Secret Lore Of Gardening Patterns Of Male Intimacy:

The Secret Lore of Gardening Graham Jackson,1991 Here is a book about men like no other an archtypal perspective on the psychology of homoerotic and homosexual relationships It is particularly about the bond between green and yellow men with affinities to earth and sky matter and spirit respectfully Green and yellow men have felt a mutual attraction at least since Gilgamesh and Enkidu some 5 000 years ago first wrestled each other to a realization of their equality In the now familiar terms of Jungian psychology green and yellow are shadow brothers each seeks his wholeness his other half in and with the other Drawing from literature the arts and case studies the author focuses on how the polarity between green and yellow works itself out in older man younger man and comrad in arms relationships In both cases the tension results in a symbolic gardening the fruit of which is a deeply rooted creative affirmation of life Men of any sexual orientation will recognize aspects of themselves in this book Both men and women will be inspired by its lucid insights into the feeling life of men Back cover

Three Plays of Maureen Hunter Hunter, Maureen,2003 Book is clean and tight No writing in text Like New *Raising Boys in a New Kind of World* Michael Reist,2011-12-24 More than ever before boys need guidance and this book will guide parents on all subjects such as bullying discipline and homework From video games to the Internet technology and popular culture are having a profound effect on today s boys Boys need guidance more than ever But how can we help them do better in school How can we keep the lines of communication open Raising Boys in a New Kind of World is a passionate call for greater empathy The more we know about boys the more realistic our expectations of them will be We need to stop seeing normal boy behaviour as a problem and learn to understand a boy s need for movement his unique learning styles and his personal methods of communicating Michael Reist writes from the front lines As a classroom teacher for more than 30 years and the father of three boys he has seen first hand the effects that changes in modern culture are having on boys Raising Boys in a New Kind of World is an inspiring and entertaining collection of positive practical advice on many topics including discipline homework video games and bullying and provides numerous tips on how to communicate with boys

The Secret Garden Margaret Eileen Meredith,2005 This fascinating study grew out of the author s abiding interest in gardening as a metaphor for the process of individuation The Double Edward Cletus Sellner,2013 Drawing upon theology Jungian psychology literature and the history of Christian spirituality this book shows how same sex desire can be reflected in those close intimacy between gay men

The Sacred Prostitute Nancy Qualls-Corbett,1988 The disconnection between spirituality and passionate love leaves a broad sense of dissatisfaction and boredom in relationships The author illustrates how our vitality and capacity for joy depend on restoring the soul of the sacred prostitute to its rightful place in consciousness Phallos Eugene Monick,1987 Through close examination of the physical physhological and mythological aspects of phallos the author differentiates masculinity from patriarchy and discovers a mysterious divine reality coequal with the maternal principle as an originating force in the psyche *Men in Love* Vittorio Lingiardi,2002

From the rape of Ganymede to Michelangelo's loves from the relationship of Batman and Robin to the letters between Freud and Jung this voyage speaks eloquently about the complex relationships between men Personality Types Daryl Sharp, 1987 Explains the model of psychological types elaborated by C G Jung Back cover **The Bear Book** Les Wright, 2013-12-02 The Bear Book brings together an impressive range of bear usually big hairy men who favor full face beards and prefer to wear jeans and flannel shirts viewpoints to explore this unique social and cultural phenomenon that stretches from America to western Europe to Australia On the personal level you learn what beardom means to different people in their daily lives and on a broader level its cultural implications for not only the gay community but also society as a whole As this book moves across the wide spectrum of bear identities you learn about the defining forces of identity the significance of differences among masculinities and the shapings of the bear movement from different viewpoints The Bear Book is the first compilation of sociological and cultural analytical investigations of the contemporary gay bear phenomenon To this end Editor Les Wright brings together both objective and subjective viewpoints to create a forum where bears can speak for themselves Through their voices you'll learn about bears and sexual identity gay male iconography socializing on the Internet sexual politics gender class looksism and body image gay mass media the single most powerful force in the current construction of bears bears power and glamor bear as image vs bear as attitude Gays lesbians lesbian scholars bears and social scientists are sure to find The Bear Book thought provoking and insightful as it broaches questions such as Are bears caught up in a utopian romantic impulse to reinvent themselves What was radical lesbianism's impact on the bear movement To what extent are bears only another group of exploited consumers in a fragmented market system And is it possible to establish social liberation through enslavement to your sexual passions For both your pleasure and your education The Bear Book examines nearly every corner of beardom including bear history identity social spaces iconography and its constituency abroad Desire and Denial in Byzantium Liz James, 2016-12-05 The papers in this volume derive from the 31st Spring Symposium of Byzantine Studies held for the Promotion of Byzantine Studies at the University of Sussex Brighton in March 1997 Desire sex love and the erotic are not terms usually associated with Byzantium and Byzantine Studies unlike celibacy virginity and asceticism which more readily spring to mind In order to examine whether the balance between these two extremes needed redressing desire and denial was adopted as the theme for this symposium The papers in this volume by a group of international scholars explore the many different aspects of Byzantine perceptions towards their own humanity and the frailties of that humanity Using evidence from archaeology art history and literary texts ranging from sermons to legal documents these chapters reveal writings about love both secular and religious images of sexuality and sensuality the law and Byzantine attitudes to bodies and the senses What the symposium illustrated is that the question of desires in the Byzantine world is significant and that such desires can offer insights into Byzantine conceptions of their own world
