Seven Clans Of The Cherokee Society

Michael P. Morris

Seven Clans Of The Cherokee Society:

Seven Clans of the Cherokee Society Marcelina Reed, 1993 Describes how the seven clan contributed to make the Cherokee distinctive from the many other Native American tribes

Anetso, the Cherokee Ball Game Michael J. Zogry, 2010 This is a careful and innovative consideration of a remarkable and enduring Native American ritual Zogry reflects deeply critically and sensibly on an amazing array of issues of theoretical interest to the study of religion culture game ritual secrecy colonial contact and even the impact of tourism on culture An important and informative work SAM D GILL University of Colorado at Boulder Zogry presents a very well researched ethically grounded and theoretically informed study of Anetso the Cherokee ball game which will instruct students of Native American religions Cherokee traditions and history and the anthropology of sport A valuable book that is based on impressive archival and ethnographic work Michael d McNally Carleton College Anetso a centuries old Cherokee ball game still played today is a vigorous sometimes violent activity that rewards speed strength and agility At the same time it is the focus of several linked ritual activities Is it a sport Is it a religious ritual Could it possibly be both Why has it lasted so long surviving through centuries of upheaval and change Based on his work in the field and in the archives Michael J Zogry argues that members of the Eastern Band of Cherokee Nation continue to perform selected aspects of their cultural identity by engaging in anetso itself the hub of an extended ceremonial complex or cycle Historically this complex has featured virtually every activity that Cherokee people and non Cherokee observers have identified as elemental to Cherokee religion or ritual However interpreted as game within a broader framing of religion anetso simultaneously resists and problematizes such classifications A precursor to lacrosse anetso appears in all manner of Cherokee cultural narratives and has figured prominently in the written accounts of non Cherokee observers for almost three hundred years The anetso ceremonial complex incorporates a variety of activities that taken together complicate standard scholarly distinctions such as game versus ritual public display versus private performance and tradition versus innovation Thus examination of this Cherokee ball game and the ceremonial complex that it anchors provides a striking opportunity for a rethinking of the understanding of ritual and performance as well as their relationship to cultural identity Zogry draws on extensive cultural consultation with members of the Cherokee community in western North Carolina undertaken with the approval of the Eastern Band of Cherokee Nation Tribal Council as well as thorough archival research to offer a sharp reappraisal of scholarly discourse on the Cherokee religious system with particular focus on the Eastern Band of Cherokee Nation

Cherokee Odyssey Michael P. Morris, 2022-11-28 This study examines the period between 1730 to 1790 which saw the Cherokee people travel the path from a sovereign people allied with the British to a dependent nation signed by treaty to the American Civilization program with US government The author analyzes how in between the Cherokees fought two wars one with the British military and one with the Continental Army A group of Cherokee peace and military chiefs navigated the journey for the Cherokees in trying to handle both wars Ultimately a break away group of young

