2: Awakening The Mystery of You and I Viktor Paul, 2023-03-05
 How will the United States Government, private sector and religious organizations use resources to protect, educate, heal, reconnect and empower children?

Family Men Laura King, 2015-01-15
 Fathers are often neglected in histories of family life in Britain. *Family Men* provides the first academic study of fathers and families in the period from the First World War to the end of the 1950s. It takes a thematic approach, examining different aspects of fatherhood from the duties it encompassed to the ways in which it related to men's identities. The historical approach is socio-cultural; each chapter examines a wide range of historical source materials in order to analyse both cultural representations of fatherhood and related social norms, as well as exploring the practices and experiences of individuals and families. It uncovers the debates surrounding parenting and family life and tells the stories of men and their children. While many historians have examined men's relationship to the home and family in histories of gender, family life, domestic spaces and class cultures, more generally, few have specifically examined fathers as crucial family members, as historical actors and as emotional individuals. The history of fatherhood is extremely significant to contemporary debate; assumptions about fatherhood in the past are constantly used to support arguments about the state of fatherhood today and the need for change or otherwise in the future. Laura King charts men's changing experiences of fatherhood, suggesting that although the roles and responsibilities fulfilled by men did not shift rapidly, their relationships' position in the family and identities underwent significant change between the start of the First World War and the 1960s.

A Love Deeper Than The Ocean Marie Castellano, 2023-11-21
 As human beings, we often tend to categorize our experiences as either good or bad. However, the truth is that each experience, no matter how unpleasant it may seem at the time, has the potential to teach us valuable lessons. It is up to us to shift our perspective and view these experiences in a more holistic manner. Louise L. Hay, a renowned motivational author and speaker, emphasized the importance of looking at life experiences

as opportunities for growth and learning She believed that every experience we have is an opportunity for us to become more aware of ourselves and our inner power Her teachings inspire individuals to take responsibility for their thoughts and actions and realize that they have the power to shape their own reality Dr Wayne W Dyer another influential author and speaker also highlighted the importance of shifting one's perspective and taking a more positive approach to life experiences He believed that our thoughts and beliefs shape our reality and encouraged individuals to adopt a mindset of gratitude and abundance For the author Louise L Hay and Dr Wayne W Dyer served as mentors and sources of inspiration This book is a tribute to them both and the valuable lessons they imparted By adopting their teachings and viewing her own life experiences as opportunities for growth the Author has been able to transform her outlook on life and find deeper meaning in even the most challenging situations

The Secrets and Lies of Yooper Girls T.D. Croel, 2011-10-25 Wendy had wanted at some point in her father's story to reach out her hand and take his hand in hers But like a nervous teenage boy on his first date her hand had only made it a few inches across the table I well I'm sure you know I drank Paul confessed Dad seriously you don't owe me an explanation She felt a bitter taste reside in her mouth and took a drink of her water The water did nothing to dispel the bitterness she both tasted and felt Well I just want you to know little girl I don't plan on drinking again Eighteen years of sobriety is way too long to throw away I know Dad she said with little emotion and even less conviction She sat back and crossed her arms wishing she had some food to quell the uneasiness in her stomach The waitress as if on cue set their meals down in front of them
