The woman, on the left, has dark, curly hair and is wearing a dark cloak over a light blue, buttoned dress. The man, on the right, is wearing a dark cap and a dark coat over a light-colored shirt. They are both looking off to the side with serious expressions. The background shows a calm body of water under a soft, hazy sky.

Sexual Reckonings Susan Cahn, 2012-03-05 Sexual Reckonings is the fascinating tale of adolescent girls coming of age in the South during the most explosive decades for the region Focusing on the period from 1920 to 1960 Susan Cahn reveals how both the life of the South and the meaning of adolescence underwent enormous political economic and social shifts Those years witnessed the birth of a modern awareness of adolescence and female sexuality that clashed mightily with the white supremacist and patriarchal legacies of the old South As youth staked its claim the bodies and beliefs of southern girls became the battlefield for a transformed South which was like them experiencing growing pains Cahn reveals how young women both white and black were seen as the South's greatest hope and its greatest threat Viewed as critical actors in every regional crisis from the economic recession and urban migrations of the 1920s to the racial conflicts precipitated by school desegregation in the 1950s female teenagers became the conspicuous subjects of social policy and regional imagination All the while these adolescents pursued their own desires and discovered their own meanings creating cracks in the twin pillars of the Jim Crow South racial purity and white male dominance that would soon be toppled by the student led civil rights movement Sexual Reckonings is an amazingly intimate look at a time of deep personal exploration and profound cultural change for southern girls and for the society they inhabited a powerful account of the clash between a society's fears and the daily lives and aspirations of its most prized and unpredictable population

What a Difference a Day Makes Steve Bergsman,2023-10-30 In **What a Difference a Day Makes** Women Who Conquered 1950s Music Steve Bergsman highlights the Black female artists of the 1950s a time that predated the chart topping girl groups of the early 1960s Many of the singers of this era became wildly famous and respected and even made it into the Rock n Roll Hall of Fame However there were many others such as Margie Day Helen Humes Nellie Lutcher Jewel King and

Savannah Churchill who made one or two great records in the 1950s and then disappeared from the scene The era featured former jazz and blues singers who first came to prominence in the 1940s and others who pioneered early forms of rock n roll In a companion volume Bergsman has written the history of white women singers of the same era Although song styles were parallel the careers of Black and white female singers of the period ran in very different directions as the decade progressed The songs of African American vocalists like Dinah Washington and Etta James were segregated to the R B charts or covered by pop singers in the early and mid 1950s but burst into prominence in the last part of the decade and well into the 1960s White singers on the other hand excelled in the early 1950s but saw their careers decline with the advent of rock music In this volume Bergsman takes an encyclopedic look at both the renowned and the sadly faded stars of the 1950s placing them and their music back in the spotlight

All I Want Is Loving You Steve Bergsman, 2023-10-30 In All I Want Is Loving You Popular Female Singers of the 1950s author Steve Bergsman focuses on the white female artists of the 1950s a time that predated the chart topping girl groups of the early 1960s These popular performers many of whom graduated out of the big bands of the 1940s impacted popular music in a huge way As the last bastion of traditional pop and the last sirens of swing they undeniably shined in the spotlight Yet these singers fame dimmed relatively quickly with the advent of rock n roll A fortunate few like Doris Day Patti Page Peggy Lee and Debbie Reynolds experienced some of their biggest hits in the late 1950s and Eydie Gorm broke out in the 1960s The luckiest including Dinah Shore and Rosemary Clooney ventured to television with varying degrees of success

Others would become major attractions at nightclubs in Las Vegas or like Teresa Brewer shift into the jazz world Though the moment did not last these performers were best selling singers darlings of the disk jockeys and the frenetic heartbeat of fan clubs during their heyday In a companion volume Bergsman has written the history of African American women singers of the same era These Black musicians transitioned more easily as a new form of music rock n roll skyrocketed in popularity In both books Bergsman reintroduces readers to these talented singers offering a thorough look at their work and turning up the volume on their legacy
