Secret Isaac:

Seven Secrets Discover the Torah Code James N. Schloner, 2014-09-27 Seven secrets reveals the deepest secrets of the Bible The Ancients knew the power of Gods names and how Gods names are edited into the deep Torah text On this subtle secret level God lives in the book Seven reveals this ancient teaching for the first time These Seven Secrets awaken God in the text and enlivens Gods presence in our lives Access these secrets and connect directly with Gods presence now Make the connection now Journey into the depth of the Torah Discover the Secret Life of God [Love and Gravity](#) Samantha Sotto, 2017-02-07 In this unforgettable novel for fans of *One Day* and *The Time Traveler's Wife* a young Isaac Newton falls in love with a girl living in modern day San Francisco defying the laws of physics to forge a seemingly impossible connection Thoughtful magical and alive with romantic alchemy *Love and Gravity* is a rare gem of a book both intellectual and beautiful New York Times bestselling author Sarah Addison Allen Andrea Louviere is seven years old the first time he appears While she's alone in her bedroom practicing her beloved cello the light shivers and a crack forms in the wall Through the crack she sees a candle a window a desk and a boy In the eerie silence the boy clearly sees Andrea too Then as quickly as it opened the crack closes and he vanishes Over the years summoning the boy becomes an obsession for Andrea On her seventeenth birthday she receives a three hundred year old love letter from Isaac Newton Andrea knows that Isaac will change the world with his groundbreaking discoveries the letter tells Andrea that she will change him As Isaac's letters intensify in passion and intimacy Andrea grows determined to follow his clues to their shared destiny despite a burgeoning romance in the present Only when she discovers the way into Isaac's time does Andrea realize that she faces a heartbreaking decision between what was and what might be Praise for *Love and Gravity* Sotto's remarkable story keeps the reader guessing until the very end The imaginative blend of romance history and paranormal is compulsively readable hits all the romantic high notes and provides a novel explanation for the development of calculus highly recommended Library Journal starred review Hard to put down Publishers Weekly Ingenious Dear Author Creative and heartfelt this novel captured my imagination and my heart with ease Samantha Sotto certainly gave us readers an original almost fanciful story that was filled to the brim with real and very raw emotions Harlequin Junkie Catching right from the start If you like time travel romance novels this book will not disappoint The Lit Bitch Praise for Samantha Sotto's *Before Ever After* I was floored by the gutsy scope of this highly unusual love story *Before Ever After* is one of those books that challenges the natural laws of fiction writing and Samantha Sotto pulls it off in a frisky and highly entertaining way Anne Fortier New York Times bestselling author of *Juliet* I was absolutely enchanted by *Before Ever After* It's a highly original and engaging mix of romance mystery and magic that will challenge everything you think you know about happily ever after Jill Smolinski author of *Objects of My Affection* A smartly written romance mystery and historical adventure all wrapped up in a page turner that will have you guessing until the very end Adena Halpern author of *The Ten Best Days of My Life* Exquisitely written and inventively told *Before Ever After* is a

beautiful moving and quite fun exploration of what you think you know about your own life Melissa Senate author of *The Love Goddess Cooking School* **Autopsia** Marius Timmann Mjaaland, 2008-08-27 There are certain things that can be explained and certain things that cannot be explained This book is about the latter It is a book about death how death interrupts and influences the reflection on the self It is a book about God a detailed and critical discussion on how Kierkegaard and Derrida apply the concept of God in their philosophical reflections The most ground breaking analysis concerns the famous passage on the self A A in *The Sickness unto Death* where the author combines logical rhetorical and dialectical means to establish a new perspective on Kierkegaard's thinking in general The Cartesian doubt then constitutes a common trait for his detailed and rigorous analysis of Derrida and Kierkegaard on death madness faith and rationality showing how they both seek to break up the Hegelian *Aufhebung* from within but still remain dependent on Hegel After Kierkegaard and Derrida the certainty and total uncertainty of death and of God as infinite other gives the self a basic though non foundational responsibility The significance of this responsibility of this other of this death requires sustained and thorough consideration Where others mark a conclusion this book therefore marks a point of departure reflecting on oneself at the graveside of a dead man thus introducing an *Autopsia* Fizz: Nothing is as it seems Zvi Schreiber, 2011 A YOUNG WOMAN'S QUEST TO UNDERSTAND THE UNIVERSE The future In response to global warming the Ecological Community has banned science and technology returning to an austere agricultural life and nature worship One young farmer Fizz is tormented by her burning curiosity to explore the universe Leveraging a controversial legal loophole and her Outsider father's invention Fizz travels back in time and engages in conversations with Galileo Newton Edison and Einstein Unraveling the mysteries of the universe she relives the contradictory ways in which science and technology redefine the human experience Returning as a changed person from her epic quest Fizz faces the decision that will change her world forever _____ This unique book weaves the bizarre and inspiring history of physics into the touching dramatic personal story of a young woman named Fizz who comes of age while voyaging across the centuries *Matched by Design* Lindzee Armstrong, 2020-05-02 A fashion designer burying her pain A surgeon drowning in guilt Can their relationship survive a fake engagement and find a second chance at love Jasmine needs a fake fiancé and fast After quitting college to pursue fashion she's finally working on a celebrity wedding The bride's even asked her to spend a week in Isla del Amor as part of the gig But when the groom flirts with Jasmine the bride declares no single women can attend the wedding and Jasmine blurts out that she's engaged even though the only man she wants ghosted her two months ago Dr Isaac Sloan is desperate to fix the unfixable Two months ago his best friend and Jasmine's older brother fell off a cliff while Isaac watched helplessly from below When Jasmine's grief combines with Isaac's guilt at not saving his friend the only thing Isaac knows to do is disappear But when he runs into Jasmine at a café she introduces him to her pop star client as her fiancé Isaac isn't ready to face his demons but Jasmine needs his help As they work together to keep up pretenses in Isla del Amor their true feelings fight against deep hurt Can their

