Secret Diary Of God

John W. McGinley

Secret Diary Of God:

The Secret Diary of God Koos Kombuis, 2003 Written as God's secret diary this is a humorous satirical look at the history of God which puts a very different spin on the biblical stories *The Complete Secret Diaries of God* Koos Kombuis, 2008 A very funny clever and irreverent satire *The Complete Secret Diaries of God* is an expanded version of *The Secret Diary of God* which was first published in 2003 by Zebra Press The fictional God that Kombuis has created is a God of kindness but he is also a God of fallibility who is looking over his life several trillion years long and judging himself and his actions But the book is more than just a book about God and his travails in trying to form a relationship with the people and planet he created it is also a biting satire on the world we have created God is taken to a prison called Beverly Hills from where he only manages to escape when he volunteers to be a Grim Reaper The politics of Heaven and Hell the Devil's Plan B Paul's letters to the Americans the British and the Pope many outrageous events are related in this new version **The Secret Diary of Ben Zoma** John W. McGinley, 2008 So Think about this Once this foreigner is brought into the House of Israel albeit a foreigner who emerged from the House of Israel and then comes to rule it the House of Israel itself ended up becoming in fact a collective apostate alienated from its burning living center In the following I acknowledge the paradox involved in what I am saying given what is said in the Gemara commentaries about Akher But again think it through What would it mean to be an apostate from an institution which itself has apostatized In this sense Elisha ben Abbuyah becomes the model for a grand teshuvah whose contours as we shall see are radically paradoxical RETURN O BACKSLIDING CHILDREN Today to pick up one of those figures used in Hagigah's attempt to give cautious approval of such rehabilitation for Elisha ben Abbuyah Judaism is a shell whose kernel has virtually disappeared If nothing changes nothing changes Judaism will implode in upon itself and disappear If you are able to see the mortal danger into which Judaism has strayed you will be able to garner the imagination to read as though for the very first time the forthcoming thrice articulated verse and commentary It was first stated by Hashem to Akher It was then twice repeated by Akher to Meir You need to turn the telescope around to understand its true import Think again of the logic entailed by the apostate who apostatizes from an apostatizing Institution Just how long will it take for you to get it Till it's too late RETURN O BACKSLIDING CHILDREN whispering for proper effect except for Akher It is not Akher who needs to return **The Big Bad Bitterkomix Handbook** Anton Kannemeyer, Conrad Botes, 2006 When Anton Kannemeyer and Conrad Botes founded their underground satirical comic magazine Bitterkomix in 1992 they put themselves at the forefront of the international expressionist comic movement Their assault on mainstream Afrikaner culture has continued to be challenging outrageous and controversial This book is an essential chronicle catalogue and visual cornucopia of the work of the Bitterkomix artists from Pub info
