Secrets Of Paternity:

Secrets of Paternity Susan Crosby, Emilie Rose, 2005 Little White Lies, Deep Dark Secrets Susan Shapiro Barash, 2025-06-25 From the bestselling author of Tripping the Prom Queen comes a fascinating and provocative look at the reasons behind female deception Little White Lies Deep Dark Secrets reveals how society doles out mixed messages to women fostering the lies they tell Among the liars are A woman who shoplifts and has it down to a science A woman who tells her husband she is working late in order to be with her lover A woman who lies about her children's achievements to her friends A woman who pretends her husband is doing well when they are going broke A woman who has covered up her husband's emotional abuse for years A woman whose secret is her misery in being a stay at home mom in suburbia A woman who lies about loving her partner deciding it s better to stay than be alone And many other secrets and deceptions Honest and even outrageous Susan Shapiro Barash is fast becoming the author who explores issues that are important to women issues that they are loath to talk about until now **Secrets of Paternity** Susan Crosby, 2005 Secrets of Paternity by Susan Crosby released on Jun 14 2005 is available now for purchase Fathers, Families, and the State in France, 1914-1945 Kristen Stromberg Childers, 2018-07-05 The state's policy with regard to fathers and fatherhood had a great impact on concepts of citizenship and gender in France in the era of the two World Wars Drawing on new material that has only recently become available from the archives of the Vichy regime Kristen Stromberg Childers analyzes the ways fathers were promoted as saviors of the nation after France's humiliating defeat by the Germans in June 1940 Childers argues that concern for the family and for the status of fathers in modern France was not merely a response to falling birthrates and German aggression but was fundamental to the very notion of citizenship and political participation. The debate on men as gendered beings Childers demonstrates is central to the political social and cultural history of France in the modern age The father figure became a focus as participants from all classes and across the political spectrum debated what was wrong with the French family and what policies were needed to remedy the problem Childers examines how these policies were implemented what they reveal about the development of the welfare state in France and how they help explain the importance of Vichy in twentieth century French history Twenty eight illustrations including fifteen photographs many never previously published complement her argument *Personal Life* Carol Smart, 2013-05-20 For more than a decade Carol Smart has been at the forefront of debates about the sociology of the family Yet she has become frustrated by the fixation of many commentators with the supposed decline of commitment and even the decline of the possibility of family life In this exciting new book she puts forward a new way of understanding families and relationships Breaking with conventional wisdom her book offers a fresh conceptual approach to understanding personal life which realigns empirical research with theoretical analysis She gives emphasis to ideas of connectedness relationality and embeddedness rejecting many of the assumptions found in theories of individualisation and de traditionalisation by authors such as Beck and Beck Gernsheim

Bauman and Giddens Instead her approach prioritises the bonds between people the importance of memory and cultural heritage the significance of emotions both positive and negative how family secrets work and change over time and the underestimated importance of things such as shared possessions or homes in the maintenance and memory of relationships This ground breaking text will be essential reading for anyone who cares about the future of families and personal relationships and who wants to understand this most intimate area of social life On the French Riviera of Mystery Pasquale De Marco, 2025-05-09 Embark on a captivating journey through the enchanting French Riviera with On the French Riviera of Mystery an immersive guide that unveils the region s rich history breathtaking beauty and vibrant culture From the sun kissed beaches of Saint Tropez to the glamorous streets of Monaco the Riviera has captivated travelers and artists for centuries On the French Riviera of Mystery delves into the region's allure exploring its iconic landmarks cultural traditions and hidden gems Discover the stories behind ancient ruins medieval villages and opulent palaces Trace the footsteps of famous artists and writers who have found inspiration on the Riviera's shores Immerse yourself in the region s vibrant culinary scene from Michelin starred restaurants to traditional markets and cooking classes On the French Riviera of Mystery offers a comprehensive guide to the Riviera's diverse landscapes from the rugged beauty of the Esterel Mountains to the tranguil waters of the Mediterranean Sea It provides insider tips on yachting sailing hiking and other activities that showcase the region s natural splendor Whether you re a seasoned traveler or a first time visitor On the French Riviera of Mystery equips you with the knowledge and insights to fully experience the magic of the French Riviera Its engaging narrative stunning photography and practical advice will guide you through this extraordinary destination leaving you with unforgettable memories and a deep appreciation for its timeless charm If you like this book write a review on google books
