Secrets Of Spiritual Warfare:

Secrets of Spiritual Warfare Jessie Penn-Lewis, 2003-12 As soldiers in the Lord's army we face evil forces daily Learn to equip yourself with God's weapons for defeating the Enemy and emerge victorious from every battle War on the Saints (Secrets of Spiritual Warfare) Jessie Penn-Lewis, Evan Roberts, 2007-05-01 Regarded by some as the definitive work in Christendom War on the Saints considers crucial aspects of spiritual discernment and spiritual warfare for the Christian

16 Spiritual Deliverance Strategies That Will Set You Free Willie Estrada, 2017-04-16 Have you ever asked yourself why people don't get delivered from their spiritual oppressions Why do people struggle with evil influences or unwanted situations no matter how hard they try to get rid of them Spiritual deliverance never comes and did you know that most people think that they don't get delivered because they don't pray or fast enough This is because we think that by praying and fasting more our prayers will be heard But the scribes and Pharisees thought the same way and the Lord did not approve of their actions Praying and fasting are two important factors for our deliverance but most people don't get delivered because they simply ignore that prayers without the backing of the Holy Spirit are just mere words This means that it is the backing of the Holy Spirit that will set you free and that leads us to a profound question Do you have the backing of the Holy Ghost If you have it then you should already be delivered from your sufferings and oppressions because no evil can stand against the mighty power of the Holy Ghost If you don't have it then you might need to dig deeper behind your prayers and seek the support of the Spirit in order for you to get delivered Whether you are a new prayer warrior or already have experience on the battlefield today you're going to learn how to welcome the power of the Spirit in your life before you say another prayer Remember what the Lord said It's not by might nor by power but by My Spirit saith the Lord of hosts Zechariah 4:6 STRATEGIES TO GO ALONG WITH YOUR SPIRITUAL WARFARE PRAYERS Today you will learn the following spiritual deliverance strategies PROMOTE THE HOLY SPIRIT IN YOUR LIFE BY Filling Your Life with Praises Letting the Word of the Lord Set You Free Getting involved in the Kingdom Experiencing the wonders of the Lord Examining your heart Being grateful for what you have Staying away from worldly activities Staying away from spiritual junk food Watching your relationships Watching what you say Changing your environment Setting yourself some goals Making a commitment For more information look inside the presentation of this book Prayers are the weapon that the Lord gave us to fight against Satan but how can we win a war with weapons alone How can an army be victorious without the knowledge needed on the battlefield In any battle we need strategies and our spiritual battle is no different Many times we don't see our prayers answered and we wonder what we might be doing wrong ignoring that the strategies are not there to back our prayers As Christians we need to be aware of all these things so the purpose of this book is to help you promote the Holy Spirit in your life through strategies that will give you the victory over Satan's spiritual attacks You can continue doing what you've been doing all along but if you're not getting delivered maybe it's time to ask yourself a serious question How do I promote the

Holy Spirit in my life In this book you will find the answer to that question Each strategy is based on Biblical principles and backed by the teachings of the Lord so you can be sure that freedom will come your way Get this book today and expect positive results and the freedom that you long for

The Art of Spiritual Warfare Venatius Oforka,2018-06-21 Since the beginning of time a fierce spiritual battle has raged between the forces of good and evil Today the spiritual entities of wickedness are winning burdening countless souls in a world lacerated by evil To claim victory God is calling us to engage in spiritual warfare as the only way to save the world from the desolation that is sure to come In these pages theologian Venatius Oforka explains that we are part of a spiritual web through which God acts to save souls No longer does God create out of nothing Instead He achieves His purposes through the prayers and actions we pour in To win such a sophisticated war Oforka introduces us to the supernatural weapons of war and how we can shape the events that affect our earthly and eternal

destiny From Father Oforka you will learn How the ministry of intercession can bring salvation to millions of hopeless souls How to frustrate the Devil's evil schemes How to free yourself from the encumbrances of the flesh so you can fully participate in spiritual warfare The two basic actions Christians must undertake to survive evil days The profound advantage you have over Satan and his works How and why God needs intercessors to save souls Why God requires us to act before He steps in The critical role of the angels and the saints in fighting evil The importance of suffering in spiritual warfare Why God needs our prayers to make His Kingdom come The Art of Spiritual Warfare is the one book you need to awaken our world from its spiritual hibernation and to exercise the awesome privilege of working with God in the realization of His Kingdom