Island in the 1920s like so many other travelers without luggage a little werewolf who grew up on his own in the chaos of the Bronx ghetto I think I was defined by two things World War II and the movies His work remains deeply marked by this childhood largely forgotten by the American Dream If Charyn has spent much of his life in Paris he has paradoxically never left the Bronx El Bronx is there inside my head and I revisit it the way Hemingway would fish the Big Two Hearted River in his dreams His whole work is a long attempt at evoking his own history and celebrating his lifelong marveling at the power of language our second skin as well as his deep unflinching belief in the promises of fiction Since 1964 Charyn has published more than fifty books ranging from fiction to nonfiction and including short stories very popular crime novels graphic novels cowritten with European artists essays on American culture and cinema as well as on New York autobiography and biography an ever changing production that has made it difficult for critics to classify him And yet in many ways Charyn s writing thrives on constant currents the words voice song undersong or rhythm return frequently in his interviews as he explains what literature is to him and ceaselessly asserts that he is trying to find a music for a musicless world a language for people who cannot speak

Secrets Red Dragon GGD,2020-12-29 About one man s love for a woman not of his religion and or culture He has to find a way to get around it and his controlling father to have the woman of his dreams He has to show her that he is the one she needs to be happy Friends and family are not what they seem to be Life does not turn out the way it should have Secrets are kept by those who claim to love each other There is one who knows everyone s secrets those who tries to protect their friends those who would do anything for a friend including fighting making them laugh or holding their hands A father who prefers to keep control over his business and family especially his eldest son and believes in his religion and culture so strongly he will force it onto his son if he has to Disapproving of his son s choice of woman he takes control and decides to change the outcome

The Gift of Death Jacques Derrida,1996-06 In The Gift of Death Jacques Derrida s most sustained consideration of religion to date he continues to explore questions introduced in Given Time about the limits of the rational and responsible that one reaches in granting or accepting death whether by sacrifice murder execution or suicide Derrida analyzes Patocka s Heretical Essays on the History of Philosophy and develops and compares his ideas to the works of Heidegger Levinas and Kierkegaard A major work The Gift of Death resonates with much of Derrida s earlier writing and will be of interest to scholars in anthropology philosophy and literary criticism along with scholars of ethics and religion The Gift of Death is Derrida s long awaited deconstruction of the foundations of the project of a philosophical ethics and it will long be regarded as one of the most significant of his many writings Choice An important contribution to the critical study of ethics that commends itself to philosophers social scientists scholars of religion and those made curious by the controversy that so often attends Derrida Booklist Derrida stares death in the face in this dense but rewarding inquiry Provocative Publishers Weekly

Winter Warning Jerome Charyn,2017-10-01 Reflecting our own world like a volatile funhouse mirror Winter Warning lures us back to the 1980s an era that could have been ripped right out of our most recent

political upheaval Isaac Sidel should have been vice president banished to some far corner of the West Wing but the president elect has been forced to resign or face indictment for his crooked land deals and Sidel becomes the accidental president There s never been another president quite like Isaac Sidel New York s former police commissioner and mayor There s a secret lottery created by some bankers in Basel to determine the exact date of Sidel s death And Sidel has to outrun this lottery in order to save himself His greatest allies are not the Secret Service or the DNC but a former Israeli prime minister who was a explosives operative during the British occupation of Palestine as well as a mysterious billionaire who belongs to a brotherhood of killers and counterfeiters His only companions in the capital are the captain of his helicopter fleet and a sexy naval intelligence officer who realizes that something has gone amuck at Camp David when a band of mercenaries arrive with their sights trained on Sidel

