White Terror Jamie Bisher,2006-01-16 This is the gripping story of a forgotten Russia in turmoil when the line between government and organized crime blurred into a chaotic continuum of kleptocracy vengeance and sadism It tells the tale of how in the last days of 1917 a fugitive Cossack captain brashly led seven cohorts into a mutinous garrison at Manchuli a squalid bordertown on Russia s frontier with Manchuria The garrison had gone Red revolted against its officers and become a dangerous ill disciplined mob Nevertheless Cossack Captain Grigori Semionov cleverly harangued the garrison into laying down its arms and boarding a train that carried it back into the Bolsheviks tenuous territory Through such bold action Semionov and a handful of young Cossack brethren established themselves as the warlords of Eastern Siberia and Russia s Pacific maritime provinces during the next bloody year Like inland pirates they menaced the Trans Siberian Railroad with fleets of armoured trains Cossack cavalry mercenaries and pressgang cannon fodder They undermined Admiral Kolchak s White armies ruthlessly liquidated all Reds terrorized the population sold out to the Japanese and antagonized the American Expeditionary Force and Czech Legion in a frenzied orchestration of the Russian Empire s gotterdammerung Historians have long recognized that Ataman Semionov and Company were a nasty lot This book details precisely how nasty they were

The Silk Road Frances Wood,2002 This gorgeously illustrated oversized book brings the history and cultures of the Silk Road alive from its beginnings to the present day covering more than 5000 years *Facing the Victorious Turks* Andrew

Orr,2024-09-12 At the end of World War I parts of the defeated Ottoman Empire were seized and partitioned by the Allied Powers In response the newly formed Turkish National Movement waged a military campaign to win Turkey s independence eventually leading to the declaration of the Republic of Turkey in 1923 In Facing the Victorious Turks Andrew Orr argues that French military intelligence and diplomatic officials Orientalism and racism led them to misinterpret the Turkish War of Independence by placing Europeans at the center of their analysis of the Middle East French observers flawed understanding of Muslims and Islam fed conspiracy theories that distorted their understanding of Germany the emerging Soviet Union Middle Eastern politics and colonialism It allowed them to perceive and report the danger of Middle East wide revolts without questioning whether it was European rule itself that was causing the political turmoil French military leaders were thus able to escape the sort of self reflection that might have exposed the exploitative nature of colonialism and pushed them to question the moral and strategic justifications for colonial rule Orr s study draws on French and British military diplomatic and intelligence documents published Turkish sources journalistic accounts and combatants and aid workers journals It also takes advantage of US intelligence and diplomatic papers that included correspondence with French military and diplomatic officials in Constantinople Facing the Victorious Turks is valuable reading for anyone interested in nationalism and imperialism intelligence studies French involvement in the Middle East and modern Turkish history Blood Brothers B. Lintner,2016-04-30 From pirates singing Ricky Martin to mob hits carried out with samurai swords Bertil Lintner offers a fascinating look at organized crime in the Asia Pacific Both Western and Asian pundits assert that shady deals are an Asian way of life Some argue that corruption and illicit business ventures gambling prostitution drug trafficking gun running oil smuggling are entrenched parts of the Asian value system Yet many Asian leaders maintain that their cities are safer than Sydney Amsterdam New York and Los Angeles Making use of expertise gained from twenty years of living in Asia Lintner exposes the role crime plays in the countries of the Far East In Blood Brothers he takes you inside the criminal fraternities of Asia examining these networks and their past histories in order to answer one question How are civil societies all over the world to be protected from the worst excesses of increasingly globalised mobsters *Books on Turkey* ,2005 **The Bolsheviks and Britain during the Russian Revolution and Civil War, 1917-24** Evgeny Sergeev,2022-06-16 This book analyses the principal aspects of the relations between Soviet Russia USSR and Britain in the crucial phase of their formation namely the period from 1917 to 1924 Using previously unavailable and largely unknown archival records and memoirs published by statesmen diplomats and military commanders directly involved in the events Evgeny Sergeev not only reconstructs the dynamics of the interaction between Moscow and London but also strips its key episodes of common myths and stereotypes The most debatable issues to which this study draws its primary attention include Britain s role in the Entente armed intervention against the Bolshevik regime as well as a series of reciprocate attempts to avoid political controversies and London s contribution to humanitarian aid and the economic recovery of post revolutionary Russia Special

consideration is also given to the impact of British diplomacy on the recognition of the USSR by other great powers like France Italy and Japan in the mid 1920s
