**The Secrets Men Keep** Stephen Arterburn, 2007-11-04

Every man has secrets Whether they are sinful or simply not in your best interest whether you wall them off or stuff them down deep you are not alone But as author Stephen Arterburn warns secrets are also the most dangerous force within a man so finding a way to deal with the unspoken fears and questions that threaten to undo you is among your most important tasks In this book the author of the million selling Every Man s Battle series courageously exposes what nearly 4 000 men like you said they think feel and question about themselves their work their marriage and family their finances and their faith but don t dare to talk about He also affirms again and again that the strength it takes to keep your secrets safe can be redirected to make a better life and a stronger you Throughout these pages Arterburn not only fleshes out each of twenty five secrets but gives perspective on where those secrets come from why they feel so important and how to respond to them to make life love work and leadership easier for you and for everyone who loves you
