How to Find Yourself Brian S. Rosner, 2022-05-05 A Christian Answer to the Identity Angst of Our Culture In the 21st century West identity is everything Never has it been more important culturally speaking to know who you are and remain true to yourself Expressive individualism the belief that looking inward is the way to find yourself has become the primary approach to identity formation and questioning anyone's self made self is often considered a threat or attack Prompted by his own past crisis of identity Brian Rosner challenges the status quo by arguing that while knowing yourself is of some value it cannot be the sole basis for one's identity He provides an approach to identity formation that leads to a more stable and satisfying sense of self This approach looks outward to others acknowledging that we are social beings and looks upward to God to find a self who is intimately known and loved by him How to Find Yourself equips readers from a variety of backgrounds to engage sympathetically with some of the most pressing questions of our day Challenges the Status Quo Examines and critiques expressive individualism the leading strategy for identity formation Gospel Centered Identifies an approach to identity formation in Jesus's life story and God's personal knowledge of his children Accessible Helpful for a wide audience of laypeople students and church leaders Foreword by Carl R Trueman Opens with a message from the author of The Rise and Triumph of the Modern Self **Divine Mysteries in the Enochic Tradition** Andrei A. Orlov, 2023-07-24 The book represents an in depth investigation of acquisition cultivation and transmission of divine mysteries in Jewish apocalyptic and mystical accounts by focusing on the developments found in early Enochic writings These accounts deal both with revelations unveiled by God and angels to the patriarch Enoch and with illicit transmission of divine knowledge by the rogue group of the fallen angels known as the Watchers Orlov argues that the map of otherworldly knowledge revealed to Enoch inversely mirrors the map of illicit revelations given by the fallen Watchers to humankind The study suggests that one of the possible objectives for the parallelism is that by revealing to Enoch the same divine mysteries that were earlier transmitted by the Watchers God attempts to mitigate the corruption caused by the fallen angels illicit instructions This book will be of interest not only for scholars specializing in historical and religious areas but also for experts in the fields of anthropology philosophy sociology psychology and gender theory it discusses several aspects of early and late Jewish religious epistemologies that elucidate the ideological context for the construction and affirmation of social roles and identities in various Jewish milieus *The Complete Picatrix: The Occult Classic of Astrological Magic Liber Atratus Edition* John Michael Greer, Christopher Warnock, 2011 The Picatrix is the most famous grimoire of astrological magic and one of the most important works of medieval and Renaissance magic With all four books of the Latin Picatrix complete in one volume translated annotated by the noted scholars magicians and astrologers John Michael Greer Christopher Warnock Picatrix takes its rightful place as an essential occult text Picatrix is an encyclopedic work with over 300 pages of Hermetic magical philosophy ritual talismanic and natural magic Greer Warnock's complete translation is lucid and well annotated and was
