Patel, Derek K. Juang, 2010-01-01 Finally a book that answers the questions you have as you begin your clinical rotations In the popular format of the Secrets Series this book will help ease the transition from the classroom to the clinical wards The popular Q history taking neurological exam and miscellaneous for even more complete coverage **Library of Universal Literature**, 1900 Studies in Intelligence, 2010 **Cheating Justice** Elizabeth Holtzman, Cynthia Cooper, 2012-02-07 While the debate continues about impeaching President Trump whether we're in a full blown Constitutional crisis and which Trump administration officials should be prosecuted for illegal actions *Cheating Justice* serves as useful background for how we got here by examining how the Bush Cheney administration broke the law and how the people can bring them to justice Despite the many misdeeds of and abuses of criminal law by the Bush administration there has been no accountability Former U S representative Elizabeth Holtzman pairs with lawyer and journalist Cynthia L Cooper to explain why we can't just move on

They lay bare how the Bush Cheney administration broke a multitude of laws and betrayed American values and exactly why and precisely how we the people must bring them to justice for their crimes their cover ups and their deceit Backed by strong evidence gleaned from astounding research Holtzman and Cooper argue that the Bush administration not only violated various U S laws but also changed many laws to escape prosecution for their crimes later The authors demonstrate how a failure to hold George W Bush and Dick Cheney accountable would set a dangerous precedent for the future leadership of America Bush and Cheney deceived Congress and the people to drive us into a war in Iraq they claimed the right to wiretap illegally and to eavesdrop on citizens and they authorized torture upending laws and breaching international treaty obligations Yet both Bush and Cheney are boldly unabashed about their offenses In his memoir President Bush makes no apologies for his decision to start a war in Iraq though no weapons of mass destruction the ostensible reason for the war were found there And once out of office Bush proudly said Damn right about his approval of waterboarding a clear violation of the Geneva Conventions and U S law Recent revelations about the extent and depth of their crimes catalogued in detail here make the need for accountability imperative As a member of Congress and part of the committee that investigated and held hearings on the conduct of President Richard Nixon in the Watergate scandal Elizabeth Holtzman condemns Bush s adoption of Nixon s claim that he acted in the interest of national security Using Watergate era reforms as a model Holtzman details the steps necessary to undo the damage that the Bush Cheney administration inflicted and explains how we can establish new protections to block future presidents from similarly abusing the law Cheating Justice is not only a call to empower the American people and a firm insistence that the nation s leaders are not above the law it is also a blueprint by one of America s top legal minds for bringing Bush to justice and protecting the future of our democracy Publishers Weekly
