## **Secret Rendezvous A Novel:**

**Secret Rendezvous** Kobo Abe, 2002-07-09 From the acclaimed author of *Woman in the Dunes* comes *Secret Rendezvous* the bizarrely erotic and comic adventures of a man searching for his missing wife in a mysteriously vast underground hospital From the moment that an ambulance appears in the middle of the night to take his wife who protests that she is perfectly healthy her bewildered husband realizes that things are not as they should be His covert explorations reveal that the enormous hospital she was taken to is home to a network of constant surveillance outlandish sex experiments and an array of very odd and even violent characters Within a few days though no closer to finding his wife the unnamed narrator finds himself appointed the hospital's chief of security reporting to a man who thinks he's a horse With its nightmarish vision of modern medicine and modern life *Secret Rendezvous* is another masterpiece from Japan's most gifted and original writer of serious fiction

**Secret Rendezvous**, 194? **Secret Rendezvous** Kōbō Abe, Juliet Winter Carpenter, 1979 *Sublime Voices* Christopher Bolton, 2020-03-17 Since the 1950s Abe Kōbō 1924-1993 has achieved an international reputation for his surreal or grotesque brand of avant-garde literature From his early forays into science fiction to his more mature psychological novels and films and finally the complicated experimental works produced near the end of his career Abe weaves together a range of voices the styles of science and the language of literary forms In Abe's oeuvre this stylistic interplay links questions of language and subjectivity with issues of national identity and technological development in a way that ultimately aspires to become the catalyst for an artistic revolution While recognizing the disruptions such a revolution might entail Abe's texts embrace these disjunctions as a way of realizing radical new possibilities beyond everyday experience and everyday values By arguing that the crisis of identity and postwar anomie in Abe's works is inseparable from the need to marshal these different scientific and literary voices Christopher Bolton explores how this reconciliation of ideas and dialects is for Abe part of the process whereby texts and individuals form themselves a search for identity that must take place at the level of the self and society at large