Cherokees led by Dragging Canoe led his Chickamauga Cherokees away from their traditional leaders and into the battlefield with the Americans Sadly all Cherokees paid the price for the actions of these young warriors The Cherokees survived these ordeals and continue on as a people today just like the rivers that continue to flow through their lands **The Cherokee Indian Nation** Duane H. King,2024-08-09 This important book explores the truth behind the legends offering new insights into the turbulent history of these Native Americans The book s readable style will appeal to all those interested in American Indians Any serious historian or reader of Native American literature must add Dr King s classic book to their collection to appreciate its dimension and quality of research reporting Don Shadburn Forsyth County News Cummings GA Cherokee Stories of the Turtle Island Liars' Club Christopher B. Teuton,2012-10-08 Cherokee Stories of the Turtle Island Liars Club paints a vivid fascinating portrait of a community deeply grounded in tradition and dynamically engaged in the present A collection of forty interwoven stories conversations and teachings about Western Cherokee life beliefs and the art of storytelling the book orchestrates a multilayered conversation between a group of honored Cherokee elders storytellers and knowledge keepers and the communities their stories touch Collaborating with Hastings Shade Sammy Still Sequoyah Guess and Woody Hansen Cherokee scholar Christopher B Teuton has assembled the first collection of traditional and contemporary Western Cherokee stories published in over forty years Not simply a compilation Cherokee Stories of the Turtle Island Liars Club explores the art of Cherokee storytelling or as it is known in the Cherokee language gagoga gah goga literally translated as he or she is lying The book reveals how the members of the Liars Club understand the power and purposes of oral traditional stories and how these stories articulate Cherokee tradition or teachings which the storytellers claim are fundamental to a construction of Cherokee selfhood and cultural belonging Four of the stories are presented in both English and Cherokee The Cherokees Michelle Levine,2006-01-01 Discusses the history culture and contemporary life of the Cherokee people New Men Thomas A. Foster,2011-01-24 In 1782 J Hector St John de Cr vecoeur wrote What then is the American this new man He is an American who leaving behind him all his ancient prejudices and manners receives new ones from the new mode of life he has embraced In casting aside their European mores these pioneers de Cr vecoeur implied were the very embodiment of a new culture society economy and political system But to what extent did manliness shape early America s character and institutions And what roles did race ethnicity and class play in forming masculinity Thomas A Foster and his contributors grapple with these questions in New Men showcasing how colonial and Revolutionary conditions gave rise to new standards of British American manliness Focusing on Indian African and European masculinities in British America from earliest Jamestown through the Revolutionary era and addressing such topics that range from slavery to philanthropy and from satire to warfare the essays in this anthology collectively demonstrate how the economic political social cultural and religious conditions of early America shaped and were shaped by ideals of masculinity Contributors Susan Abram Tyler Boulware Kathleen Brown Trevor Burnard Toby L Ditz Carolyn Eastman Benjamin Irvin

Janet Moore Lindman John Gilbert McCurdy Mary Beth Norton Ann Marie Plane Jessica Choppin Roney and Natalie A Zacek

Social Order and Political Change Duane Champagne, 1992-07-01 Under what conditions can democratic governments be formed and become stable The author addresses this question in a unique way that brings sociological and political theory to bear on the study of traditional societies long the preserve of historians and anthropologists By examining in detail the history of four American Indian societies the Cherokee the Choctaw the Chickasaw and the Creek the author documents a general theory of politics and constitutional government The four societies present an opportunity to study the process of democratic institution building in a controlled comparative historical context The societies were subject to similar geopolitical relations with the United States they were incorporated into the same sequence of world economic system relations initially fur trade and then the cotton market they experienced the emergence of class structures and they all produced some form of constitutional democracy The Cherokee however adopted a stable constitutional government earlier and with less coercion than the other three nations Why was this so With the aid of comparative analysis the author finds the answer in the Cherokee differentiation of politics from the nationally and religiously ordered clan system This set of institutional relations allowed the Cherokee to maintain a strong sense of social solidarity while tolerating conflict increased political differentiation and formation of a political nationality The other three societies were either less differentiated or less socially unified They formed their constitutional governments thirty to forty years later than the Cherokee and with more internal political coercion and in the Creek case with less political stability The formation and stabilization of democratic state governments is a major issue in such contemporary phenomena as political change in Third World nations and the transformation of the governments of Eastern Europe The four case studies presented in this book form the basis of a new and powerful theoretical argument for understanding historical patterns of democratic change political stability and the relations of political power

Trail of Tears Julia Coates, 2014-01-22 This book covers a critical event in U S history the period of Indian removal and resistance from 1817 to 1839 documenting the Cherokee experience as well as Jacksonian policy and Native U S relations This book provides an outstanding resource that introduces readers to Indian removal and resistance and supports high school curricula as well as the National Standards for U S History Era 4 Expansion and Reform Focusing specifically on the Trail of Tears and the experiences of the Cherokee Nation while also covering earlier events and the aftermath of removal the clearly written topical chapters follow the events as they unfolded in Alabama Georgia North Carolina and Tennessee as well as the New England region and Washington DC Written by a tribal council representative of the Cherokee Nation this book offers the most current perspectives incorporating key issues of assimilation sovereignty and Cherokee resistance and resilience throughout The text also addresses important topics that predate removal in the 19th century such as the first treaty between the Cherokees and Great Britain in 1721 the French and Indian Wars the American Revolution proclamation of Cherokee nationality in the 1791 Treaty of Holston and the U S Constitution The Cherokees

Theda Perdue, Ada Elizabeth Deer, 2009 Discusses the history of the Cherokee Indians including origins contact with Europeans and their struggle to survive into the twenty first century
