Diverse in its content, the book covers topics such as architecture, drawing, painting, graphic arts, photography, digital arts, and much more. *The Tattoo Project* (Deborah Davidson, 2016-12-15) disrupting commonly held notions about who gets tattooed and why. The Tattoo Project describes, illustrates, and celebrates the social significances of commemorative tattoos. Written by scholars from various disciplines as well as by community members and practitioners, this edited collection considers the meanings people make from their experiences of love, loss, trauma, resilience, and change, and why they choose to inscribe those meanings on their bodies. This methods-based text also examines the process of building a community-contributed digital archive of tattoo photos and stories, the result of which inspired the contributions to this book. Writing at the intersections between the public and the private, the authors consider the production and mobilization of knowledge across communities, disciplines, and space. Featuring beautiful tattoo photography, personal narratives from project participants, and original poetry by Priscila Uppal, *The Tattoo Project* is a novel read that bridges the gap between academic and popular audiences. This timely collection is a valuable resource for courses across the social sciences and humanities, and for anyone interested in tattoos and their significance.
