7-Day Afghans

JEAN LEINHAUSER

& RITA WEISS

Seven Day Afghans

William Maley

Seven Day Afghans:

The 7-day Afghan Book Jean Leinhauser, Rita Weiss, 2005 Rita Weiss's classic best selling guide which sold more than 500 000 copies worldwide has been thoroughly redesigned completely updated and made more beautiful and fashionable than ever before Think of this as a new book not just a mere revision of the original 7 Day Afghans It's undergone a complete transformation through the addition of full colour with all the patterns rechecked for accuracy and rewritten in an easy to follow form Almost all the original throws appear gorgeous as ever but remade in fashionable contemporary yarns and shades Plus several entirely original designs have been added to enhance the modernization One look will have knitters and crocheters pulling out their needles eager to begin A refresher course will quickly get rusty crafters up to speed Make an exquisite Watercolours blanket with fun to do cross stitches a lacy Ice Crystals afghan and Pink Perfection an easy crochet design that's perfect for beginners and other beautiful patterns

The Last Days of the Afghan Republic

Arsalan Noori, Noah Coburn, 2023-05-22 It is difficult to overstate the chaos of August 2021 for many of those in Afghanistan particularly those who had worked closely with the international community there In a matter of days U S troops withdrew from Afghanistan and an insurgency threw out a government the international community had spent 20 years and billions of dollars supporting A government that claimed to stand for women's rights freedom of the press education and a litany of other ideals was replaced by one that did not allow girls to attend secondary school The world watched for two weeks as crowds rushed the airport bodies fell from planes a suicide bomber killed civilians and soldiers and a baby was handed to a Marine over a barbed wire wall The agony of lives so clearly destroyed as people tried to flee their homeland with little to nothing felt like images seen in the wake of natural disasters But this was not a natural disaster It was completely avoidable Part memoir and part history The Last Days of the Afghan Republic tells this story through the experiences of Arsalan Fatima Zeinab and Najeeb a scholar a doctor a student and a translator These young men and women had bought into the promise of the international intervention that if they studied worked hard and believed in democracy and human rights Afghanistan could become a new country Their lives also tell the story of Afghanistan over the past thirty years They recount from the ground up the political decisions on the American side that led to the forever war the way that Afghan political partners squandered opportunities and the ways in which the U S presence unevenly reshaped Afghan society

The Afghans

Åsne Seierstad, 2025-08-05 An astonishing feat of writing and reporting and one of the finest books written on Afghanistan in a generation Eliza Griswold Pulitzer Prize winning author of Amity and Prosperity From the internationally bestselling author of The Bookseller of Kabul an expansive deeply felt portrait of Afghanistan examining the human cost of wars fought lost and won From Soviet occupation to the rise of the Taliban from the outbreak of the War on Terror to its disastrous fallout The Afghans is an extraordinary journey told over the course of three lives Since she was a girl Jamila fought tirelessly for her education At 25 strengthened by the Quran and supported by the flow of international aid that accompanied U S invasion she

set off on a campaign to lead Afghanistan to a better future Meanwhile teenager Bashir joined the Taliban eager to kill infidels in a holy war he would one day lead In their crosshairs Ariana grew up with hopes of becoming a lawyer only to have them dashed in 2021 as the U S military pulled out and the Taliban retook Kabul shuttered schools and wiped the country clean of Western influence Taking us through the Taliban s first year in power *The Afghans* is an essential contribution to the American reckoning with our longest war and a profound work of empathy for three people shaped by a ruinous battle for the soul of their nation

