## **Secret Of M Dulong A Memoir:**

**The Secret of M. Dulong** Colette Inez, 2005 Full of humor profundity and obsession these are tales of writers on peregrine paths Some set out in search of legends or artistic inspiration others seek spiritual epiphany or fulfillment of a promise Their journeys lead them variously to Dracula s castle Laura Ingalls Wilder s prairie the Grimms fairy tale road Mayan temples Nathaniel West s California the Camino de Santiago trail Scott s Antarctica the Marquis de Sade s haunted manor or the sacred city of Varanasi All of these pilgrimages are worthy journeys redemptive and serious But a time honored element of pilgrimage is a suspension of rules and there is absurdity and exuberance here as well **When "I" was Born** Jing M. Wang, 2008 In the period between the 1920s and 1940s a genre emerged in Chinese literature that would reveal crucial contradictions in Chinese culture that still exist today At a time of intense political conflict Chinese women began to write autobiography a genre that focused on personal identity and self exploration rather than the national collective identity that the country was championing When I Was Born Women s Autobiography in Modern China reclaims the voices of these particular writers voices that have been misinterpreted and overlooked for decades Tracing women writers as they move from autobiographical fiction often self revelatory and personal to explicit autobiographies that focused on women s roles in public life Jing M Wang reveals the factors that propelled this literary movement the roles that liberal translators and their renditions of Western life stories played and the way in which these women writers redefined writing and gender in the stories they told But Wang reveals another story as well the evolving history and identity of women in modern Chinese society When I Was Born adds to a growing body of important work in Chinese history and culture women s studies and autobiography in a global context Writers discussed include Xie Bingying Zhang Ailing Yu Yinzi Fei Pu Lu Meiyen Feng Heyi Ye Qian Bai Wei Shi Wen Fan Xiulin Su Xuelin and Lu Yin **The Divided States** Laura J. Beard, Ricia Anne Chansky, 2023-01-10 What is an American identity The tension between populism and pluralism between homogeneity and heterogeneity has marked the United States since its inception In The Divided States leading scholars and critics argue that the US is and has always been a site where multiple national identities intersect in productive and challenging ways Scrutinizing conflicting nationalisms and national identities the authors ask Whose stories get told and whose do not Who or what promotes the idea of a unified national identity in the United States How is the notion of a unified national identity disrupted What myths and stories bind the US together How representative are these stories What are the counternarratives And if the idea of national homogeneity is a fallacy what does tie us together as a nation Working across auto biography studies American studies and human geography all of which deal with the current interest in competing narratives alternative facts and accountability the essays engage in and contribute to critical conversations in classrooms scholarship and the public sphere The authors draw from a variety of fields including anthropology class analysis critical race theory diasporic refugee and immigration studies disability studies gender studies graphic and comix studies Indigenous studies

linguistics literary studies sociology and visual culture And the genres under scrutiny include diary epistolary communication digital narratives graphic narratives literary narratives medical narratives memoir oral history and testimony This fresh and theoretically engaged volume will be relevant to anyone interested in the multiplicity of voices that make up the US national narrative

**Masked** Alfred Habegger, 2014-06-30 A brave British widow goes to Siam and by dint of her principled and indomitable character inspires that despotic nation to abolish slavery and absolute rule this appealing legend first took shape after the Civil War when Anna Leonowens came to America from Bangkok and succeeded in becoming a celebrity author and lecturer Three decades after her death in the 1940s and 1950s the story would be transformed into a powerful Western myth by Margaret Landon's best selling book *Anna and the King of Siam* and Rodgers and Hammerstein's musical *The King and I* But who was Leonowens and why did her story take hold Although it has been known for some time that she was of Anglo Indian parentage and that her tales about the Siamese court are unreliable not until now with the publication of *Masked* has there been a deeply researched account of her extraordinary life Alfred Habegger an award winning biographer draws on the archives of five continents and recent Thai language scholarship to disclose the complex person behind the mask and the troubling facts behind the myth He also ponders the curious fit between Leonowens's compelling fabrications and the New World's innocent dreams in particular the dream that democracy can be spread through quick and easy interventions Exploring the full historic complexity of what it once meant to pass as white *Masked* pays close attention to Leonowens's midlevel origins in British India her education at a Bombay charity school for Eurasian children her material and social milieu in Australia and Singapore the stresses she endured in Bangkok as a working widow the latent melancholy that often afflicted her the problematic aspects of her self invention and the welcome she found in America where a circle of elite New England abolitionists who knew nothing about Southeast Asia gave her their uncritical support Her embellished story would again capture America's imagination as World War II ended and a newly interventionist United States looked toward Asia Best Books for General Audiences selected by the American Association of School Librarians Best Regional Special Interest Book selected by the Public Library Reviewers

**Conjoined Twins in Black and White** Linda Frost, 2009-06-10 Conjoined twins have long been a subject of fantasy fascination and freak shows In this first collection of its kind Millie Christine McKoy African American twins born in 1851 and Daisy and Violet Hilton

English twins born in 1908 speak for themselves through memoirs that help us understand what it is like to live physically joined to someone else Conjoined Twins in Black and White provides contemporary readers with the twins autobiographies the first two show histories to be republished since their original appearance a previously unpublished novella and a nineteenth century medical examination each of which attempts to define these women and reveal the issues of race gender and the body prompted by the twins themselves The McKoys born slaves were kidnapped and taken to Britain where they worked as entertainers until they were reunited with their mother in an emotional chance encounter The Hiltons cast away by their horrified mother at birth worked the carnival circuit as vaudeville performers until the WWII economy forced them to the burlesque stage The hardships along with the triumphs experienced by these very different sister sets lend insight into our fascination with conjoined twins

