[Summary of Gym Launch Secrets by Alex Hormozi](#) Francis Thomas, 2023-09-26 Summary of Gym Launch Secrets by Alex Hormozi Alex Hormozi is a multifaceted individual known for his entrepreneurial prowess philanthropic endeavors and significant investments across various industries Here's an in depth look into his life achievements and contributions

Background and Early Life Alex Hormozi is a first generation Iranian American entrepreneur He graduated from Vanderbilt University Magna Cum Laude in just three years earning a BS in Human Organizational Development with a focus on Corporate Strategy After his academic pursuits he worked as a management consultant for a boutique strategy firm for two years before venturing into the world of business

Entrepreneurial Journey In 2013 Hormozi took his first step into the business world by starting his brick mortar business Within a short span of three years he expanded his business to six locations However instead of resting on his laurels he sold these locations and transitioned to the turnaround business Over the next two years he successfully turned around 32 brick mortar businesses using the model that had made his privately owned locations thrive Recognizing the potential of his business model Hormozi packaged his process into a licensing model which impressively scaled to over 4,000 locations in just four years During this period he also founded and scaled three other companies across diverse industries including software service e-commerce and brick mortar

These ventures collectively amassed 120M in cumulative sales. Notably, he achieved this remarkable feat without taking on outside capital. Over the years, he has successfully scaled and exited seven companies, with his most significant exit being the majority sale of his licensing company for a whopping 46.2M in 2021. In 2020, Hormozi transitioned from the role of CEO to an owner/shareholder position in these companies. He then founded Acquisition.com, a platform he envisioned as a means to invest both his monetary and intellectual wealth into other businesses. His investment portfolio, based on his thesis, primarily focuses on asset-light, high-cash-flow sales-focused service and digital products businesses. [A Family Secret](#) Harry Brooks, 2005-03-14. *A Family Secret* is a fast-moving novel that takes the reader from the streets of South Philly to the backroom gambling joints of Atlantic City in the early forties to the most Mafia-infested, politically corrupt city in the world, Las Vegas. It is the story of two half brothers who each follow different career paths. One becomes a successful Las Vegas casino owner, while the other ends up in the Mafia. The authors' use of sharp street dialogue makes the characters as real as a royal flush. *A Family Secret* is a gritty, sometime humorous story that keeps the reader wondering what will happen next. You will meet all kinds of interesting characters in the book: People like Fat Lenny Little Pussey and Eddie the Hat Weisberg, who is more like somebody's old grandfather than a Jewish gangster. The main character, Goldy, is the essence of every young man's dream: Handsome, rich, and as cool as a winter night. And Bobby Cippolini, Goldy's half brother, a careless, cocky young Italian who answers only to the face he sees in the mirror. *A Family Secret* is a story about people as much as it is about gambling and the mob. It is a beguiling and sometime witty love story that keeps the reader in suspense until the very end. **R E V I E W S** on Amazon.com: Absolutely outstanding book. I found myself immersed in the characters' lives because of the author's incredible attention to detail. The characters were very well developed, and it incorporated aspects of business, the underworld, and family in a realistic portrayal of Mafia life. The plot kept me guessing. I couldn't put it down. Very highly recommended, as it is now one of my favorite books. Stephanie Cohrac, Grand Rapids, MI. This book was one of a kind. A real page-turner. It really paints a perfect picture of how life really was back then. A must-read. A big fan, Jason Nissan. The story takes you through a realistic portrayal of what it was like to be a wise guy in South Philly. The story flows well, and the characters are well developed to give the reader a visualization of the story. The author is currently unknown but won't be after people get a copy of this book. A must-read. Daniel Halpern, State College, PA. I was pleased to read a story that was true to life. No phony characters or make-believe wise guys. The author knew what he was doing. A great read. Can see this as a movie. Florida Mike. Mike the Man, Florida.
