The Seven Angels of Peace Sarah Anne Barker, 2019-12-05 The 7 Angels of Peace is a living breathing teaching from the heart This book lifts the veil on the world of the Essenes and their angels and the gifts of peace they have to offer us A complete peace which embraces the seven aspects of our lives our body and mind relationships work beliefs the Earth and our Divinity Sarah Anne Barker brings to life this ancient teaching from the fresh perspective of the angels As a spiritual teaching which is relevant for the modern world This teaching is two thousand years old that of the ancient Essenes and their angels There have often been teachers of peace but

few have spoken of angels of peace as the Essenes did It offers a new vista to the eyes and hearts of those who read it One of peace joy and hope for new beginnings One which empowers us to know we can each make a positive contribution to peace with the angels Based on the ancient Essene scrolls which were discovered last century it is a handbook for peace We are given the seven angel meditations which we can practise to create peace A simple daily meditation practice in which we can invite the angels into our lives for the purpose of peace

The Seventh-Day Sabbath and Its Redemptive Function in God's Everlasting Covenant of Grace A.M.Simataa,2012-05 This special and remarkablebook The Seventh day Sabbath and its Redemptive Function in God s Everlasting Covenant of Grace by A M Simataa addresses topical issues in the Bible quite pertinent to the 21st Century Christianity The author takes a defensive approach of the gospel and brings to the surface some of the least understood teachings of the Bible Although written from a Seventh day Adventist s perspective people of differing religious background and persuasions will find this book very instructive If you have been looking for a book that pains takingly discusses the Gospel seriously and biblically this is the book you have been searching for Some of the topics featured in the book include The Truth about the Bible Sabbath The Judgment of the Living Heavenly New Jerusalem The Marriage Supper of the Lamband the Rapture The Remnant Church in the Parables Mr A M Simataa teaches at a High School in Windhoek Namibia He likes sharing the Gospel with others and spends some of his spare time witnessing to others The central role of the Seventh day Sabbath in the Redemption of our race is the least understood topic in the Bible today Most believers have even dismissed its relevance to today s Christianity However the truth is that the Sabbath is at the heart of Christ s work to save human beings in accordance with God s plan The Sabbath is so central to the work of atonement that Christ is referred to in the Bible as the Lord of the Sabbath The issue of the Sabbath will become pertinent as we near the End and every human being will be required to take a stand in the conflict involving the Sabbath question This book will plant your feet on a solid foundation

The Seventh-Day Sabbath and the Christian Doctrine of Redemption A. M. Simataa,2015-06-30 The Seventh Day Sabbath and the Christian Doctrine of Redemption is a book every Christian must have in their home library The author tackles the biblical doctrine of redemption in a convincing manner and drives home the

centrality of the Sabbath in redemption Over the past hundred years the witness of the sciences such as physics and biochemistry including mathematics as well as the testimony of archaeology and history has put the skeptics of the Bible on the defensive To this overwhelming testimony the author adds the witness of recent fulfilled Bible prophecy The author proceeds to show persuasively how recent fulfilled prophecies have proved once again that the Bible is truly the Word of God In the book the closing work of the gospel on the planet is shown to have a prophetic edge that no one person on the globe can afford to ignore
