The Founding of English America John May, 2024-05-24 In 1577 John Dee a scientist who served as an advisor to Queen Elizabeth I proposed to her the creation of colonies in the New World Neither Elizabeth nor Walter Raleigh imagined the task would be so difficult or take more than 30 years The effort started with an exploration of the coast of today's North Carolina and the settlement of a colony on Roanoke Island in 1585 This ended tragically and became known as The Lost Colony its fate a mystery to this day James I resumed the effort with the founding of Jamestown in 1607 on an island in the James River in today's Virginia This book relates the histories of the Roanoke and Jamestown colonies to enable a full understanding of the founding of English America Important events in America's beginnings including the wreck of the Sea Venture which inspired William Shakespeare's *The Tempest* the Algonquin chief Powhatan's plans to make the newcomers useful to him and the relationship between Pocahontas and English Captain John Smith are highlighted

Florida Kevin Kokomoor, 2023-09-01 La Florida explores a Spanish thread to early American history that is unfamiliar or even unknown to most Americans As this book uncovers it was Spanish influence and not English which drove America's early history By focusing on America's Spanish heritage this collection of stories complicates and sometimes challenges how Americans view their past which author Kevin Kokomoor refers to as the country's founding mythology Dig deeper into Hispanic and Caribbean history and how important happenings elsewhere in the Spanish colonial world influenced the discovery and colonization of the American Southeast Follow Spanish sailors discovering the edges of a new continent and greedy violent conquistadors quickly moving in to find riches along with Catholic missionaries on their search for religious converts Learn how Spanish colonialism in Florida sparked the British's plans for colonization of the continent and influenced some of the most enduring traditions of the larger Southeast The key history presented in the book will challenge the general assumption that whatever is important or interesting about this country is a product of its English past