History of the Afghans Neamet Ullah, Bernhard Johann Albrecht Dorn, 1829 *Building on Early Gains in Afghanistan's Health, Nutrition, and Population Sector* World Bank, 2010-05-19 This volume is the first of its kind to present a comprehensive assessment of the health sector in Afghanistan Although health outcomes here are some of the worst in the world the sector has made considerable progress since 2001 A nationwide survey conducted in late 2006 found that the infant mortality rate had fallen from 165 to 129 per 1 000 live births and the under five mortality rate had fallen from 257 to 191 per 1 000 live births These figures represent a 22 percent and a 26 percent decline respectively from the end of 2001 Similarly coverage of prenatal care has increased from less than 5 percent to 32 percent and childhood vaccinations of DPT3 diphtheria pertussis and tetanus have increased from less than 20 percent to 35 percent between 2003 and 2006 Administrative data indicate that the number of functioning primary health care facilities has nearly doubled from 498 in 2001 to more than 936 in 2008 Also the quality of care in publicly financed facilities has increased by about 22 percent from 2004 to 2006 Although this progress is encouraging it is not sufficient to ensure that Afghanistan will achieve the Millennium Development Goals MDGs *Building on Early Gains in Afghanistan s Health Nutrition and Population Sector* presents specific policy options for Afghanistan s Ministry of Public Health to consider in advancing to the next level of care for its population The guiding principles of these options are consistency with the ministry s vision and the feasibility of implementation The specific challenges include revising the content of the basic package of health services BPHS rethinking the delivery of the BPHS securing sustained and predictable financing defining the role of the emerging private sector addressing the shortage of human resources for health and expanding the capacity of the ministry to enable it to effectively carry out its stewardship functions This book was prepared as a resource for policy makers practitioners and researchers in Afghanistan and other conflict affected countries It emphasizes the policy implications of the findings presented

History of the Afghans N'Imat Allah, 1836 **Afghanistan at War** Tom Lansford, 2017-02-16 Covering wars and conflicts of Afghanistan from the modern founding of the country in the 1700s to the contemporary struggle with the Taliban this single volume reference analyzes the causes and results of Afghanistan s wars and examines leading political and military figures weapons and tactics Afghanistan has been embroiled in war and conflict throughout the latter part of the 20th century as well as the current millennium but due to its location at the crossroads of Central Asia Afghanistan has also endured repeated conquests throughout its turbulent earlier times Examining Afghanistan s long military history through this book will enable readers to

grasp the wider sociopolitical history of the country appreciate the impact of these wars on Southwest Asia and superpowers such as Great Britain the Soviet Union and the United States and understand why Afghanistan remains a controversial battleground today The alphabetically organized entries examine the major wars and conflicts of Afghanistan from the modern founding of the country during the Durrani Dynasty in the 1700s through the contemporary struggle with the Taliban The book spotlights the role of key individuals in starting pursuing or ending conflicts as well as their broader contributions to or negative impact on Afghanistan and the international arena The work also presents essays that examine key subtopics such as weapons tactics ethnic groups religion and foreign relations This allows the reader whether a student scholar or member of a nonacademic audience to examine a topic in depth and see how the event figure or movement fits into the broader history of Afghanistan

History of the Afghans Ni'mat Allāh, 1836 [Military Medicine in Iraq and Afghanistan](#)

Ian Greaves, 2018-09-03 Many if not most of the recent improvements in trauma care in civilian practice have developed from military experience The British Defence Medical Services have been recognised as providers of exemplary health care Although there will be an emphasis on trauma this book also captures lessons from internal medicine and infectious disease ethics for example dealing with detainees a particularly controversial subject human factors mental health issues and rehabilitation Military Medicine provides the evidence and context for these innovations and its unique and important account will be of interest to both military and civilian practitioners alike

The Afghanistan Wars William Maley, 2020-11-03 A whole generation has grown up in Afghanistan knowing little but the ravages of war The dramatic overthrow of the Taliban regime in 2001 was simply one event in a series of interrelated struggles which have blighted ordinary people's lives over the last three decades and which continue to interfere with reconciliation and reconstruction This new edition of *The Afghanistan Wars* provides a meticulously documented history of these successive waves of conflict From the roots of Afghanistan's slide into disorder in the late 1970s to the challenges faced by Afghan leaders following the substantial withdrawal of international forces in 2014 it explores military and diplomatic history while also offering valuable insight on humanitarian action gender medical and cultural themes Thoroughly revised in the light of the latest research the third edition also features a new final chapter which examines recent developments in Afghanistan bringing the story up to the present day and mounting a strong case for continuing support for this troubled country New to this Edition A final chapter on the recent developments in Afghanistan up to the present day Revised to take into account the considerable amount of new material published on this topic since 2009 Refreshed and updated throughout

Seven Day Afghans Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has are more apparent than ever.
