Seventy Days To Singapore:

Seventy Days to Singapore Stanley Lawrence Falk, 1975 **The Battle For Singapore** Peter Thompson, 2010-10-07 The Fall of Singapore on 15 February 1942 is a military disaster of enduring fascination For the 60th anniversary of the liberation of the island Peter Thompson tells the explosive story of the Malayan campaign the siege of Singapore the ignominious surrender to a much smaller Japanese force and the Japanese occupation through the eyes of those who were there the soldiers of all nationalities and members of Singapore's beleaguered population An enthralling and perceptive account which never loses sight of the human cost of the tragedy Yorkshire Evening Post An insightful and dramatic analysis The Good Book Guide *Reassessing the Japanese Prisoner of War Experience* R P W Havers, R. P. W. Havers, 2003-03-27 This book explores the history of the Changi Prisoner of War camp at Singapore between the surrender in 1942 and the eventual liberation by British forces in September 1945 It discusses the forms of POW resistance to the Japanese **Did Singapore Have to Fall?** Kevin Blackburn, Karl Hack, 2003-11-20 It will help students and general readers make up their own minds on the most crucial question which can be summed up as Did Singapore Have to Fall Jacket **Forgotten Warrior** Michael Snape, 2023-05-18 Eighty years after his death in a Japanese prison camp this compelling new biography charts the career of a distinguished but hitherto neglected hero of the British army Major General Merton Beckwith Smith DSO MC commanded the British 18th Division during the catastrophic Fall of Singapore in February 1942 A highly respected and much decorated veteran of the First World War he was captured along with tens of thousands of other soldiers British Indian Australian and Malay who were then held prisoner on Singapore Island Amidst hunger disease and widespread despair in Changi over the next six months he rallied the spirits of his soldiers created a make shift university and theatre and helped to inspire a remarkable renewal of collective church life At the same time he improved conditions for hospital patients and encouraged sports and other recreations While the fate of many of the men he led was to toil and often die on the infamous Burma Railway Beckwith Smith was exiled to Karenko Camp Formosa present day Taiwan where mistreated and malnourished he died of diphtheria and heart failure on 11 November 1942 Beckwith Smith was the most senior British officer to end his life as a prisoner of war in the Far East Yet until now he has been a strangely forgotten warrior Based on exclusive access to family archives and drawing on an array of other eye witness accounts Michael Snape's richly detailed biography brings to an end that neglect The result is a story that offers vivid insights into one man's experience of two world wars while also revealing why he was so admired by his fellow officers and by the ordinary soldiers who served under him **Main Fleet to Singapore [Illustrated Edition]** Capt. Russell Grenfell, 2017-06-28 Includes 14 illustrations and 6 maps A fascinating in depth account of the early months of the naval war against the Japanese during the Second World War Includes the sinking of the Royal Navy battleship Prince of Wales and battle cruiser Repulse off Malaya in December 1941 and the American victory at Midway in June 1942 A sharply written often polemical account of the Singapore naval base from its inception to its

loss in 1942 Foreign Affairs **The War Against Japan: The loss of Singapore** Stanley Woodburn Kirby,1957 **Men Who Lost Singapore, 1938-1942** Ronald McCrum,2018-04-27 The British military failure against the Japanese invasion of Singapore in 1942 is a well documented and closely examined episode While attention is frequently drawn to the role of the Colonial Governor and his staff during this period the participation of the civil authorities has not been subjected to the same rigorous scrutiny In this book Ronald McCrum undertakes a close examination of the role and the responsibilities of the colonial authorities both in the lead up to the war and during it He contends that the colonial government by pursuing different priorities needlessly created distraction and confusion Additionally the poor even hostile relations that developed between the local government and the British military hierarchy impeded a joint approach to the growing threat and affected the course of this campaign McCrum displays how the tawdry management of civil defence matters led to unnecessary loss of civilian life *Supreme Court General Term* ,1881 Singapore James Leasor,2001
