Seven Things You Should Know About Divine Healing:

Seven Things You Should Know about Divine Healing Kenneth E. Hagin, 1979 *Seven Things You Should Know About Divine Healing* shares powerful scriptural truths that prove it is God's will to heal **Seven Things You Should Know about Divine Healing** Kenneth Hagin, 2020-05-05 *How to Profit from Our Afflictions* Thomas Boston, 1992 Originally written in the 1700s in England by Thomas Boston the Rev Dr Curtis Crenshaw has modernized the English and added modern examples of trials and afflictions There is no one who does not need this book It is very readable and practical and Christians love it making Romans 8:28 come to life *Commonly Misunderstood Verses of the Bible* Robert E. Van Voorst, 2017-07-31 Do you believe that God wants you to be financially prosperous Joshua 1:8 Do you think that Christians must forgive and forget Jeremiah 31:34 Do you suppose that everything will work for your good Romans 8:28 or wonder if God will ever give you more than you can bear 1 Corinthians 10:13 If you do best selling author Robert Van Voorst will help you to reexamine these verses and many others to see what they really mean This book treats twenty four of the most misunderstood verses in the Bible Each is given concise but careful treatment including an explanation of how they are misunderstood what their meaning is and what this meaning says to us today Each chapter has questions for reflection and discussion Written especially for use in church classes and Bible study groups but also suitable for individual reading this book will stimulate your growth in the Christian faith and give you more confidence in understanding the Bible and applying it to your life **The Suffering Servant of the Lord, Second Edition** David J. MacLeod, 2019-06-18 *The Suffering Servant of the Lord* A Prophecy of Jesus Christ is a major new study of the fifty third chapter of Isaiah It is exegetical expositional devotional and Christological It is exegetical in that it is based on a careful study of the text It is expositional in that it explains the meaning of chapter to both its original and modern readers The book will give preachers and teachers help in outlining and illustrating their sermons and lectures It is devotional in that this marvelous chapter addresses the deepest need of people the need for forgiveness of sin and peace with God It is Christological in that it focuses on the person of Jesus Christ MacLeod writes I have finished this work more convinced than ever that the passage is a straightforward prophecy of Jesus Christ written by the prophet Isaiah some seven hundred years before the birth of the Savior **No Darkness at All** Michael Maffucci, 2021-05-03 One of the most difficult things to understand about the Bible is why God seems so different in the Old Testament than He does in the New Testament There are places in the Old Testament where God says I kill and I destroy There are many places where God appears to be very harsh when He deals with people For example Uzzah died on the spot when he reached out his hand to touch the ark of God The author is of the conviction that God is good all the time and is never the cause of death destruction or sickness of any kind The author also believes that the Bible is the inerrant word of God Because of his dilemma in trying to justify these two opposite paradigms he has done this detailed study on this subject because he believes the Bible cannot contradict itself Many have blamed God for their afflictions or at the very least

they have accepted their problems as God's will for their life. If you believe that God is doing something evil to you to teach you a lesson or to develop your faith, how can you have faith to be healed or to be delivered from any difficulty? Reading this book will help you see that God is good all the time and can do No Darkness At All 1 John 1:5. Careful grammatical research is done in this book that will give you evidence to the face that there is a great difference between what God causes and what God permits. Each chapter in this work builds upon this evidence and will increase your faith in the goodness of God 2
