Verbal Riddim Christian Habekost, 2022-06-08 This is the first book length study of dub poetry the musical talkover that has been an important part of the reggae scene in Canada Britain and of course the Caribbean since the 1970 s Christian Habekost s qualifications for writing such a book are beyond dispute He is a German poet who has been involved with the dub movement since it began and knows most of its leading figures As Ranting Chako he is featured on the LP Dread Poets Society The bibliography indicates that he has interviewed many of the 43 poet performers mentioned often on several occasions Verbal Riddim based on his doctoral dissertation at the University of Mannheim is a successful blend of the performer and the researcher □□□□□□□□ Donald A. Gibbs, Yun-chen Li, Christopher C. Rand, 1975 Preliminary Material Introduction Sources Studies of Modern Chinese Literature Studies and Translations of Individual Authors Unidentified Authors Conference Papers Unpublished Works Chinese Sources Index Harvard East Asian Monographs *Hawaiian Grammar* Samuel H. Elbert, Mary Kawena Pukui, 2001-04-01 Without question this is the definitive grammar of the Hawaiian language Indeed it is the first attempt at a comprehensive treatment of the subject since W D Alexander published his concise Short Synopsis of the Most Essential Points in Hawaiian Grammar in 1864 This grammar is intended as a companion to the Hawaiian Dictionary by the same authors The grammar was written with every student of the Hawaiian language in mind from the casual interested layperson to the professional linguist and grammarian Although it was obviously impossible to avoid technical terms their use was kept to a minimum and a glossary is included for those who need its help Each point of grammar is illustrated with examples many from Hawaiian language literature *Speaking Spanish Like a Native* Brad Kim, Erika Domínguez, 2005 *Guarding Hanna* Miha Mazzini, 2008-06-17 Abandoned at birth because he has the face of a prize boar the unnamed narrator of Guarding Hanna knows only a local Berlin gang as family Patriarch Maestro acts as surrogate father employing him to collect debts and perform thuggish tasks Except for brief moments interacting with the gang the beast spends his life alone wandering Berlin s streets and sleeping in its vast housing projects This changes in a flash when one of Maestro s sons is implicated in a crime The only hope of saving him is to protect the sole witness beautiful but eccentric Hanna Wyoczik Maestro calls on the beast to move in with her until the trial But never having spent more than five minutes in a social situation with any human being much less a woman he quickly finds the basic tasks of human interaction and social intercourse insufferable Yet Hanna s unfazed reaction to her guardian and her witty account of philandering ex husbands and a nympho mother soon confound and captivate him Could love be rearing its head Miha Mazzini weaves simple scenes into a meaningful and darkly hilarious novel relentlessly poking and prodding at the human condition without losing sight of the characters humanity Jews in Ukrainian Literature Myroslav Shkandrij, 2009-08-25 This pioneering study is the first to show how Jews have been seen through modern Ukrainian literature Myroslav Shkandrij uses evidence found within that literature to challenge the established view that the Ukrainian and Jewish communities were

antagonistic toward one another and interacted only when compelled to do so by economic necessity Jews in Ukrainian Literature synthesizes recent research in the West and in the Ukraine where access to Soviet era literature has become possible only in the recent post independence period Many of the works discussed are either little known or unknown in the West By demonstrating how Ukrainians have imagined their historical encounters with Jews in different ways over the decades this account also shows how the Jewish presence has contributed to the acceptance of cultural diversity within contemporary Ukraine

An Indonesian-English Dictionary John M. Echols,Hassan Shadily,John U. Wolff,1989 This dictionary is meant primarily as a tool for English speakers who need to know Indonesian and who deal with Indonesian writings The aim has thus been to give comprehensive coverage to forms a foreigner might run across in Indonesian readings from this era or from the past but excluding classical Malay literature Much of the Indonesian written production written and otherwise contains slangy colloquial and regional forms and we have not excluded such forms On the other hand we have confined the listing of dialectical forms only to those likely to be widely known The dictionary should also be useful to Indonesians who wish to learn English equivalents of Indonesian words but it has not been developed primarily for that purpose because many English words can only be defined by a sequence of Indonesian words from Introduction
