Anthology of Contemporary Ecuadorian Poetry Ronald Haladyna,2011-08-26 Volcanic Reflections A Bilingual Anthology of Contemporary Ecuadorian Poetry is the third in a series of books that aspires to address a dearth of information in the English speaking world about South American poetry of the past thirty years The nineteen outstanding poets included here represent a wide diversity of themes styles and perspectives in one of South Americas smaller nations All of them have published extensively have been recognized through literary awards and inclusion in national and international anthologies and continue writing and publishing today For readers unfamiliar with Ecuador the Introduction provides a brief background of its geography history politics economy and society This is followed by an ample selection of representative poems published previously in Spanish with translations in English on facing pages The book concludes with a brief biographical sketch of each poet and an unprecedented bibliography of primary and secondary sources for those readers who might want

to pursue further reading or research on any poet of interest Contemporary Uruguayan Poetry A Bilingual Anthology and Exotic Territory A Bilingual Anthology of Contemporary Paraguayan Anthology are two companion volumes that offer similar exposure to poetry that deserves to be better known in the English speaking world *Reading Lezama's Paradiso* William Rowlandson,2007 This book focuses on the novel Paradiso of Cuban author Jos Lezama Lima 1910 1976 and in particular on the protagonist Jos Cem It examines the development of Cem according to the three distinct phases detailed by Lezama the placentario world of family protection the awakening to the exterior world and the subsequent friendships made and the eventual encounters with Oppiano Licario Cem s progression and his growing ability to interpret and create texts is analysed as analogous to the reader s progression through the novel In this respect both the reader and Cem are obliged to interpret the complex symbolism according to interpretative skills acquired from the text itself In a similar fashion the connection between Cem s guide Licario and the author Lezama is investigated By exploring these connections between reader and protagonist author and character the author of this work suggests a radical and hitherto unexplored approach to the text of Lezama Immanent Visitor Jaime Saenz,2002-10-30 Immanent Visitor is a triumphant procession of that hallucinated angel Jaime Saenz carried into English by Kent Johnson and Forrest Gander Eliot Weinberger The appearance of Jaime Saenz in English is a major event for all of us who live and write within that language In this authoritative selection and translation by Forrest Gander and Kent Johnson he enters the imagination of North America a later but crucial member of the pantheon of west coast South American poets that includes Neruda Vallejo Huidobro and Parra The poetry is relentless and the genius of the man who made it inescapable For a poetry of awakening and terror this is the place to look Jerome Rothenberg These poems in translation are a revelation a masterful conceit Reading Saenz we are struck awake into a surging polyphonic language of unstable rapid transitions the poet translators say and so it is a plain of shifting verbal sands Saenz unfolds in their hands The poem and the reader are both kept off balance until they levitate into a trance el momento of fusion where poetry begins It is a great thing to witness this translation as event the coming of Saenz into a new us a moment when poetry can be read as ours meaning north and south connected This is nuestra poes a Cecilia Vicu a author of The Precarious Quipoem The Art and Poetry of Cecilia Vicu a **The Secreto de Los Secretos** Philip B. La Filosofía y la vida Diego Tatián, 2024-08-14 Tal como sugiere el subtítulo *Doce lecciones con Spinoza* este libro busca no tanto hacer de la filosofía de Spinoza un objeto de estudio técnico cuanto pensar libremente con ella las encrucijadas de nuestro tiempo a través de un montaje que incluye la poesía la pintura la política la conversación generosa Y con esto subrayar la potencia del spinozismo para habitar la conjunción entre la filosofía y la vida Los textos que componen este volumen fueron inicialmente clases dictadas por el autor en 2021 en el marco del Programa Lectura Mundi de la UNSAM y se organizan a partir de los términos convexo y cóncavo que constituyen metáforas de dos aspectos de la filosofía de Spinoza En la curvatura convexa se alojan nociones que designan la dimensión negativa de la experiencia humana la expulsión el infortunio el odio la servidumbre la superstición En el aspecto cóncavo comparecen expresiones como la cautela la política la amistad la comunidad el arte con las que frente a aquella inevitable negatividad el pensamiento designa la posibilidad de una vida plena
