Long, Bony Fingers

Bert's memories from childhood were few. An accident when he was four years old caused the extraterrestrials to temporarily discontinue any intense meetings with him. They did, however, continue to track him. Just prior to the accident at age four, during one meeting with him they had placed the tracking device into his nostril and also placed the monitor into the back of his head.

Eventually we were told by the extraterrestrials that they were Andromes (pronounced an-drom'-ease) from Andromeda. The Andromes try to install the tracking device and monitor as early as possible in the human child. The variables are the physical condition of the child, the Andromes' schedule and the opportunities to access the child.

After Bert's accident at age four, the Andromes watched his medical progress throughout his recovery in the hospital but didn't attempt to have a meeting with him. Doing so could have caused further stress to his already weakened condition.

The Andromes who tracked Bert were not from the same ship that I knew from childhood. They were another group of Andromes stationed in another Androme ship. We now know that there are several of these ships assigned around Earth.

When Bert was about seven years old he was involved in a short meeting with them. During the meeting he recalled watching an Androme female while she was holding another human child, a young girl, above her and talking to her as an adult sometimes does with a child. Bert remembered how the black eyes of this rather short lady fascinated him. The kindness that she showed to both the little girl and Bert was almost like that of a mother. The meeting itself seemed to be simply a sharing of time, perhaps so that they would remain in his memory, perhaps for other reasons of which he was never made aware.

Secret Vows Denise Rieb Twiggs, Bert Twiggs, 1992 *Secret Vows* Denise Rieb Twiggs, Bert Twiggs, 1995 The authors tell how through mental and physical changes they gradually became aware that they were living among friendly extraterrestrials who offered them a vision of a utopian world of communal harmony Reprint [The Gods Have Landed](#) James R. Lewis, 1995-03-09 This is a comprehensive account of the religious dimensions of the UFO flying saucer experience

The Lure of the Edge Brenda Denzler, 2001-11-07 UFO phenomena entered American consciousness at the beginning of the Cold War when reports from astonished witnesses of encounters with unknown aerial objects captured the attention of the United States military and the imagination of the press and the public But when UFOs appeared not to be hostile and when some scientists pronounced the sightings to be of natural meteorological phenomena misidentified due to Cold War jitters military interest declined sharply and with it further overt scientific interest Yet sighting reports didn't stop and UFOs entered the public imagination as a cultural myth of the twentieth century Brenda Denzler's comprehensive clearly written and compelling narrative provides the first sustained overview and valuation of the UFO alien abduction movement as a social phenomenon positioned between scientific and religious perspectives Demonstrating the unique place ufology occupies in the twentieth century nexus between science and religion Denzler surveys the sociological contours of its community assesses its persistent attempt to achieve scientific legitimacy and concludes with an examination of the movement's metaphysical or spiritual outlook Her book is a substantial contribution to our understanding of American popular culture and the boundaries of American religion and to the debate about the nature of science and religion Denzler presents a thorough and fascinating history of the UFO abduction movement and traces the tensions between those who are deeply ambivalent about abduction narratives that seemingly erode their quest for scientific credibility and the growing cultural power of those who claim to have been abducted She locates the phenomenon within the context of American religious history and using data gathered in surveys sheds new light on the social profile of these UFO communities *The Lure of the Edge* succeeds brilliantly in repositioning a cultural phenomenon considered by many to be bizarre and marginal into a central debate about the nature of science technology and the production of a modern myth *International UFO Library Magazine Anniversary Issue: April / May 1993* Joseph J. Viliborghi's exceptionally vivid dream comes this fascinating work of fiction that takes you into the interesting place called High Times. As you delve deep into High Times: An Alien Paradise, you'll find satisfaction, intrigue, romance, revelation, humor, mystery, good times, and insight into the future of humankind. Meet an ensemble of charming characters who will show you the beauty and delight of living and working in High Times. Follow Horn, who narrates this story, as he tells you of how he enjoys waking up everyday to work as a saxophone player in a band at High Times. So what makes High Times that interesting? It is an unusual restaurant, nightclub, bar, dance hall. High Times, or HT, as fondly called by its employees, is not the typical place for entertainment and eating. It even has a romantic, heated indoor, basement, heart-shaped swimming pool. The founders of High Times have built HT mostly to get friends together, especially those who have common interests in an environment of intimacy where the best of conversation, dance music, and most of all, good warm feelings can be cultivated and expressed. But is this all there is to it, or is there some mystery and intrigue behind the facade of High Times? Find out in author Mark Russell Viliborghi's High Times: An Alien Paradise. Book Reviews: A topsy-turvy, psychedelic science fiction tale starring an eclectic array of beings, human and otherwise, based on an exceptionally lucid dream experienced by author Viliborghi. Viliborghi's hero is Horn, a musician at a small nightclub called High Times. For Horn, life is so exciting that he can't wait to see what comes next. He lives to play music, loves his band mates, is well paid, and maintains a nice flat in a nearby post-war apartment building. Actually, he explains, "I have accidentally found myself in a million-dollar lifestyle without the responsibilities or stresses. We who work at High Times are all riding a train through Shangri-La. I hope it never ends, and I just knew life could be this good. But not all is how it appears. As Horn soon discovers, there is a mysterious presence in the basement of the apartment complex. The place gives me that funny feeling, he says, 'the one where you walk backwards out so that you don't turn your back on whatever is there.' High Times is comprised of two narratives, each carefully intertwined by Viliborghi. The first is the more straightforward: Horn recruits a new female lead singer for his band and promptly falls in love. The band plays gigs and earns the respect of the community. Meanwhile, the author delves into the stories of the other denizens of the apartment complex, including a young couple named Jack and Jill. But the book is also a sci-fi adventure, and much of the book is concerned with Horn's search for life in the basement. High Times appears to be a kind of portal which connects the nightclub and the apartment complex to a powerful alien being. Viliborghi's writing often falls flat, but his plotting is solid, and the book moves from the early scenes to the surprising, exciting ending with a good deal of ballast. Extraterrestrial happenings make this an intriguing ride. Kirkus Discoveries *A Nest of Magpies*, Sybil Marshall, 1994-10-15

Secret Vows Our Lives With Extraterrestrials Introduction

In the digital age, access to information has become easier than ever before. The ability to download Secret Vows Our Lives With Extraterrestrials has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Secret Vows Our Lives With Extraterrestrials has opened up a world of possibilities. Downloading Secret Vows Our Lives With Extraterrestrials provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Secret Vows Our Lives With Extraterrestrials has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Secret Vows Our Lives With Extraterrestrials. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Secret Vows Our Lives With Extraterrestrials. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Secret Vows Our Lives With Extraterrestrials, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Secret Vows Our Lives With Extraterrestrials has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
