Sermons on the Canticle of Canticles: Volumes 1 & 2 Saint Bernard of Clairvaux, Aeterna Press, So far as I am aware this is the first attempt on the part of a Catholic to render St Bernard s famous Discourses on the Canticle of Canticles available for English readers It is passing strange that it should be so passing strange that the most important work perhaps of him who has been called by excellence the Doctor of Love and the Prince of Mystics should be so neglected But the Sermons on the Canticle are not singular in this respect The same neglect has been extended to practically all the writings of the Melliduous Doctor with great loss to spirituality Aeterna Press

Artaud the Moma Jacques Derrida, 2017-09-19 In 1996 Jacques Derrida gave a lecture at the Museum of Modern Art in New York on the occasion of Antonin Artaud Works on Paper one of the first major international exhibitions to present the avant garde dramatist and poet s paintings and drawings Derrida s original title Artaud the Moma is a characteristic play on words It alludes to Artaud s calling himself M mo Marseilles slang for fool upon his return to Paris in 1946 after nine years in various asylums while playing off of the museum s nickname MoMA But the

title was not deemed presentable or decent in Derrida's words by the very institution that chose to exhibit Artaud's work. Instead the lecture was advertised as Jacques Derrida will present a lecture about Artaud's drawings. For Derrida what was at stake was what it meant for the museum to exhibit Artaud's drawings and for him to lecture on Artaud in that institutional context. Thinking over the performative force of Artaud's work and the relation between writing and drawing, Derrida addresses the multiplicity of Artaud's identities to confront the modernist museum's valorizing of originality. He channels Artaud's specter speech and struggle against representation to attempt to hold the museum accountable for trying to confine Artaud within its categories. Artaud the Moma as lecture and text reveals the challenge that Artaud posed to Derrida and to art and its institutional history. A powerful interjection into the museum halls, this work is a crucial moment in Derrida's thought and an insightful unsparing reading of a challenging writer and artist.
