Seven Simple Sermons On The Second Coming:

Seven Simple Sermons on the Second Coming Herschel Ford,1973 *Sermons You Can Preach* W. Herschel Ford,1983

For pastors and Bible students alike here is a compendium of Ford's Simple Sermons that have proved meaningful for so many. This book is four volumes of sermons in one. **The Great Transition** Ann Frazier West Ed.D.,2014-01-31 Have you ever wondered if it is possible to stay in touch with your loved ones and share their journey in the afterlife? What happens after death is far too important for us to rely on hand-me-down teachings. We need the authority of first-hand experience. This is what Ann West provides in her moving narrative of her remarkable attempt to continue her friendship with three extraordinary women for many years after their deaths. As we join her on her excursions, we learn about lifestyle and real estate options on the Other Side, the anatomy of subtle bodies, and how the law of attraction applies in all realities. She describes her personal journey, including her discovery of the consequences of bleedthroughs from past or parallel lives, with candor and humility. She draws on the theory and practice of esoteric orders but comes to understand that the heart of the matter is very simple: we can dream with the deceased, and in dreaming, we travel to the realms where they are at home. **The Great Transition** confirms that there is life beyond life and that learning and creative evolution never cease. **ROBERT MOSS**, author of *Conscious Dreaming*, *Dreamgates*, and *The Boy Who Died and Came Back*. This book will take you on a very unusual journey with warmth, wit, and wonder. Dr. West describes in vivid detail life in the next world as revealed in her own dreams and intriguing visions. Anyone seeking to gain a synthesis of the after-death experience will find value, insight, and I dare say, inspiration in this deeply researched and intriguingly written text. **REVEREND LEROY E. ZEMKE**, author of *Thoughts for Transformation*. Inspired by three remarkable women in her life, Ann invites you to embark upon an incredible journey with her to continue relationships with loved ones as they make the great transition to the Other Side of life. Ann shares her personal experiences of contact with other dimensions, the afterlife, to help you discover new and less painful ways to approach the loss of loved ones in your life. It is comforting to know that the connection is still there and that our goodbyes do not have to be permanent. Because of an increase in reports of the phenomenon of near-death experiences (NDEs), great interest in the evidence of an afterlife has arisen, igniting a growing trend of research on the topic. In this book, Ann captivantly reveals past research as well as current scientific research about our contact with the afterlife dimensions.