story of its creation and development features a cast of fascinating characters and remarkable historical episodes Featuring a new epilogue on the Surfside condominium collapse and the current state of infrastructure in America this book delves into this history opening readers eyes at every turn In a lively narrative peppered with intriguing details author Robert Courland describes how some of the most famous personalities of history became involved in the development and use of concrete including King Herod the Great of Judea the Roman emperor Hadrian Thomas Edison who once owned the largest concrete cement plant in the world and architect Frank Lloyd Wright Courland points to recent archaeological evidence suggesting that the discovery of concrete directly led to the Neolithic Revolution and the rise of the earliest civilizations Much later the Romans reached extraordinarily high standards for concrete production showcasing their achievement in iconic buildings like the Coliseum and the Pantheon Amazingly with the fall of the Roman Empire the secrets of concrete manufacturing were lost for over a millennium The author explains that when concrete was rediscovered in the late eighteenth century it was initially viewed as an interesting novelty or at best a specialized building material suitable only for a narrow range of applications It was only toward the end of the nineteenth century that the use of concrete exploded During this rapid expansion industry lobbyists tried to disguise the fact that modern concrete had certain defects and critical shortcomings It is now recognized that modern concrete unlike its Roman predecessor gradually disintegrates with age Compounding this problem is another distressing fact the manufacture of concrete cement is a major contributor to global warming Concrete Planet is filled with incredible stories fascinating characters surprising facts and an array of intriguing insights into the building material that forms the basis of the infrastructure on which we depend

Jacob's Wealth Paul Vrolijk, 2011-05-10 Various biblical studies on wealth and poverty have been published over the last thirty years Some of these studies touch on the wealth of the patriarchs in Genesis 12-50 but they focus predominantly on other parts of the Bible Scholars who have studied the patriarchal narratives in detail comment on aspects of patriarchal wealth but do not offer an in depth analysis of this topic This book on Jacob's wealth shows that such an analysis is warranted In the Jacob story material possessions and their associated attitudes and actions are essential to understand the various relationship dynamics Often possessions are the cause of conflict but they also play a role in conflict resolution As a result this study contributes to a fuller understanding of the Jacob cycle

The Bestowed C. Ryan Crockett, 2025-05-23 An ambitious archer An anxious healer A desperate thief Isaac is Bestowed chosen by Nature as a leader and protector only he lives in Talen far away from anyone to lead or protect He yearns to join the heroic group of fighters who protect the world from untold dangers the Paladins of Valoria Forget sky high qualifications and a will of iron the biggest hurdle for Isaac's dream is his protective father who refuses to let Isaac take risks Until Isaac finds himself rescuing a giant bear from an onslaught of enchanted arrows Isaac's world is turned upside down when he learns the truth about who his parents are his mother's death and a re-emerging evil who wants him specifically Can Isaac survive to become the hero he's always dreamed of being Or will evil forces stop him before he and his

friends even begin Book one in the YA Fantasy series The Bestowed This book hits the sweet spot between Rangers Apprentice and Eragon Also for readers of Jennifer Nielsen and Pedro Urvi Great to read with your teens and tweens No profanity No explicit content Just adventure and Narnia level violence **The Messianic Secret of Hasidism** Mor Altshuler,2006-11-01 This book describes a circle of Eastern European Kabbalists that established Hasidism an important movement that has influenced Jewish Mysticism Yiddish culture and Hebrew literature It uncovers the messianic motivation concealed in Hasidic writings after the failure of their 1740 1781 attempts to hurry redemption The book opens with the Besht the legendary founder of Hasidism and continues with the first Hasidic court founded by one of his prominent disciples the preacher of Zlotshov The group s redemptive activities are revealed through their mystical rituals their self image as representatives of the ten Sefirot and the status of their leader the Righteous One as a vivid symbol of the divine influx The book is especially important for scholars and students of Judaism as well as scholars of mysticism and messianism seeking to comprehend the transformation of a messianic circle of devotees into a mass movement that changes the culture of an entire nation **Reckoning with the Past** Ashley Barnwell,Joseph Cummins,2018-12-07 This is the first book to examine how Australian fiction writers draw on family histories to reckon with the nation s colonial past Located at the intersection of literature history and sociology it explores the relationships between family storytelling memory and postcolonial identity With attention to the political potential of family histories Reckoning with the Past argues that authors often autobiographical works enable us to uncover confront and revise national mythologies An important contribution to the emerging global conversation about multidirectional memory and the need to attend to the effects of colonisation this book will appeal to an interdisciplinary field of scholarly readers
