Secret Sacrament:

Secret Sacrament Sherryl Jordan, 2016-07-26 Can one man be the salvation of two nations Gabriel is a thinker a healer a dreamer His past haunts him and his future is intertwined with ancient prophecies He is a son of the Navoran Empire yet his soul can only find peace with the wild Shinali people on the outskirts of the city He can interpret the dreams of the Empress and heal the wounded of her city but as sinister forces take control of the empire Gabriel's destiny may be far greater than he can possibly imagine Sherryl Jordan has crafted a powerful fantasy novel about a young man destined to become the link between two warring cultures *Seeking the Sacred with Psychoactive Substances* J. Harold

Ellens, 2014-10-28 Can drugs be used intelligently and responsibly to expand human consciousness and heighten spirituality This two volume work presents objective scientific information and personal stories aiming to answer the question The first of its kind this intriguing two volume set objectively reports on and assesses this modern psycho social movement in world culture the constructive medical use of entheogens and related mind altering substances Covering the use of substances such as ayahuasca cannabis LSD peyote and psilocybin the work seeks to illuminate the topic in a scholarly and scientific fashion so as to lift the typical division between those who are supporters of research and exploration of entheogens and those who are strongly opposed to any such experimentation altogether The volumes address the history and use of mind altering drugs in medical research and religious practice in the endeavor to expand and heighten spirituality and the sense of the divine providing unbiased coverage of the relevant arguments and controversies regarding the subject matter Chapters include examinations of how psychoactive agents are used to achieve altered states in Judaism Christianity Islam and Buddhism as well as in the rituals of shamanism and other less widely known faiths This highly readable work will appeal to everyone from high school students to seasoned professors in both the secular world and in devoted church groups and religious colleges

Sacred Mushrooms Carl A. P. Ruck, 2016-01-18 In the ancient world men and women joined cults known as Mysteries to unite with the deities of the otherworld and achieve eternal life The most important of the Mysteries existed for two millennia at the village of Eleusis Its deities were Demeter and Persephone interchangeable in their roles as mother and daughter The initiations and other rituals of this goddess based cult were a profound secret divulging information was punishable by death For centuries scholars have probed the secrets of the Eleusinian Mysteries and kykeon its sacramental Eucharist a sacred drink containing psychoactive chemicals similar to those in LSD Their discoveries have been buried in the arcane language of alchemy the occult sciences and secret societies Here in prose accessible to all readers Carl Ruck unravels the Mysteries revealing the awesome powers of the goddesses as well as the pagan underpinnings of Western culture **Roman-catholic**

The Externals of the Catholic Church John Francis Sullivan, 1918 **The Taming of the Demons** Jacob Paul Dalton, 2011-06-28 The Taming of the Demons examines mythic and ritual themes of violence demon taming and blood sacrifice in Tibetan Buddhism Taking as its starting point Tibet's so called age of fragmentation 842 to 986 C E the book draws on previously unstudied manuscripts discovered in the library cave near Dunhuang on the old Silk Road These ancient documents it argues demonstrate how this purportedly inactive period in Tibetan history was in fact crucial to the Tibetan assimilation of Buddhism and particularly to the spread of violent themes from tantric Buddhism into Tibet at the local and the popular levels Having shed light on this dark age of Tibetan history the second half of the book turns to how from the late tenth century onward the period came to play a vital symbolic role in Tibet as a violent historical other against which the Tibetan Buddhist tradition defined itself The Externals of the Catholic Church Reverend John F. Sullivan, Aeterna Press, OUR CATHOLIC LITURGY is a grand and harmonious manifestation of man's homage to God Its words and ceremonies and devotions are the growth of centuries The essentials of our Church's worship have been embellished with a wealth of ritual observance of which each detail is symbolic of the purpose for which that worship is offered The explanation of these manifold practices is the object of this work Aeterna Press **Children of the Night** Dan Simmons, 2012-12-11 Simmons writes like a hot rodding angel Stephen King An evil legacy comes to life in this classic and ultimately human novel about believable vampires featuring a brand new introduction by Dan Simmons Children of the Night will take you to a place that no one knows yet all of us fear In a desolate orphanage in post Communist Romania a desperately ill infant is given the wrong blood transfusion and flourishes rather than dies For immunologist Kate Neuman the infant's immune system may hold the key to cure cancer and AIDS Kate adopts the baby and takes him home to the States But baby Joshua holds a link to an ancient clan and their legendary leader Vlad Tsepes the original Dracula whose agents kidnap the child Against impossible odds and vicious enemies both human and vampire Kate and her ally Father Mike O'Rourke steal into Romania to get her baby back A mesmerizing tour through the ghostly gray tatters of Romania Publishers Weekly **A Word on Death** St. Ignatius (Bryanchaninov), 2021-09-18 Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> Come to your senses my soul the skete monk Evagrius touchingly turns to himself and think how you can endure your sudden separation from your body when formidable angels come for you and delight you in an hour at which you do not expect and during you don't know about What deeds will

