story of a continued search for connection documenting an ethnic fade that never quite happened

The Poetry of James Joyce Reconsidered Marc C. Conner, 2012-04-29 To many James Joyce is simply the greatest novelist of the twentieth century Scholars have pored over every minutia of his public and private life from utility bills to deeply personal letters in search of new insights into his life and work Yet for the most part they have paid scant attention to the two volumes of poetry he published The nine contributors to *The Poetry of James Joyce Reconsidered* convincingly challenge the critical consensus that Joyce's poetry is inferior to his prose They reveal how his poems provide entries into Joyce's most personal and intimate thoughts and ideas They also demonstrate that Joyce's poetic explorations of the nature of knowledge sexual intimacy the changing quality of love the relations between writing and music and the religious dimensions of the human experience were fundamental to his development as a writer of prose This exciting new work is sure to spark new interest in Joyce's poetry and will become an essential and indispensable resource for students and scholars of his life and work

Ciaran Carson Neal Alexander, 2010-01-01 A PDF version of this book is available for free in open access via the OAPEN Library platform www.oapen.org Ciaran Carson is one of the most challenging and inventive of contemporary Irish writers exhibiting verbal brilliance formal complexity and intellectual daring across a remarkably varied body of work This study considers the full range of his oeuvre in poetry prose and translations and discusses the major themes to which he returns including memory and history narrative language and translation mapping violence and power It argues that the singularity of Carson's writing is to be found in his radical imaginative engagements with ideas of space and place The city of Belfast in particular occupies a crucially important place in his texts serving as an imaginative focal point around which his many other concerns are constellated The city in all its volatile mutability is an abiding frame of reference and a reservoir of creative impetus for Carson's imagination Accordingly the book adopts an interdisciplinary approach that draws upon geography urbanism and cultural theory as well as literary criticism It provides both a stimulating and thorough introduction to Carson's work and a flexible critical framework for exploring literary representations of space

Imaginary Peaks Katie Ives, 2021-10-01 2022 Banff Mountain Book Competition Special Jury Mention A book every thoughtful adventurer and seeker of dreams should read Outside Using an infamous deception about a fake mountain range in British Columbia as her jumping off point Katie Ives the well known editor of *Alpinist* explores the lure of blank spaces on the map and the value of the imagination In *Imaginary Peaks* she details the cartographical mystery of the Riesenstein Hoax within the larger context of climbing history and the seemingly endless quest for newly discovered peaks and claims of first ascents *Imaginary Peaks* is an evocative thought provoking tale immersed in the literature of exploration study of maps and basic human desire

Politics of Identity in Post-Conflict States Éamonn Ó Ciardha, Gabriela Vojvoda, 2015-12-14 Ireland and the Balkans have come to represent divided and re united communities They both provide effective microcosms of national ethnic political military religious ideological and cultural conflicts in their respective regions and as a result they demonstrate real and imaginary

divisions This book will specifically focus on the history politics and literature of Bosnia Herzegovina and Northern Ireland while making comparative reference to some of Europe's other disputed and divided regions Using case studies such as Kosovo and Serbia Lithuania Germany Poland Russia and Belarus Greece and Macedonia it examines space place and border discourse the topography of war and violence post war settlement and reconciliation and the location and negotiation of national ethnic religious political and cultural identities The book will be of particular interest to scholars and students of cultural studies history politics Irish studies Slavonic studies area studies and literary studies

Framing the Environmental Humanities, 2018-07-17 The concept of framing has long intrigued and troubled scholars in fields including philosophy rhetoric media studies and literary criticism But framing also has rich implications for environmental debate urging us to reconsider how we understand the relationship between humans and their ecological environment culture and nature The contributors to this wide ranging volume use the concept of framing to engage with key questions in environmental literature history politics film TV and pedagogy In so doing they show that framing can serve as a valuable analytical tool connecting different academic discourses within the emergent interdisciplinary field of the environmental humanities No less importantly they demonstrate how increased awareness of framing strategies and framing effects can help us move society in a more sustainable direction

Imaging Identity Johannes Riquet, Martin Heusser, 2019-11-30 This volume explores the many facets and ongoing transformations of our visual identities in the twentieth and twenty first centuries Its chapters engage with the constitution of personal national and cultural identities at the intersection of the verbal and the visual across a range of media They are attentive to how the medialities and im materialities of modern image culture inflect our conceptions of identity examining the cultural and political force of literature films online video messages rap songs selfies digital algorithms social media computer generated images photojournalism and branding among others They also reflect on the image theories that emerged in the same time span from early theorists such as Charles S Peirce to twentieth century models like those proposed by Roland Barthes and Jacques Derrida as well as more recent theories by Jacques Rancière W J T Mitchell and others The contributors of Imaging Identity come from a wide range of disciplines including literary studies media studies art history tourism studies and semiotics The book will appeal to an interdisciplinary readership interested in contemporary visual culture and image theory
