Secret Life Of The Lonely Doll The Search For Dare Wright:

The Secret Life of the Lonely Doll Jean Nathan, 2005-08 Years after Dare Wright's beloved 1957 book *The Lonely Doll* was published, journalist Jean Nathan found Wright living out her last days in a decrepit public hospital in Queens. Nathan delivers this mesmerizing biography of a woman who struggled to escape the imprisonment of her childhood through her art.

The Secret Life of the Lonely Doll Jean Nathan, 2013-05-17 A glamorous haunted life unfolds in the mesmerizing biography of the woman behind a classic children's book. In 1957, a children's book called *The Lonely Doll* was published. With its pink and white checked cover and photographs featuring a wide-eyed doll, it captured the imaginations of young girls and made the author Dare Wright a household name. Close to forty years after its publication, the book was out of print but not forgotten. When the cover image inexplicably came to journalist Jean Nathan one afternoon, she went in search of the book and ultimately its author. Nathan found Dare Wright living out her last days in a decrepit public hospital in Queens, New York. Over the next five years, Nathan pieced together a glamorous life. Blond, beautiful, Wright had begun her career as an actress and model and then turned to fashion photography before stumbling upon her role as bestselling author. But there was a dark side to the story: a brother lost in childhood, ill-fated marriage plans, a complicated controlling mother, Edith Stevenson Wright. Herself a successful portrait painter, she played such a dominant role in her daughter's life that Dare was never able to find her way into the adult world. Only through her work could she speak for herself. In her books, she created the happy family she'd always yearned for, while her self-portraits betrayed an unresolved tension between sexuality and innocence, a desire to belong and painful isolation. Illustrated with stunning photographs, *The Secret Life of the Lonely Doll* tells the unforgettable story of a woman who, imprisoned by her childhood, sought to set herself free through art.

On Writing with Photography Karen Beckman, Liliane Weissberg, 2013-02-01 From James Agee to W. G. Sebald, there has been an explosion of modern documentary narratives and fiction combining text and photography in complex and fascinating ways. However, these contemporary experiments are part of a tradition that stretches back to the early years of photography. Writers have been integrating photographs into their work for as long as photographs have existed, producing rich, multilayered creations, and photographers have always made images that incorporate, respond to, or function as writing. *On Writing with Photography* explores what happens to texts and images when they are brought together. From the mid-nineteenth century to the present, this collection addresses a wide range of genres and media, including graphic novels, children's books, photo-essays, films, diaries, newspapers, and art installations. Examining the works of Herman Melville, Don DeLillo, Claude McKay, Man Ray, Dare Wright, Guy Debord, Zhang Ailing, and Roland Barthes, among others, the essays trace the relationship between photographs and reality and describe the imaginary worlds constructed by both, discussing how this production can turn into testimony of personal and collective history, memory, and trauma, gender, and sexuality, and ethnicity. Together, these essays help explain how writers and photographers past and present have served as powerful creative resources for each other. Contributors