*Before They Could Vote* Sidonie A. Smith,Julia Watson,Sidonie

Smith, 2006-08-01 The life narratives in this collection are by ethnically diverse women of energy and ambition some well known some forgotten over generations who confronted barriers of gender class race and sexual difference as they pursued or adapted to adventurous new lives in a rapidly changing America The engaging selections from captivity narratives to letters manifestos criminal confessions and childhood sketches span a hundred years in which women increasingly asserted themselves publicly Some rose to positions of prominence as writers activists and artists some sought education or wrote to support themselves and their families some transgressed social norms in search of new possibilities Each woman's story is strikingly individual yet the brief narratives in this anthology collectively chart bold new visions of women's agency This rich new anthology sets in motion an intertextual conversation of remarkable vitality that will change the ways we understand gender class ethnicity culture and nation in nineteenth century America **Susanna Egan** author of *Mirror Talk* **Who Am I?**

Yi-Fu Tuan, 2009-05-15 *Who Am I* is the bittersweet memoir of a Chinese American who came to this country as a twenty year old graduate student and stayed to become one of America's most innovative intellectuals whose work has explored the aesthetic and moral dimensions of human relations with landscape nature and environment **Sister** Sylvia Bell White, Jody LePage, 2013-06-06 Raised with twelve brothers in a part of the segregated South that provided no school for African American children Sylvia Bell White went North as a teenager dreaming of a nursing career but in Milwaukee she and her brothers found only racial discrimination and she had to persevere through racial rebuffs to find work When a Milwaukee police officer killed her younger brother in 1958 the Bell family suspected a racial murder but could do nothing to prove it until twenty years later when one of the officers involved in the incident unexpectedly came forward Sylvia was the driving force behind the family's four year quest for justice through a civil rights lawsuit **Four Russian Serf Narratives** John MacKay, 2009-11-24 Although millions of Russians lived as serfs until the middle of the nineteenth century little is known about their lives Identifying and documenting the conditions of Russian serfs has proven difficult because the Russian state discouraged literacy among the serfs and censored public expressions of dissent To date scholars have identified only twenty known Russian serf narratives *Four Russian Serf Narratives* contains four of these accounts and is the first translated collection of autobiographies by serfs Scholar and translator John MacKay brings to light for an English language audience a diverse sampling of Russian serf narratives ranging from an autobiographical poem to stories of adventure and escape *Autobiography 1785* recounts a highly educated serf's attempt to escape to Europe where he hoped to study architecture The long testimonial poem *News About Russia* ca 1849 laments the conditions under which the author and his fellow serfs lived In *The Story of My Life and Wanderings* 1881 a serf tradesman tells of his attempt to simultaneously escape serfdom and captivity from Chechen mountaineers The fragmentary *Notes of a Serf Woman* 1911 testifies to the harshness of peasant life with extraordinary acuity and descriptive power These accounts offer readers a glimpse from the point of view of the serfs themselves into the realities of one of the largest systems of unfree labor in history The volume also allows comparison with

slave narratives produced in the United States and elsewhere adding an important dimension to knowledge of the institution of slavery and the experience of enslavement in modern times      *Graphic Subjects* Michael A. Chaney,2011-03-01 Some of the most noteworthy graphic novels and comic books of recent years have been entirely autobiographical In *Graphic Subjects* Michael A Chaney brings together a lively mix of scholars to examine the use of autobiography within graphic novels including such critically acclaimed examples as Art Spiegelman's *Maus* David Beauchard's *Epileptic* Marjane Satrapi's *Persepolis* Alan Moore's *Watchmen* and Gene Yang's *American Born Chinese* These essays accompanied by visual examples illuminate the new horizons that illustrated autobiographical narrative creates The volume insightfully highlights the ways that graphic novelists and literary cartoonists have incorporated history experience and life stories into their work The result is a challenging and innovative collection that reveals the combined power of autobiography and the graphic novel      *Mark Twain's Own Autobiography* Mark Twain,2010-02-25 Mark Twain's *Own Autobiography* stands as the last of Twain's great yarns Here he tells his story in his own way freely expressing his joys and sorrows his affections and hatreds his rages and reverence ending as always tongue in cheek Now then that is the tale Some of it is true More than the story of a literary career this memoir is anchored in the writer's relation to his family what they meant to him as a husband father and artist It also brims with many of Twain's best comic anecdotes about his rambunctious boyhood in Hannibal his misadventures in the Nevada territory his notorious Whittier birthday speech his travels abroad and more Twain published twenty five Chapters from *My Autobiography* in the *North American Review* in 1906 and 1907 I intend that this autobiography shall be read and admired a good many centuries because of its form and method form and method whereby the past and the present are constantly brought face to face resulting in contrasts which newly fire up the interest all along like contact of flint with steel For this second edition Michael Kiskis's introduction references a wealth of critical work done on Twain since 1990 He also adds a discussion of literary domesticity locating the autobiography within the history of Twain's literary work and within Twain's own understanding and experience of domestic concerns      *Pomegranate Seeds* Dean Kostos,2008 From the Publisher This volume is the first ever collection of poems in English by 49 prominent Greek American poets from throughout the United States The poems cover a variety of topics and styles      **Entering the Real World: VCCA Poets on Mt.
