Secrets Of A Prophet:

Secrets of a Prophet Prophet S. E. Johnson, 2003-05 Secrets of the Prophetic Kim Clement, 2011-07-28 If you are longing to gain insights into the prophetic word then this book will lead you on the pathway to that discovery Paul Crouch President Trinity Broadcast Network Wrapped around the astounding story of Kim Clement's personal life and call into the prophetic ministry are the secrets that everyone needs in order to hear God's voice with clarity and assurance Kim remembers the first time he heard God's voice when God called him to full time ministry as he emerged from the waters of baptism From that moment on God began teaching him how to move in a prophetic gifting In this book you will discover amazing and practical truths about the realm of the prophetic from a man who is a prophet to the nations and who answers such questions as Why is the prophetic ministry so necessary today How do I respond to a word from the Lord Will God speak directly to me Can God speak to me in different ways What are the duties responsibilities and mandates of a true prophet You will be encouraged and strengthened as you read the accounts of Old Testament prophets as they heard God and responded to Him and you will sense your own destiny unfold as you come to understand that you don't need someone else to reveal God's destiny for your life Remember God speaks directly to all his people and that includes you **Prophetic Secrets** Passion Java, 2014 In this book Prophetic secrets it clarifies how the prophetic gift works and how ordinary people can become prophets how prophets are like spiritual decoders that take things in the spirit realm and translate them to this world to help people understand what God is saying about their lives Learn how you can respond to any prophecy of any kind what do and what not to do when a prophecy has been directed to you It also talks about the relationship between the Old Testament prophets and the New Testament prophets *Secrets of a Prophet* Shad Babbani, 2014-09-17 It took nearly two years to compile and arrange the evidence introduced in this book A significant amount of information has been left out only because it has been discussed and written about by other authors The point of this book is not and will never be the criticism of Muslims It is never fair nor will ever be fair to criticize them However it is nondiscriminatory to criticize the teachings of Islam as an ideology No ideology religion or philosophy should be exempt of criticism **Secrets of the Prophets** Dale Spears, 2009 Prophets have a sacred calling to prepare us for the future In this compelling new book Dale Spears reminds us of what Amos knew long ago that the Lord God will do nothing but he revealeth his secret unto his servants the prophets *Secrets of the Prophets* provides a fresh perspective on the role of prophets in our modern world as it illuminates the secrets the Lord has revealed specifically for you Secret's of the False Prophet's Fame, Fortune, and Success T Moss, 2008-04
