*Deployment* Kalman Dubov, 2021-12-03 Near the close of my 28 years of service in the United States military as a Jewish Chaplain and while on active duty with the United States Air Force I received deployment orders to the Middle East Central Asia and Africa These orders followed the 11 September 2001 attack on the United States In response the United States launched two simultaneous wars one in Iraq termed Operation Iraqi Freedom The second was termed Operation Enduring Freedom and was in Afghanistan At the time I was given exceptional orders to travel to these two war zones to include the satellite countries which had American and Coalition military forces organize and lead the Jewish personnel and train a Lay Leader for base representation These orders allowed me to travel at will throughout both war zones During this travel which extended from the Marine base in Djibouti in east Africa through the Middle East and Central Asia I saw firsthand the bases personnel and morale of this massive worldwide response to the attacks on 11 September This volume reflects my time while traveling through these theatres of war My time spent in these countries was unique and I recount these experiences in context In addition just a month before retirement I received orders to Guantanamo Bay Cuba for a 10 day period These travels enabled me to see United States military activities from numerous vantage points as well as visit a highly charged and restricted base in the Caribbean This is a special story that reflects my perceptions of the war against terror

*Urban Exodus* Gerald Gamm, 2001-03-16 Across the country white ethnics have fled cities for suburbs But many have stayed in their old neighborhoods When the busing crisis erupted in Boston in the 1970s Catholics were in the forefront of resistance Jews 70 000 of whom had lived in Roxbury and Dorchester in the early 1950s were invisible during the crisis They were silent because they departed the city more quickly and more thoroughly than Boston's Catholics Only scattered Jews remained in Dorchester and Roxbury by the mid 1970s In telling the story of why the Jews left and the Catholics stayed Gerald Gamm places neighborhood institutions churches synagogues community centers schools at its center He challenges the long held assumption that bankers and real estate agents were responsible for the rapid Jewish exodus Rather according to Gamm basic institutional rules explain the strength of Catholic attachments to neighborhood and the weakness of Jewish attachments Because they are rooted territorially defined and hierarchical parishes have frustrated the urban exodus of Catholic families And because their survival was predicated on their portability and autonomy Jewish institutions exacerbated the Jewish exodus Gamm shows that the dramatic transformation of urban neighborhoods began not in the 1950s or 1960s but in the 1920s Not since Anthony Lukas's *Common Ground* has there been a book that so brilliantly explores not just Boston's dilemma but the roots of the American urban crisis
