Bengal forcibly evicted thousands of Bengali refugees who had settled on the island forms a background for some parts of the novel Indeed my dear friend the Goddess Kali who holds sway over both Humanity and the Environment in India found this novel to be very entertaining and factual about India Especially the methods to harmonize Humanism and Environmentalism were described very accurately so that People Dolphins Crocodiles and man eating Tigers can live in Peace and Harmony with each other On that note we would like to remind all People in India that Human Evolution is a constant in the Universe Just like imperialism had to make way for Liberty and Social Justice so will inequality and classism make way for Equality Equity Prosperity and Human Rights in India We would like to remind all People in the International Community that the importance of belonging to Humankind takes precedence over all the marks of distinction that may separate one person from another The thing that matters most is not that we have any particular cultural or national identity or that we abide by any particular religion or philosophical conviction but that we share with all People the highest values of Humanity Love Cooperation and Compassion Love and Light Mark BTB Global Peacebuilding PS The combination of grace strength agility and enormous power has earned the Irrawaddy Dolphin her pride of place as the national animal of India **Wilderness, the Discovery of a Continent of Wonder** Rutherford Hayes Platt,1961 **Stone Mountain** Lucian Lamar Knight,1923
