Rosicrucianism is one of the most important and least recognized streams of Western spirituality. Forced underground in the maelstrom of the Thirty Years War, Rosicrucianism was passed down secretly by alchemists, hermetists, and Masons into the nineteenth century when it inspired new spiritual movements including theosophy, the Order of the Golden Dawn, and Rudolf Steiner's spiritual science. This book collects from many different sources Steiner's discussions on Rosicrucianism, the Tao, and the Rose Cross, the history and mission of Christian Rosenkreutz, the nature of Rosicrucian practice and experience, the meaning of *The Chemical Wedding*, Goethe's Rosicrucian poem *The Mysteries*, and how to meditate on the Rose Cross itself. **The Secret of Secrets** Dan Brown, 2025-09-09. The world's most celebrated thriller writer returns with his most stunning novel yet: a propulsive, twisty, thought-provoking masterpiece that will entertain readers as only Dan Brown can. Robert Langdon, esteemed professor of symbology, travels to Prague to attend a groundbreaking lecture by Katherine Solomon, a prominent noetic scientist with whom he has recently begun a relationship. Katherine is on the verge of publishing an explosive book that contains startling discoveries about the nature of human consciousness and threatens to disrupt centuries of established belief. But a brutal murder catapults the trip into chaos, and Katherine suddenly disappears along with her manuscript. Langdon finds himself targeted by a powerful organization and hunted by a chilling assailant sprung from Prague's most ancient mythology. As the plot expands into London and New York, Langdon desperately searches for Katherine and for answers. In a thrilling race through the dual worlds of futuristic science and mystical lore, he uncovers a shocking truth about a secret project that will forever change the way we think about the human mind. **Buried Secrets** Vella Day, 2023-10-22. When Criminal Minds meets *Bones*: How hard could it be working as an undercover cop at a local occult store? Answer: Deadly. Dr. Sam Bonita, former military man turned forensic anthropologist, needs answers regarding a headless body; answers he hopes to find in a Tampa, Florida, occult store. Once inside, he finds a sexy and intriguing clerk, Jenna Holliday, who Sam believes might hold the key to the identity of the murderer. Determined to learn what she knows, he asks her out. Sparks fly in more than one way, and the evening ends in a blaze as his house is burned down with them inside. And things only get worse from there. These two are on the hunt for **BURIED SECRETS**, secrets that will cause the killer to turn his focus on them. **Entries** Library of Congress.
