue a slightly slanted pop culture list filled with challenging opinions Is David Bowie's Young Americans nearly ruined by saxophone and fascinating facts Exploring twenty four great films too painful to watch twice fourteen tragic movie masturbation scenes eighteen songs about crappy cities and much more Inventory combines a massive helping of new lists created especially for the book with a few favorites first seen at AVClub.com and in the pages of The A V Club's sister publication The Onion But wait There's more John Hodgman offers a set of minutely detailed and probably fictional character actors Patton Oswalt waxes ecstatic about the quiet film revolutions that changed cinema in small but exciting ways Amy Sedaris lists fifty things that make her laugh Weird Al Yankovic examines the noises of Mad magazine's Don Martin Plus lists from Paul Thomas Anderson Robert Ben Garant Tom Lennon Andrew W K Tim and Eric Daniel Handler and Zach Galifianakis and an epic foreword from essayist Chuck Klosterman **The Birth of Death and Other Comedies** Tom Whalen, 2011 Russell H Greenan's It Happened in Boston is one of the most radical narratives to appear in the late 1960s this is a book that encompasses everything as David L Ulin noted in Bookforum Yet due in large part to the difficulty of classifying Greenan's fiction many readers are unaware of his other novels In The Birth of Death and Other Comedies The Novels of Russell H Greenan Tom Whalen drawing widely from the American literary tradition locates Greenan's lineage in the work of Hawthorne and Poe where allegory and dream mingle with and illuminate realism as well as in the fiction of Twain West Hammett Cain and Thompson Examining Greenan's characteristic themes and strategies Whalen provides perceptive readings of the dark comedies of this criminally neglected American master and in a coda reflects on Greenan's career and the reception of his work **Enser's Filmed Books and Plays** Ellen Baskin, 2018-04-27 This title was first published in

2003 The sixth edition of this compendium of film and television adaptations of books and plays includes several thousand new listings that cover the period from 1992 to December 2001 There are 8000 main entries covering 70 years of film history including some foreign language material *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1975

The Day After The Day After Steven Church,2010-02-10 Steven Church grew up in the 1970s and 80s in Lawrence Kansas a town whose predictable daily rhythms give way easily to anxiety and a place that since Civil War times has been a canvas for sporadic scenes of havoc and violence in the popular imagination Childhood was quiet on the surface but Steven grew up scared scared of killer tornadoes winged monkeys violent movies authority figures the dissolution of his parents marriage and most of all in Reagan s America nuclear war His fantasies of nuclear meltdown genetic mutation and post apocalyptic survival find a focal point in 1982 when filming begins in Lawrence for *The Day After* a film which would go on to become the second highest Nielsen rated TV movie Despite cheesy special effects melodramatic plotlines and the presence of Steve Guttenberg the movie had an instant and lasting impact on Church and an entire generation Combining interview personal essay film criticism fact and flights of imagination Church s richly layered and darkly comic memoir explores the meaning of Cold War fears for his generation and their resonance today

Sherwood Jonathan Riikonen,2017-08-01 Sherwood is a regular guy who is into philosophy languages ancient history and knowledge He has always disliked any sports and never cared about fame or too much money either His lifetime dream was to become an unknown crane operator a job he really loves His construction company was participating in a recreational ice hockey league and then one day they needed a last minute replacement goaltender and put Sherwood there To the amazement of all he never allows any goals Discovered by an impenitent agent he is dragged to NHL against his will and follows a professional big league hockey season full of surprises adoration sensations tragedies and personal struggles Finally he realizes what life is all about an attitude that everyone could learn from After all one might wonder if there is a little Sherwood living inside all of us *Catalog of Copyright Entries* Library of Congress.