you send into the air before you when your enemies who are in the air begin to torture you about your deeds 212 So the holy saints of God felt and spoke they understood and examined the depth of the fall of man they understood and investigated the power of demons over humans that arose from this fall True disciples of Christ have faithfully fulfilled the will of the Lord The Apostle Paul says about himself that he died daily 1 Cor 15 31 Precisely whoever is prepared to die daily he dies daily he who trampled on all sins and all sinful desires whose thought from now on has moved to heaven and remains there he dies every day He who dies every day is already living the eternal true life Fear this hypocrisy Fear hypocrisy first in yourself and then in others Be afraid of it precisely because it is typical of our time and can infect anyone who deviates even the least from frivolous behavior Pursue hypocrisy in yourself chase it away from yourself Separate yourself from the multitude of people infected by it acting consciously and unconsciously under its influence disguising its service to the world with the service of God seeking temporary goods in search of eternal goods disguising under the guise of holiness a vicious life and a soul completely devoted to passions *The History of the Reformation of the Church of England* Gilbert Burnet (bisschop),1850

The History of the Reformation of the Church of England Gilbert Burnet,1837 *Errata of the Protestant Bible* Thomas Ward,1841 **Summa Theologica: Supplement to the Third Part** St. Thomas Aquinas,2018-02-06 The sixth volume in this epic and classic undertaking by one of the most notable theologians of the Roman Catholic Church This volume features theological considerations towards such topics as Penance Extreme Unction Holy Orders Last Things Marriage and other important topics that we often take for granted in our thinking in the church and in worship towards God These topics must be carefully considered if we are to ever have a deep understanding and love of the one true God and his son Jesus Christ *Failed God* John A. Rush,2019-04-16 On a 2001 trip to the cathedrals of Europe anthropologist John Rush and his wife entered St Mark s Basilica in Venice and encountered a mosaic depicting Jesus surrounded by mushrooms with an Amanita muscaria cap in his hand Examining the space with new eyes they discovered images of mushrooms and mind altering plants all over the Basilica Intrigued Dr Rush spent seven years researching and reflecting on the profound effects hallucinogens had on the founding of all three major Western religions He concluded that Judaism Christianity and Islam are political constructions evolving out of the use of not only Amanita muscaria but a plethora of mind altering substances *Failed God Fractured Myth in a Fragile World* re examines the scriptural stories of Judaism Christianity and Islam as told in the Bible and Qur an and reveals them as concocted mythical charters stemming from drug induced romps with the super natural Rush shows how mind altering substances played an instrumental role in the birth and development of Western religions and explains how they contributed to reports of prophetic experiences including angry and disturbing messages from the divine With chapters on Judaism Christianity and Islam Rush fully addresses the effects of mind altering substances on each

tradition convincingly discrediting the idea that they stem from actual human interaction with the divine He also shows how an intoxicated and over zealous Apostle Paul corrupted Jesus s simple message of human decency forming an oppressive religious system based on fear In a thought provoking conclusion Rush asks how we can continue to attribute authority to traditions that were so clearly irrationally founded and incompatible with today s world
